COURT, COURT.

ALL who are concerned in the Talbot county Court, are hereby notified that the subriber has fitted up, expressly for the public's convenience, in the basement of the Brick Hotel, a *RESTAURANT*, where they may supply themselves with all the delicacies of the season, at such moderate prices, that will allow the poorest man in the community to partake thereof without injury to his means. The room is especially fitted up for that portion of the community who think the price of our regular dinner more than they can pay. Being divided into 4 rooms, each secured by curtains in front, furnished with neat table and seats, to accommodate 8 persons at a time, prepared and lighted with gas. The following articles can be obtained at all times, in quantities to suit:—Beef Steak and Coffee; Bread and Butter; stewed, fried, roasted, broiled and raw Oysters, from 6 cents worth up; soft Crabs, deviled Crabs, Frogs, Pigs Feet, Tripe, Sheep Tongues, &c. In addition to the convenience above named, he would respectfully announce that he has spared no pains to make the accommodation at the table in the room above, such as shall give satisfaction for the price, beyond a doubt, as every possible article of food in season will be obtained, or furnished. He has obtained a beef raised by Mr. Wm. Goldsborough, and fatted for the last 3 years, which will be furnished every day during Court. I will now remark that I wish all to come and see for themselves, and if they are not satisfied that they have had the worth of their money, the money will be refunded. Come all, now, and help to establish what all admit to be a public convenience, by contributing your mite. If all who come to the House would feed their horses and themselves, we could afford, beyond all doubt, at all times, to give them such accommodations as would render perfect satisfaction, but if you say we want a good house, and at the same time refuse to patronize it, how, in the name of God, can a man keep it.
The public's obedient servant,

REPORT

To the Honorable Commissioners for Talbot County.

We, the subscribers, appointed by your Honorable Body to Examine Lloyd's branch, on the road leading from Hillsborough to Willoughby's Shop, to ascertain the necessity of building a bridge across said branch have examined the same, and do consider that it will greatly improve the travel and be of great advantage to the neighborhood, and do therefore think it necessary to recommend it. The cheapest and best plan would be to straighten the road at said branch. It will take a bridge of 40 feet span, to give vent to the water, and the improvement would probably cost about $450.

apr 17 ALEX. DODD & SON.

CARD.

MY HAT STORE having been closed up most of the time during the last five weeks, is owing to my sickness. If it continue to be closed it will be for the same reason, as my health is yet very bad.
All persons wishing to see me on business (or otherwise) are respectfully requested to call at my residence on Dover Street, near the Store of Messrs. A. Dodd & Son, or on my nephew, Alfred B. Faulkner, at the store of John Goldsborough, Esq., and their wants will be speedily attended to.
My stock of HATS is and will continue to be (Providence permitting,) very good. I have ever detested "dunning," but necessity, at this time, compels me to say to all who are indebted to me that the speedy payment of their bills at "this particular period" will accommodate me very much indeed.
