The M. P. Conference.—The Maryland Annual Conference of the Methodist Protestant Church, closed its session in Chestertown on Tuesday last. On Monday night the annual meeting for the benefit of superanuated ministers of the Conference and the widows and orphans of deceased ministers, was held, and notwithstanding the very disagreeable state of the weather a large congregation was present. Very interesting and impressive addresses were delivered by Revs. D. L. Greenfield and T. D. Valliant, and subsequently donations amounting to over $400 were received.

On motion of Rev. Dr. Murray, the Conference, by a rising vote, returned thanks to the various families of Chestertown for the hearty welcome its members had received and for the hospitable manner in which they had been entertained. Thanks were also voted the various steamboat and railroad companies which had so kindly conceded to take the ministers and delegates to and from Conference at reduced rates.

Rev. J. L Mills, committee on statistics, submitted a report showing, in the aggregate, that there are 11,435 members; 1,156 probationers; 34 parsonages, 188 churches; 177 Sabbath schools; 1,844 teachers; 10,772 scholars; 35,926 volumes in the Library, and $677,400 worth of church property.

The Conference having been informed of the death of Rev. D. Bowers, the intelligence was like an electric flash throughout the room and appropriate resolutions were passed expressive of the high esteem and love in which he was held. On the arrival of the remains of this much beloved minister at the Chestertown wharf, the Conference, in a body, were awaiting to escort the corpse to the residence of Mr. Dodd, his wife's father. The body was removed to the Methodist Protestant Church in the afternoon, when touching eulogies were delivered to his memory by Revs. Drs. Southerland and Murray. The interment took place on Wednesday in the Chestertown Cemetery.

The following fraternal messengers were appointed:

Pittsburg Conference of the Methodist Church, J. T. Murray, D. W. Bates and James Frames; Ohio Conference, R. S. Norris, D. A. Shermer and E. C. Thomas; North Carolina Conference M. P. Church, Dr. D. Southerland, J. P. Wilson, Hon. George Vickers and Dr J W Herring; Pennsylvania Conference, Dr D Wilson, R S Rowe and Henry Becker; Holston Conference, Dr E J Drinkhouse, J E Read and Geo Frame.

A NEW HEALTH JOURNAL.—*Health and Home* is the title of of a new Health Magazine, of 44 pages royal octavo, just issued in very neat form by W. R. DE PUY & BROTHER, 395 Broadway, New York. In their prospectus the publishers promise a high toned, practical health journal, edited not in the interest of any medical party or clique, but one which shall "glean from all the fields, hold under contribution *all schools of medicine*, and seek aid from all intelligent accessible teachers." The first number now before us has a varied and inviting table of contents, which needs only to be seen in order to awaken attention. It furnishes not only a number of elaborately prepared papers, but also a great variety of miscellaneous "facts, hints, remedies, etc.," for the family circle. The publishers offer it to subscribers at $1.50 a year, and call for canvassers in all parts of the country, to whom they will pay large cash commissions.

MICROSCOPIC PHOTOGRAPHY:—We have received a photograph copy of the London Times, which is a real curiosity.—Notwithstanding the large size of that paper it is brought down to a space very little larger than the hand—while it contains over fifty thousand words. This means was used during the late French and Prussian war, and every body has read with wonder of the London *Times* having been sent into Paris reduced to the size of the palm of the hand. Harper's Weekly has also been reduced to one half the size of the former. Any one desiring these curiosities can be supplied by sending 25 cents to L. H. Rogers & Co., 61 William St., New York.

FINE POTATOES.—We have received from the Messrs. Duncans, near Easton, a lot of the finest sweet potatoes we have seen this season. Eight weighed 15 pounds and were of most excellent flavor. The Messrs. Duncans are live, hard-working men, and among the largest contributors to our market in the way of produce. On market days they can always be found at their stall and their marketing in excellent order.

NEW GOODS.—Many of our merchants are opening their new stocks of spring goods, while others are making preparations for new supplies. Among those who have returned we notice Messrs. Thompson & Kersey, Covington & Mason, Joseph Rasin, H. A. Bateman, J. J. Jump & Co., and Jesse Hughes. In a few days our streets will present the life and beauty that bright, cheerful colors can make it.

SPRING STYLES.—Mrs. Georgeanna Hughes desires us to inform the ladies of Easton and the county, that she has just returned from the city with the very latest Spring styles for dresses, wrappings, &c., and invites an inspection of the same

☞ THE Post Office at New Hope, Caroline county, has been discontinued. Mail matter goes to Preston.

ACCIDENT.—On Wednesday morning last Messrs. E. H. Furniss and Thos. H. Golt, were engaged in painting the front of Mr. J. W. Cheezum's store building, when the scaffold gave way, and they fell from the second story window. Mr. Furniss injured his hand considerably.—Mr. Golt fell across one of the awning pieces and injured his side. We believe there were no bones broken, however, and we presume both of them will soon be enabled to resume business.

MORE FINE BEEF.—Wm. B. Town send requests us to say that he has in market this morning, beef, which he thinks is superior to any that has been offered this season. It can be had at his stall.

Clear & Harmlessas Water
Nattans' Crystal Discovery for the Hair.
A perfectly clear preparation, in one bottle, easily applied as water for restoring to gray Hair its natural color and youthful appearance; to eradicate and prevent dandruff, to promote the growth of the hair and to stop its falling.
It is entirely harmless and perfectly free from any poisonous substenance, and will therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, *Crystal Discovery* is perfect; it is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the close or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use, it restores the color of the hair *more perfectly and uniformly* than any other preparation, and always does so, in from three to ten days Virtually feeding the roots of the hair with all the refreshing qualities, necessary to its growth and healthy condition, it restores the decay, and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.
WASHINGTON, D.C., July 25th, 1870
MR. ARTHUR NATTANS—*Dear Sir:*—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its original color. It is perfectly clean and free from any objectionable matter.
Very respectfully, yours,
R. W. SILVOY,
K street, between 4th and 5th, N. W.
☞ We call especial attention to the fact that a limited number of trial bottles will be given away gratuitously to those wishing to try. You will notice that in pursuing this course, our aim is to convince by the actually merits of the article,

EXTRACT CATAWBA
GRAPE PILLS.
Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.
For Liver Complaints, Jaundice, Bilious Affections, Sick or Nervous Headache Costiveness, &c. Purely Vegetable, Containing no Mercury, Minerals or Deleterious Drugs.
These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the *finest* ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. Price FIFTY CENTS per box.

H. T. HELMBOLD'S EXTRACT BUCHU
Cures Diseases Arising from Imprudences, Habits or Dissipation, &c.,
in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflamation, so frequent in this class of diseases, and expelling all poisonous matter.
Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.
Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Price $1.50 per Bottle.
H. T. Helmbold's Improved Rose Wash cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of Cutaneous Affection. It speedily eradicates Pimples, Spots, Scorbutic Dryness Indurations of the Cutaneous Membrane, &c., dispels Redness and Incipient Inflamation, Rash, Moth Patches, Dryness of Scalp or Skin, Frost Bites, and all purposes for which Salves or Ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels, on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But how ever valuable as a remedy for existing defects of the skin, H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage, by possessing qualities which render it a Toilet Appendage of the most Superlative and Congenial character, combining in an elegant formula the prominent requisite, Safety and Efficacy, the invariable accompaniments of its use—as a Preservative and Refresher of the Complexion. It is an excellent Lotion for diseases of a Syphilitic Nature, and as an injection for diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu, Sarsaparilla, and Catawba Grape Pills, in such diseases as recommended, cannot be surpassed. Price one dollar per Bottle.
