**"OLD TIMERS" DEFEATED THE SCHOOL PUPILS IN CONTEST. LOCAL NEWS.**

Sudlersville, Nov. 19th—An oldi fashioned "spelling bee" was held at the High School Thursday evening, the contest being between the high school scholars and the town and community. The assembly room was crowded with friends of both sides and the enthusiasm at times reached a high point. When the last High School representative, Master Edgar Starkey, sat down, the Town had three spellers standing up. Mrs. L. P. Corkran, Messrs. R. O. Roe and W. Harry Jones, and the shout that went up from the "old folks," as the High school youngsters had styled them, could be heard for more than a block. We understand a debate will be arranged between them, under similar conditions.

The committee on arrangements for the Sunday School banquet, to be held in Cox Hall Thanksgiving evening, are very anxious to have a full report from each one selling tickets by Saturday evening. It will be necessary to know by that time so they can provide for the proper number of plates.

## Makes 'em Lay Makes 'em Pay

THE laying hen is the paying hen; all the rest are drones. All that is needed is to put and keep them in good thriving condition. To do this they must thoroughly digest their food, and their bowels must move regularly. Naturally a healthy hen will lay the most eggs. Also any poultry that is strong and healthy gains in weight.
