From Kansas

St. Louis, Sept. 23.—The proclamation of Governor Walker, relative to the Oct. 5th election in Kansas has been received. While admitting the injustice exhibited in the apportionment, the Governor exculpates himself from blame by declaring that only four days remained after his arrival in the Territory to make the apportionments.—That he did not know there existed any law requiring him to make the apportionment, and therefore the duty devolved upon others. He expresses the opinion that no one can vote except those who are qualified under the Territorial law. Also, that under this law a Territorial tax will not be received as a qualification.

Troops will be stationed at the voting places where any violence is apprehended and the best exertions will be used to make the election a fair and honest expression of the views of the people.

New York Politics.

Albany, Sept. 22.—It is currently reported here that the "radical" democrats in the Republican State Convention, soon to be held at Syracuse, intend to offer a resolution instructing Hon O. B. Matteson, member elect of Congress, from the Twentieth District, to resign.

The Bark Marine.

New York, Sept. 21.—A letter received here from Norfolk says that the bark Marine got short of provisions and water, and when serving out the last rations met the ship E. N. Frazer, of Philadelphia, bound to New Orleans, which amply supplied her wants.

MARKETS—Liverpool Sept. 12.

Breadstuffs.—The market is steady.—Richardson, Spence & Co. quote:—Flour is firm. Western Canal 30a31s; Southern 31a32s; Ohio 32a33s 9d. Wheat is steady. Corn is quiet. Mixed and yellow 38s; white 42a43s.

AMERICAN CIRCUS, AND Elephant Exhibition,

WILL EXHIBIT AT

EASTON, on Friday, the 2d of October.

THE leading feature of this Grand Exhibition is the varied performance of the Wonderfully Educated Elephants, VICTORIA AND ALBERT, whose unequalled feats have been the wonder and delight of thousands upon thousands in the Paris, London, New York and Philadelphia Theatres. They exhibit the MOST ASTONISHING DISPLAYS OF ANIMAL TRAINING AND INSTINCT EVER BEHELD. They have been taught to ascend an inclined Plank, only nine inches in width, a distance of 30 yards, where one of them will BALANCE HIMSELF ON HIS HEAD! upon a Pedestal not over a foot in Diameter. They will also perform a great variety of Feats of Posturing, Gymnastics, Dancing, Waltzing, Marching, &c., such as have never been attempted in America and have been the wonder and amazement of the world for the last two years. These perfectly and surprisingly trained Elephants, both of whom are quite young, were brought out to this country in March last, by Mr. R. SANDS, personally, who purchased them at an almost incredible cost—bidding over the greatest will least per pieter in Europe—while they were performing an engagement at the Port St. Denis, Paris. Their indefatigable trainer, Mons. LAGRANGE, accompanies the Elephants and superintends their performances.

PARTICULAR NOTICE.

The proprietors do most positively and unequivocally assure the public, that these extraordinary Elephants will PERFORM ALL that is announced or illustrated by cuts in their bills, and that all the Feats thus illustrated in the Engravings and described, ARE ACTUALLY DONE.
