NEARLY A FATAL BLOW.—On Tuesday evening last a colored boy by the name of John Fletcher, about 18 years of age, employed at F. G. Wright's Livery Stable, and another about the same age, named Henry, in the employ of Mrs. Pere Groom, also colored, had some words about taking a horse, when licks passed—though neither appeared to be much angry. At last Fletcher picked up half a brick, threw it at Henry and struck him somewhere about the top of the forehead. Henry fell senseless to the ground. He was carried to his home and Drs. Anderson and Chamberlaine were called in. He remained in that condition until Friday, but just before going to press, we learned that he was gradually improving. Fletcher made his escape and is still at large.

TRAPPE ITEMS.

The Turtle trade has been very brisk with us the last few weeks. They sell readily at 7 cents per pound, gross. They are principally Snappers, and range in size from about 4 to 5 lbs., to 28 or 30.

All kinds of business appears to be at a stand still in Trappe at this time, except Croquet: Almost every fine afternoon you may see men from twenty-five to fifty years of age, engaged in the game.

Saturday and Sunday, June 4th and 5th, the Quarterly meeting of the M. E. Church, South, takes place: Rev. Mr. Canter, of Baltimore, is expected to officiate.

I. O. G. T.—The second meeting of the I. O. G. T., of Talbot county, will be held at Royal Oak, Wednesday, June 8th. Lodge will open at 10 o'clock, A. M., and 3 o'clock, P. M. All the representatives of the different Lodges are earnestly requested to be present, as the G. W. C. T., of the State is expected. A public meeting will be held at 8 o'clock in the evening, and several distinguished speakers are expected to address the meeting. All are invited.

MILLING.—See advertisement in another column, of the Oxford Steam Mills, they are in excellent order, and lumber and grist will receive prompt attention. Those composing the firm are persevering, practical men and the public may rest assured that entire satisfaction will be given.

PERUVIAN SYRUP.—This vlauable medicine has been silently making its way into public favor by the numerous remarkable cures it has performed. Its singular efficacy is owing to the *protoxide of iron*, which in this preparation remains unchanged, and is the only form in which this *vital element* of healthy blood can be supplied.
