BOWER'S

CHEMICAL WORKS.

Established 1821. Bower, Chapman & Co. PHILADELPHIA.

MANUFACTURERS OF PURE CHEMICALS.

The Manufacturers would respectfully call the attention of the Medical Profession and others to the high character of all articles made at this Works, which for purity and efficacy are not surpassed by any in the Union. Their Chemicals are used in the Hospitals of Philadelphia, and by the most eminent Physicians and Apothecaries throughout the country, and they are confidently offered to the public as being in every respect reliable and pure, and fully equal to any in the market.

Particular attention is invited to their Fluid Extracts, prepared from the Medicinal Plants, which are warranted to contain the entire properties of the plants from which they are prepared, and are put up in a convenient form for dispensing, and are offered at prices much lower than those of other manufacturers.
