MUCH IMPROVED.—Last week the *American Union*, published at Denton, by J. Marrion Emerson, came to us in an enlarged form. As to the typographical appearance of the paper, we cannot say it is looking any better, for since it has been under the control of its proprietor, there has been no paper in the State more neatly and ably published than the Union. It advocates the principles of the Republican party and has never failed to deal heavy blows to the enemy's ranks. We congratulate friend Emerson upon the success with which he is meeting.

The *Kent News*, at Chestertown, has purchased a power press and also appears in a much enlarged form, and looks very neat. The News is of the Democratic pursuasion. At the first of the late rebellion it was the organ of the Union party of Kent, but afterwards went, on the sliding scale and slid over to the Democracy. However men will differ on great questions, and Messrs. Plummer & Usilton are fine, industrious fellows and it gives us pleasure to see their paper so liberally patronized. We doubt whether there is a paper on the Shore that has a larger circulation than the *News*, or one that is making more clear money.

CHANGED HANDS.—J. C. Norris, Esq. has disposed of his interest in the "Talbot House," in Easton, to Wm. F. Reed, Esq., who has been conducting that establishment since the first of the year.—Mr. Reed is an accommodating, clever young man. Previous to his going into the "Talbot House," he was in the employ of J. C. Norris, Esq., at the Brick Hotel, for a number of years, a more popular and efficient hotel keeper Easton never possessed, and we have no doubt Mr. R., will be liberally patronized. It will be seen by notice in another column that Mr. Norris calls upon all delinquents to settle up on or before the 15th of June next.

THE TIME CHANGED.—We have been requested to state that the day the ladies of the M. P. Church of Oxford had in contemplation to give a dinner for the benefit of their Church, has been changed. Instead of the 4th of July, it will be given on the 8th of June next—when all the good things of the season will be served up.

EXCURSION.—The Sabbath School of the Methodist Protestant Church have made arrangements with J. L. Caldwell, Esq., and anticipate giving an excursion over the Md. & Del. Railroad, to Oxford, on Thursday, the 8th of June.

LARGE STRAWBERRIES.—On Saturday last we received a lot of very fine Strawberries from Mr. Saml. S. Yeo. They were of the "Agricultural" variety and weighed over half an ounce a piece and of delicious flavor.

☞ We are now having delightful weather on the wheat. Some fields have been very much injured by the fly, but the crop is now beyond its reach and a great deal is beginning to present a golden hue.

A ROW WITH CHICKEN MEN.—A t Frankford, Del., one night last week, some of Handsberry's Circus and a number of roughs in Sussex county, had a row. The Delawareans got pretty well pummelled.

SALE OF REAL ESTATE.—We invite the attention of our readers to advertisement in another column of A. A. Townsend Esq., as Trustee. He offers for sale a valuable farm.

☞ There was an exhibition of strawberries, and vegetables in Denton, Caroline county on Saturday last, under the auspices of the Farmers' Club.

PEACH BUDS.—There is a vast of peach buds to procure 3000, by calling on Mr. J. H. Warner, at Easton Point. See notice in another column.

☞ Vice President Colfax has been quite ill, but is much better.
