GREAT REDUCTION.

THE Saddle and Harness shop of the subscriber has been patronized so generously and extensively by the farmers of Talbot, Caroline and Queen Anne's the past half year, that he is enabled to sell Carriage Harness, Saddles and other work of his own manufacture, cheaper than it has ever been sold in our town, and at ten per cent. under Baltimore prices.

He believes that success is only to be had by large sales, and large sales only by taking small profits. His leather especially is No. 1 in quality, and anything he makes of it is warranted.—He has excellent workmen surpassed by few anywhere. No work from his shop is botched by boys or unexpert workmen. He keeps every article in his line needed in this country, from a Double Harness to a tack.

Has on hand Riding Saddles from $8 00 to $10, sets of double and single Harness of uncompetitable cheapness for Carriage, Buggy or Wagon, also several sets of second handed harness double and single, very desirable.

THE
GLORIOUS
"29."

THE undersigned, loyal citizens of Talbot County represent, that certain persons have petitioned your Honorable body for a repeal of the Registry law; and whereas we believe that by so doing a great injury would result to the interests of the State and the loyal people therefrom, do most respectfully protest against the granting of said petition. We represent that the disloyal element of this State, and especially of this County, has not yet manifested that regret at their past conduct, or any laudable purpose in the future to atone for the past, to have the right of suffrage conferred upon them. On the contrary they exhibit a vindictiveness of spirit and a latent purpose of revenge which not only shows the wisdom of the law, but is the strongest argument against its repeal.

We therefore request your Honorable body to refuse the petitions that may be presented for the repeal of the said law, believing that the time has not yet arrived for such action on the part of the Legislature.

Feeling thankful for the support I have received in the past, I hope to still merit the continuance of the same. [mar 3]

The Eastern Shore's Steamboat
SPRING ARRANGEMENT.

THE Steamer Cambridge, Capt. E. T. Leonard, will resume her route on Saturday the 3d of March, proximo.—She has been thoroughly overhauled and improved, adding greatly to her capacity for carrying freight and to the comfort of her passengers arrangements. The alterations made in her machinery will doubtless, considerably increase her speed.

She will leave her new pier, 170 Light street wharf, Baltimore, every Tuesday and Saturday at 3 P. M., for Easton Point, Double Mills, Oxford, Clora's Point, Wallach's Landing, Cambridge, Hughlett's Wharf, Cabin Creek and Medford's Wharf. Returning from "the Shore" she will leave Medford's Wharf on Monday's and Thursday's at 1 P. M., reaching Baltimore 5 A. M. on Tuesday and Friday. Her new pier (170 Light street wharf, between Lee and Barry streets,) has been covered with one of the best wharf houses in Baltimore, wherein freight for "the Shore" will be received daily at all hours, and her freights for Baltimore can remain until disposed of by consignees.

Freighters on "the Shore will take notice that the Cambridge will not hereafter wait for any freight not in place on the wharves on her arrival at them; as it is imperatively necessary and behoves that the arrival of the freight on the boat in Baltimore, shall not be delayed by waiting for that of those who may be behind time. feb 24
