are our Agents for the GAZETTE in those cities, and are authorized to take Advertisements and Subscriptions for us at our lowest rates.

BUSINESS NOTICES.

Merchants and others advertising by the year will be charged extra for advertisements out of their regular line of business.

☞ THERE appears to be considerable excitement at Cumberland, Md., in consequence of the late incendiary fires in that city. Several parties who had been arrested charged with the offences having mysteriously escaped from jail has added to the excitement. The Cumberland Telegraph states that a "vigilance committee," composed of about one hundred of the best citizens has been formed to see that all outrages shall be promptly suppressed and the guilty parties punished.

FIRST SPEECH OF SENATOR REVLES.—On Wednesday of last week the bill for the admission of Georgia was taken up in the United States Senate, and the Colored Senator Revles made his first speech before that body. It is said by the newspaper correspondents that while arguing for the continuation of the present State authorities in Georgia, also made an earnest defence of his own race, and was listened to with deep interest and attention by the crowded floor and galleries.

LEGISLATIVE.—The interest bill; continuing the legal rate of interest at six per cent. but authorizing the payment of ten per cent. on contract was defeated by yeas 27, nays 38.

The present session will close on Monday night, the 4th of April, at 12 o'clock. The codification bill as well as the bill to pay $69,296, on account of the Governor's mansion, was lost.

☞ Thousands have been changed by the use of the Peruvian Syrup (a protoxide of Iron,) from weak, sickly, suffering creatures to strong, healthy, and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

☞ A letter from Michigan says the snow there is three feet deep, and that there has been sleighing in the pineries since the 15th of November.

☞ Rev. Bishop Edward Thompson, D. D., of the M. E. Church, died a few days ago, at Wheeling, Va., of typhoid pneumonia.

☞ On Monday last, the United States Senate passed a bill to erect a light-house on the Choptank River.

**THE Great Medical Discovery.**

DR. WALKER'S CALIFORNIA **VINEGAR BITTERS.**

MORE THAN 500,000 PERSONS bear testimony to their wonderful curative effects.

**WHAT ARE THEY?**

They are a gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Vitaal Organs.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters have no equal.

Send for a circular.

THEY ARE NOT A VILE **FANCY DRINK,**

Made of poor Rum, Whiskey, Proof Spirits & Rotuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers" &c., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and Life Giving Principal, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters are the most successful. Such Diseases are generally produced by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape and other worms lurking in the system for many years thoroughly destroyed and removed.

For Bilious, Remittent, and Intermittent Fevers, these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
