LOCALS.

☞ In another column will be seen a card over the signature of Col. Jno Cowgill, in reference to holding the polls or the manner of voting on election day.—The manner of voting as suggested by the Judges, we have every reason to believe was done purely to expidite matters and for peace and quietness. Supposing that every one that is registered was to vote, the Judges would have to take nearly two to the minute, consequently if there should be much interruption, there would not be sufficient time to take all the votes. We believe all desire a peaceable election and every one should do all in his power to accomplish it. What Col. Cowgill says in his card, are his views, but we have every assurance that anything the party in power may do that will give a fair vote, will not be interfered with.

REPUBLICAN MEETING.—The Republicans of Talbot county, will hold a meeting in Easton, on Wednesday next, the 26th inst. Tuesday next was the day first appointed for this meeting, but as the opposite party had advertised their meeting on that day, we are willing to waive the appointment and hold it on Wednesday. Let there be an outpouring of the people to hear the able speakers that will be present on that occasion. Hon. J. A. J. Creswell, Jno. L. Thomas Gen. A. E. King, Wm. Perkins and J. Sterling, Jr., will address the meeting.

MILL BURNED.—On Wednesday morning last, the Steam Saw Mill, near the Chapel, belonging to Dr. Chas. Rose, was entirely destroyed by fire. On the evening previous, the saw-dust about the Mill took fire and those employed at the Mill supposed that they had entirely extinguished it, but it is supposed that it rekindled through the night and ignited in the building. It was discovered at 4 o'clock in the morning, but not in time to subdue it. A lot of sawed lumber was also consumed. There was no insurance and the Doctor's loss is about $3,000.

REV. DR. QUIGLEY, who was stationed at Laurel, Del., died in great peace and holy triumph, on Wednesday morning, the 19th inst., at 5 o'clock.

He entered the Itinerant ministry of the M. E. Church in 1836. He was an earnest minister, a faithful pastor, and a close student. He is well known in Easton, having served the Church here in the relation both of Pastor and Presiding Elder. May God bless his surviving companion.

REGISTER! REGISTER!!—Those who have not yet registered, will bear in mind that Monday and Tuesday next, are the last days the Registors will sit before the election and all who are not registered will fail to get their votes. Let none who are of age and hold this as their residence, fail on the above days, to secure this privilege.

DROWNED.—On Monday night last, Mr. Wm. Howeth was drowned off the Seven foot Nole, from a boat belonging to Mr. Joseph Forney, by walking over board. He had been asleep in the cabin just previous to the time of drowning, and it is supposed that he was not fully awake at the time he walked over. Mr. Horney was on board and did everything in his power to rescue him and came very near being drowned himself in the effort.

☞ MR. J. B. THOMPSON, the "egg burster," as he terms himself in the last journal, is very much mistaken if he thinks we object to his riding with his Democratic colored friends. We know of no one that has a right to object except the colored men themselves: If he is not objectionable to them we can stand it.

The Blood owes its red color to minute globules which float in that fluid and contain, in a healthy person a large amount of Iron, which gives vitality to the blood. The Peruvian Syrup supplies the blood with this vital element, and strength and vigor to the whole system.

ANOTHER ARRIVAL.—M. M. Higgins has just returned from the city with another supply of hats and caps, suitable to the present and approaching seasons. He asks an inspection of his styles.

FIRE.—The store of Mr. Jno. Willkinson, at Centreville, with his entire stock of goods, were destroyed by fire on Thursday night last. There was no insurance.

☞ Sickness in our office this week and being unwell ourself, will be sufficient excuse for many short-comings of the Gazette this morning.

LOMBARDY, Oct. 19, 1870.

Editor Gazette, Easton, Md.

MR. EDITOR:—I was waited upon this morning by a member of the Republican party with a proposition to facilitate the operations of voting at the ensueing election to be held at Easton for Representative to Congress by causing to be erected at the polls a high fence to separate the white from the colored voters and that on each side individuals should present their votes alternately and that it would prevent altercations and confusion. I did not at the time of the interview see much objection to it but, upon reflection I think it best not to deviate from the usual practice. All legal voters in our Republic stand on equal ground at the polls and I know of no legal power to make invidious distinction between them.

A peaceable and orderly election is desirable. Should it prove otherwise the Republicans will act on the defensive.

Very respectfully;
JNO. COWGILL,
Col. Com'd. 1st E. S. C. M.

THOS. K. ROBSON, Clerk.

CHAPTER 325.

AN Act to amend Article eighty one of the Code of Public General Laws, entitled "Revenue and Taxes," by adding sub-sections five, six, seven and eight to section thirty-four of Article eighty one, and relating to the appointment of Collectors and Collection of Taxes:
