F. O. B. Detroit, Mich. [illegible] to the United States of America only.

Further, we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments if we reach an output of 300,000 cars between the above dates.

And should we reach this production, we agree to pay as the buyer's share from $40 to $60 per car [illegible] about August 1, 1915 to every retail buyer who purchases a new Ford car between August 1, 1914, and August 1, 1915.
