HOUSE PAINTING AND PAPER HANGING.

THE subscriber would most respectfully inform his friends and the public generally of Talbot and adjacent Counties, that he has opened a Shop in Easton for the purpose of carrying on the above business. He will undertake work by Day or Job. His charges will be moderate, and thinks he has had sufficient experience in the business to render entire satisfaction.

When engaged in town, all orders left at his Shop in rear of the jail, will meet with prompt attention, and when in the country if left at Elliott & Hugh's Boot and Shoe Store will be attended to as early as possible. Of the many witnesses he can obtain to testify to his work, he thinks the following will suffice as

AYER'S Cathartic Pills,

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., Mar. 1, 1856.

DR. J. C. AYER, Sir: I have been perfectly cured of the worst headache any body can have in a dose or two of your Pills. It seems to strike them at once and cure them with a dose or two. If they will cure others as they do me, the fact is worth a blessing.

Yours with great respect, ED. W. PEEBLE,
Clerk of Steamer Cleveland.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., Feb. 1856.

SIR: I have used your Pills in my family and in the Hospital practice ever since you made them, and I cannot but say they are the best cathartic we employ. They regulating a form on the liver in spite of all the disorders they are and include all remedy for derangement that organ. Indeed, I have seldom found a case of bilious disease so intractable that it did not readily yield to them.

Friendly yours, ALONZO BLISS, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POINT PLEASANT, HUNTSVILLE, CO., MISS., Nov. 10, 1855.

DR. AYER: Your Pills are the salvation of my family. They have done my wife more good than I can tell you. She had been sick and young child wasting away to nothing. Were all to be destroyed except one box of your pills, she thinks would save her life. Two of my children were cured by expelling large quantities of worms from their bowels. They afterwards cured her of a long and obstinate attack of bloody dysentery. One of our neighbors had the cholera and was given over by his physicians. I gave him two doses of your Pills, which checked the disease, and he is now well. Indeed, we do not know what we should do without your invaluable pills.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

Prepared by J. V. Hunter, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family, and among those I have called to visit in distress. They regulate the system of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HUNTER.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been a sufferer from Scrofula in the worst form, and had given up her child to die, when I induced her to try your Pills, and they have cured her. ASA TOUCHINGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawes, of the Nicollet Presbyterian Church.

FRANKLIN HOUSE, ST. PAUL'S, MINN., Jan. 6, 1856.

DEAR SIR: I should be ungrateful for the relief your pills have brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating rheumatic pains, which resisted all remedies. Something I had the best of physicians, the disease grew worse and more severe. In the advice of some excellent men in Baltimore, Dr. Mackenzie, I tried your Pills. They were to me a specific. But stay. By persevering in the use of them, I am now entirely well.

ISAAC CARTER, Bos. & Lowell R. R., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. ANTONY SUDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are adapted to every case.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness** and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a pill from the disorded consequences that frequently follow its injudicious use. These contain no mercury or mineral substance whatever.

LIME.

To the Editor of the Annapolis Gazette:

WE term it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

HOWARD ASSOCIATION,

PHILADELPHIA.

A Benevolent Institution, established by special enactment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self Abuse, &c., &c.

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved medical treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

PHILEMON FLOYD takes this method of informing his customers and the public generally, that he can be found at the old stand, where he still continues to carry on everything in the line of a Barber. Having been at some additional expense, and the high price of provisions, has caused him to raise the price of Hair Cutting to 18¾ cents—Shaving at the old price, 6¼; Shampooing 25, Best Blacking 6. His patrons can find the Baltimore papers at his shop, after the arrival of the steamboats, and have an opportunity to read the latest news. july 1-y
