LOCALS.

THE CELEBRATION AT ST. MICHAELS. On Wednesday last the colored people of St. Michaels and Bay Hundred Districts celebrated the passage of the 15th Amendment, in the town of St. Michaels. The crowd was not near as large as the one that assembled in Easton some weeks ago for the same purpose, but the whole affair passed off quietly and pleasantly.

The assemblage, about one thousand in number, was addressed by Henry R. Torbert, the Republican candidate for Congress, James Valliant, formerly of St. Michaels, but now a resident of Baltimore, and a colored man by the name of Groome, from Baltimore. Mr. Torbert spoke for two hours to a mixed audience of white and black, Republican and Democrat, and his speech was admitted by all to be a fine piece of oratory and sound argument, and throughout he gave great satisfaction. It is said that Torbert will lose nothing in those Districts by that speech, but on the contrary that men who had kept silent as to how they intended to vote, freely expressed themselves as determined to support the Republican ticket most heartily. Keep the ball in motion, let the effort be made that our opponents are making and our candidate will be elected easily by two thousand majority.

A SMASH UP.—On Monday last a young man by the name of Newnam, from Queen Anne's county, arrived in town, with a very genteel looking horse and carriage, but in attempting to turn his carriage, which was of a very delicate kind, upset. This was as good for his horse as the word go, and off he started, very soon leaving the body of the carriage in one place and the wheels in another, and injuring himself somewhat by repeated raising up in the rear. This little commotion appeared to put rather bad notions in the head of Dr. Earl's horse and he started off just last enough to smash a wheel against a stone. The carriage of Dr. Bateman's was also run into and had one of its wheels cripled. Thus ended a morning more profitable to carriage makers than to the owners.

REGISTERED VOTERS.—The following are the number of colored voters registered in the District, with the exception of Wicomico, Somerset and Worcester—they are estimated at very low figures. We also give the Democratic majorities at the last election, which shows this year, a majority in favor of the Republicans in the District of nearly 2000. Let every Republican do his duty and this majority may be increased three fold:

	Col'd Voters.	Dem. Maj'y
Cecil,	922	825
Dorchester,	1493	910
Kent.	1551	1017
Queen Anne's,	1504	1525
Talbot county,	1386	878
Caroline,	788	477
Wicomico,	1000	819
Somerset,	1300	1234
Worcester,	1000	1323

FRUIT TREES.—Now is the time to secure your fruit trees for Fall or Spring planting. Mr. Randolph Peters, proprietor of the Great Northern and Southern Nursery, located at Wilmington, Del. will be at the Brick Hotel, Easton, Md., on Monday and Tuesday, Oct. 3d and 4th, 1870, and will be pleased to see all persons interested in the culture of fruit. Mr. Peters will be prepared to take orders for Peach, and all other kinds of fruit and ornamental trees, usually found in a first class establishment.

CAUTION! In our changeable climate coughs, colds, and disease of the throat lungs and cheast will always prevail.—Cruel consumption will claim its victims. These diseases, if attended to in time, can be arrested and cured. The remedy is *Dr. Wistar's Balsam of Wild Cherry.*

A SWEET POTATO CURIOSITY.—Wm. J. Fairbank, of this town, left at our office on Wednesday, a sweet potato, the exact shape of a goose, perfect in form and the eyes distinctly marked. It can be seen by calling at the Comet office, by all who desire. How are you on that curiosity, Brother C. of the Gazette?—St. Michaels Comet.

It will be seen that friend Killam has a goose sitting. Look out for the *goslings* about next *grass.*

☞ Andrew J. Hopkins, of Centreville on Wednesday, had a hearing before United States Commissioner Rogers on the charge of obstructing and interfering registration. Testimony was given that Hopkins had threatened to shoot a colored man if he attempted to register.—Hopkins was committed for a further hearing.

☞ M. M. HIGGINS, has just arrived with a large assortment of Hats, Caps, Boots and Shoes, which he is offering cheap.

☞ Covington & Mason have just returned from the city with a heavy stock: Pricos low, goods of fine quality.

Thompson & Kersey are opening their stock, which cannot be surpassed. They adhere to their old motto—"we cannot be undersold."

Jesse Hughes has received a supply of Boots, Shoes, Gaiters, &c. His stock is now complete.

If you want to buy good and cheap goods go to Jno. J. Jump & Co's., who have been spending the week in New York, Philadelphia and Baltimore—getting selections from each place.

Resolutions of Easton Lycoum.

SEPTEMBER, 23, 1870.

