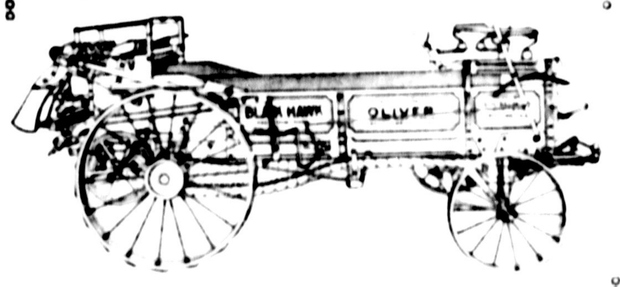
FORMAN & MASON

CENTREVILLE, MD.

THE "BLACK HAWK" MANURE SPREADER



Is simple in construction, and easy to operate. The wide spread attachment enables the farmer to spread a width of 7½ feet. This spreader is easy to load because it is low-down.

Anyone who is in the market for a spreader cannot afford to lose the opportunity of examining the "Black Hawk" before placing his order elsewhere.

"Ask the Man Who Owns One."

Where To Get Glass

Read this notice without fail for it will tell you where to buy window glass and automobile head light glass to best advantage. The place is Holland & Thompson's drug store. They carry the clear strong clear as a crystal kind and can supply it in any size, any shape and in any quantity from single lights to boxes. Glass to fit auto headlight frames cut while you wait by their expert cutter from heavy glass only 25c per lb according to size. Remember these announcements they may save you time and money when in need of such items.
