OF THE TRUSTEES OF TALBOT COUNTY ALMS HOUSE. To the Commissioners of Talbot county:

Gentlemen: We submit the following as our report for the year ending June 1st, 1862.

At the close of the last year, after providing for Bills filed and ordered to be paid, we had a balance unappropriated of $30 58

To which add our last levy	1000 00
Sales of wheat, corn, oats, &c.	790 88

Which leaves us a surplus of		$8 20

It gives us pleasure to state that our indebtedness has been discharged, and that our unpaid bills on file amount to but $455.00—to meet which and to keep up the current expenses of the year we again ask a levy of $1000.

Respectfully submitted, by order of the Board,

WALTER H. THOMPSON,

Merchants and others advertising by the year will be charged extra for advertisements out of their regular line of business.

Marriages and Deaths inserted free, unless the obituary make over ten lines—then a charge of 50 cents per square (10) lines, will be made.

☞ PETITIONS are in circulation in every District in the county for signatures, calling upon the Commissioners of the county to levy such a sum of money as they may think proper, for the benefit of those who may volunteer in the service of the United States. *We* hope that the levy will be a liberal one as there may be many that will go into the service whose families will be destitute of the means of support.

ARREST OF DESERTERS.—Three men were arrested in St. Michaels on Thursday night last, by Constable R. K. Murphey, on suspicion of being deserters from the army. They had a hearing before Esquires Lamdin and Dean and were put under the charge of a posse, headed by Mr. Murphey and sent to Fort McHenry.—It is said that Mr. Murphey evinced great spirit and determination in the discharge of his duty and the Union men of that district have resolved to investigate the cases of all suspicious parties that may attempt to pass through that section.

☞ It will be seen at a single glance this morning that our paper contains a very small quantity of reading matter, which omission is caused by the publication of the Levy List of the county. Although we shall be enabled to give a much greater quanty of reading matter next week than we have this, our usual amount will be very much curtailed for the next three weeks. With this we feel confident that our readers will bear, as during the past twelve months we have used every effort, with much labor, to lay before them the most interesting topics and transactions of the day. Advertising is the very life-blood of a newspaper and this life-blood has been very much thinned during the last eighteen months, consequently we think our readers will make all due allowances for a few weeks. In noticing the county statement we discover a very great improvement on the old plan. The arrangement of the tabular form is one that cannot fail to give universal satisfaction. Every item is not only alphabetically arranged, but the affairs of each district is properly classified, and any tax-payer can see at a glance a summary of the expenses of each district in the county, as well as the aggregate expenses of the whole county. The statement also shows a decrease in the county tax of ten cents in the $100 over last year.

We have often heard it remarked that the President ought to define his policy in the present campaign—in reference to slavery. *We* think the following letter from him in reply to Horace Greely will set all such questions at rest hereafter. A perusal from our readers is solicited.

Letter from the President.

EXECUTIVE MANSION,
Washington, August 22, 1862.

Honorable Horace Greely. Dear Sir—I have just read yours of the 19th, addressed to myself through the New York Tribune. If there be in it any statements or assumptions of fact which I may know to be erroneous, I do not now and here controvert them. If there be in it any inferences which I may believe to be falsely drawn, I do not now and here argue against them. If there be perceptible in it an impatient and dictatorial tone, I waive it in deference to an old friend whose heart I have always supposed to be right.

As to the policy I "seem to be pursuing," as you say, I have not meant to leave any one in doubt. I would save the Union. I would save it the shortest way under the constitution. The sooner the national authority can be restored the nearer the Union will be "the Union as it was." If there be those who would not save the Union unless they could at the same time *save* slavery, I do not agree with them. If there be those who would not save the Union unless they could at the same time *destroy* slavery, I do not agree with them. My paramount object in this struggle *is* to save the Union, and is *not* either to save or to destroy slavery. If I could save the Union without freeing *any* slave I would do it, and if I could save it by freeing *all* the slaves I would do it; and if I could save it by freeing some and leaving others alone, I would also do that. What I do about slavery and the colored race, I do because I believe it helps to save this Union; and what I forbear, I forbear because I do *not* believe it would help to save the Union. I shall do *less* whenever I shall believe what I am doing hurts the cause, and I shall do *more* whenever I shall believe doing more will help the cause. I shall try to correct errors when shown to be errors; and I shall adopt new views so fast as they shall appear to be true views. I have here stated my purpose according to my view of *official* duty, and I intend no modification of my oft-expressed *personal* wish that all men every where could be free. Yours, A. LINCOLN.

ASTONISHING CURE OF INFLAMMATION OF THE BOWELS, OF FIFTEEN YEARS' STANDING.

PHILADELPHIA, March 16, 1858.

DR. C. M. JACKSON. DEAR SIR: Restored to health, as I have been, under God, by the use of your invaluable "Hoofland's German Bitters," I feel that I owe you this public acknowledgment.

About the year 1838, while residing in the city of Baltimore, I was attacked with Inflammation of the Bowels. For some time I paid but little attention to it, supposing it would soon pass off. But the disease grew worse, and I became seriously alarmed at its progress. I now had recourse to medical advice, but without any marked effect. I rapidly lost flesh, and became emaciated to such a degree as to attract the attention of all with whom I came in contact. I cannot attempt to describe the feeling of utter helplessness that almost paralyzed my efforts for fifteen years. At length, wearied of life, but still willing, for the sake of my family, to make another effort, I yielded to the advice of my friends, and as an experiment, bought a bottle of your Bitters. To my delighted surprise, I felt a change for the better, before I had taken half the bottle. I continued its use, and purchased a second bottle, which effected a PERFECT CURE. Five years have passed away, and I have experienced no recurrence of the disease. I am now a resident of this city, and am willing to give to all similarly afflicted a statement of my case.

Very truly yours,
WILLIAM CARISS,
312 Thompson St.