Whereas, It hath pleased Almighty God during our vacation, to remove by death from our midst, our beloved associates, Frederick Hambleton and Walter M. Thompson, who were highly esteemed by us for their worth of heart and mind, and whose conduct in life and hopes in death, have left us no uncertain intimation of their hereafter—therefore

Be it Resolved, That we sadly feel and deplore our loss, and are consoled by the belief that theirs is an infinite and eternal gain,

Resolved, That although cut down in their youth, yet they had gained the respect and esteem of the community, and their names will ever occupy a green spot in our memory.

Resolved, That these resolutions be spread upon the minutes of our society, and published in the papers of the town, and a copy be transmitted to their respective families, with assurances of our sincere and heartfelt sympathies.

J. G. MILLER,
A. A. TOWNSEND,
J. FRANK TURNER,
Committee.

RESOLUTIONS ON THE DEATH OF P. T. KENNARD.

Whereas, It has pleased Almighty God in his wise providence to remove from our midst our valued and esteemed fellow-member, Philemon T. Kennard, therefore

Be it Resolved by the members of the Easton Lyceum, That while we accept with humble submission this visitation of Divine Providence, we are deeply sensible of our irreparable loss, and bewail the early death of so useful, talented and energetic a member.

Resolved, That as one of the founders of this society, Mr. Kennard had always applied himself assiduously to the advancement of its interests, while his burning talents and genial disposition, have added life and interest to our meetings, and gained for him our highest esteem.

Resolved, That as a man his character was above reproach, as a companion he was ever kind and honorable, and as a member of society and a citizen, his many virtues and unspotted life presents an example that we are admonished to cultivate.

Resolved, That although taken in the vigor of early manhood, and at the noontide of his usefulness, he has left a name that will ever be held in the kindest remembrance by every member of this society.

Resolved, That these resolutions be spread upon the minutes of this society and published in the papers of the county, and a copy be transmitted to his distressed family with the assurance of our heartfelt sympathies.

J. G. MILLER,
A. A. TOWNSEND,
J. FRANK TURNER,
Committee.

Manhood: HOW LOST, HOW RESTORED.

Just published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cent

The celebrated author in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of 6 cents, or two post stamps.

THE GREATEST WORK OF THE AGE!
A Book Invaluable
TO
EVERY GROCER, Every Produce Dealer, Every Druggist, Every Farmer, Every Manufacturer, Everybody. You cannot afford to be without it.

IT CONTAINS. The most and only certain method to keep eggs fresh and sweet for at least one year. The cost is less than a cent per dozen, and by this method eggs bought at eight cents a dozen are worth as much as fresh eggs at twenty-five cents during the winter for from thirty to forty cents.—When once known this method will take the place of all others. It costs no trouble, the egg or give it the slightest flavor.

Which offered for sale it cannot be told either by appearance or quality from a fresh laid egg.

IT CONTAINS. The best receipt ever published of rendering pure and sweet butter perfectly sweet, and also how to give it uniform and natural color to white and Strawberry Butter, and the best manner of mixing and repacking butter for market.

These Two Receipts Alone are Worth Hundreds of Dollars!

IT TELLS, The cheapest and best mode of manufacturing Washing Compounds. How to make Hard and Soft Soap, Inks, Candies, Paints, Varnishes, Cements and Baking Powders.

It tells how to Clarify Honey so as to sell for nearly twice the common sort.

It tells the latest and best mode of salting and curing Hams and all kinds of meat.

It tells how to Dye Clothes of all shades and in fast colors.

It gives valuable Receipts for curing Burns Sores, Cuts, Felons, Frost Bites, Corns, Ear Ache, Tooth Ache, Ring Worm, with hundreds of other new and valuable methods with full directions, so that any one can use them.

It tells how to take out Fruit Stains, Ink Stains, Iron Rust Stains, and Paint Stains from Cloth and Silk Dresses.

It tells how to counteract frost upon trees, a valuable receipt.

It tells how to Tan Furs, either with or without the hair or wool on, and how to imitate those of superior grades.

It tells how to make the best Curling Fluid for making the hair grow in beautiful flowing ringlets.

It tells how to Feed flies so as to make them lay all the year round.

It gives over five hundred rare and valuable Receipts, and a complete guide to the manufacture of hundreds of useful and salable articles, including Patent Medicines, Perfumery, Toilet and Dental Articles, and many others easily made, at trifling cost, and selling readily at large profits, with many manufacturers' secrets, &c.

It is valuable to every one—be sure to get it.
