LOCALS.

THE RAIL ROAD.—On Saturday last we laid before our readers the amounts said to be claimed by Messrs. Wm. T. Kemp, Jas. Dixon, J. B. Bennett and H. C. Morgan, as damages to their property on account of the rail road passing through their lands, as follows:

Wm. T. Kemp, for 6 acres of land,	$900.00
For new fencing,	900.00
" to keep up fencing,	450.00
" removal of property,	1000.00
Jas. Dixon, for 3 acre of land,	$225.00
For new fencing,	450.00
" to keep up fencing,	225.00
" moving farm fences,	100.00
J. B. Bennett, 4 acres of land,	$900.00
H. C. Morgan, 7 acres of land,	1600.00

The gentlemen above named, claim that in giving these items to the public, in the manner in which they were published, without any explanation, did them injustice and is calculated to forestall public opinion. They say that while these figures were charged as the extreme amounts of damages yet they were willing to compromise on smaller sums. The gentlemen referred to may be assured that we did not give publicity to these items with any intention of doing them injustice. They were furnished us by the President of the Company, and we did not know in publishing them it would prove detrimental to any one's interest. The President informed us that these chatters had been kept in confidence, until the day Mr. Outram's damages were assessed, but as they were made public on that occasion, he considered them no longer private matters. We have no desire to pry into the secrets of those who feel damaged by the road, and those of the company, and if any thing should appear in our columns calculated to injure either, it will be unintentional.

TRAPPE ITEMS.

The Water Committee of McNeal's Camp-meeting, have, in addition to the three old Springs, fitted up four others, which will give them the great abundance of pure water—enough for a National camp. Messrs. Jesse and R. C. Mullikin, will have a boarding house from Trappe.

Mr. Chas. E. Robinson, near Trappe, raised a sweet potato this year which measures about 7 inches in circumference. Who can beat it?

Mr. Saml. Connolly, met with a painful accident on Thursday evening of last week. He went out to his yard gate where he slipped and fell, hurting himself very badly—though no bones were broken. Friday morning he could not leave his bed. He is over 80 years of age.

REGISTRATION.—The Registration Books, for the purpose of registering voters, will be opened about the middle or the 20th of September next. Every one entitled to the right on election day, should not neglect to see their names registered. The colored people especially, should see to this matter. All who may be 21 years of age by election day, and all new comers, who may be here long enough to gain their residence, should be in time in securing proof of their age or citizenship. By doing this much time and trouble will be saved the Registrars and much dissatisfaction avoided. Due notice will be given when application should be made.

☞ A most horrible murder was committed in Baltimore, on Thursday, by a colored man named Charles Canon,—the victim of the brute, was his own wife, with whom it is said he had lived happily on the most amicable terms until the morning. He cut her throat from ear to ear with a razor. He is now in jail.

The Office of the Register for this District is properly filled by Dr. H. T. Goldsborough. The office vacant by the Doctor failing to qualify. We have heard of other districts being in a similar condition. If so, we presume all the vacancies will be filled in proper time.

LIFE HAS FEW CHARMS for the Dyspeptic, which is not to be wondered at when we take into the account the amount of bodily and mental suffering this distressing malady generates.—Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.

The freight and passenger train, which has been leaving Easton Depot heretofore, at 5 p. m. now leaves at 8:15 A. M. This change has been made in order to give sufficient time at the various depots to ship their peaches and other freight.

Messrs. Colton & Son, of the Annapolis Republican, paid a visit to Easton on Saturday last, and left on Monday morning. These two gentlemen are making a tour through the Eastern Shore counties, and we have no doubt by their genial disposition and affable manners they will make many new acquaintances. We hope they will have a pleasant trip and become favorably impressed with the Eastern Shore.

THE citizens of St Michaels are ever alive to education, and always have good schools, and to increase this disposition, the School Commissioners have taken measures to establish a High School in that town. When Easton was selected as the place to establish the High School for the county. St. Michaels made some very creditable bids. This speaks well for her citizens.

Messrs Hammond, Graham & Lamdin are about starting a canning establishment, on the farm of Wm. Goldsborough's near St. Michaels. We hope they will meet with abundant success. We cannot see any reason why Talbot county should not have several canning establishments.

TRUSTEES SALE.—Chas H Gibson, Esq., sold at trustees sale, on Tuesday last the farm of Mr. Jonathan Leonard, in Oxford Neck, 150 acres, for $7000. This farm is in a high state of cultivation, and is considered a bargain. W Tolliott Esq., purchaser.

☞ Our Baltimore letter of last week did not reach us until Friday afternoon, which was too late for last week's issue.

We hope our Trappe correspondent will send us his "items" by Thursday's mail—Let them come "thick and fast;"—any thing and everything you can pick up.

☞ THE dwelling on South street, late the property of L. A. Leonard, was resold under the lien law on Tuesday last, for $1,250. J. C. Ford, Esq., purchaser.

To all Whom it May Concern.

As we, the colored people of Talbot County, intend to celebrate the adoption of the 15th Amendment—it is to be hoped that every man, woman and child will act with perfect decorum and that no act will be done that would desecrate the Holy Sabbath Day. Let us act as Freedmen worthy of the position the adoption of the Amendment has given us,—not only on this occasion, but in all the various walks of life. It is true that we have not possessed the advantages of cultivation that our white friends have enjoyed, but let us be benefited by the decorum and good order which characterize their assemblages on all important occasions.

Therefore, let *peace* and *good behaviour* be our motto for the 10th of August.

SAML. WILLIAMS,
Chairman Com. of Arrangements.

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Bitters," "Appetizers," "Restorers," &c., that lead the drinker on to drunkenness and ruin, but are a true Medicine made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the great Blood Purifier, a gentle Purgative, a mild Diuretic, and a powerful Removter and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

$1000 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most powerful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unparalleled efficacy in purifying the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find it obstructed and sluggish, as it will make itself felt through the entire system. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, Spanish, and French.

DR. SIMMS'

White Pulmonic Balsam:

It cures with a rapidity unequalled by any other remedy offered for Throat and Lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore and other cities and communities throughout the country. Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity. It wherever is is known—and this popularity arises from the fact that it unive. sally cures all who use it. There is no case of COUGHS, COLDS, SORE THROAT, ASTHMA, BRONCHITIS, CROUP, BLOOD-SPITTING, HOARSENESS, and even PULMONARY CONSUMPTION, where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. Manhood: HOW LOST. HOW RESTORED.

CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.
