THE EXCURSION ON THURSDAY.—The excursion, given by the Methodist Protestant Sabbath School of Easton, over the Md. & Del. Railroad, to Oxford, on Thursday last, was a grand success. Oxford was filled to such an overflowing as was never before witnessed. A large number came from Delaware and along the road making in all—including those from Easton, some twelve hundred persons. Oxford was one complete jam of human beings. They enjoyed themselves in various ways and all appeared to be delighted with the trip. There was no disturbance, no accident to mar the happiness of the occasion—a thing so unusual, where large crowds of persons assemble.—Such a crowd speaks well for those having the excursion in charge and the facilities and safety of our road. On the return of the cars to Slaughter's Station, from Oxford, a couple, who lacked but one step to complete their happiness on earth, were married on the cars, by Rev. Dr. Ewell, of the Methodist Protestant Church, of Easton.

The ladies of Oxford acquitted themselves handsomely. Their dinner was gotten up in splendid style and everything that the apetite could desire, was spread in abundance.

☞ THE case of Amos Ridge, the young man who a short time ago, carried the mail from Denton to Ridgly, in Caroline county, and charged with stealing $130 from a letter given him to mail by R. C. Carter, Esq., of that county, on the 3 of May, came up for examination, before U. S. Commissioner Johnson, of Washington, on Thursday afternoon last. The case was prosecuted by Judge Fisher on the part of the Government, and the young man was defended by Thomas Wilson, Esq. After all the witnesses present were examined, it was determined to summon the mail contractor of the Denton and Ridgly mail route and the Cashier of the Easton National Bank of Maryland, consequently the case was posiponed until Tuesday afternoon next.

MORE THIEVING.—On Saturday night, the Express office at Easton, Md., was broken open, but fortunately there was but little valuable freight stored at the time. A lot of candy was opened and the candy taken off. There was also a box containing some ladies' clothing which was taken off. This makes the third station that has been robbed on the line, within about a month. The same party must certainly be doing the whole work. It is to be hoped that the rascal will yet be caught napping.

NEW PAPER.—We have received the first copy of a weekly paper called "*The English American*," to be published simultaneously in Manchester and Liverpool, England, which contains lists of American visitors to those cities. It will contain a general resume of Transatlantic commercial intelligence, which shall tend to make the two great nations understand and appreciate each other.

No distinctively American paper exists in Manchester or Liverpool, and "*The English American*" well developed can supply a great want.

BOAT EXCURSION.—The Sabbath School of the M. E. Church of Easton, have chartered the splendid steamer Highland Light and will make an excursion from Easton Point, Oxford and Cambridge, on the 16th inst., to the city of Annapolis. It has always been a very popular route for an excursion and we have no doubt it will be liberally patronized.

HARVEST GOODS.—Messrs. Powell & Wright offers for sale harvest goods of all kinds. Also liquors, &c.

Mr. Joseph Rasin has also on hand, and is selling harvest goods at moderate prices.

Mr. H. A. Bateman has just received a large supply of the same goods, which he will dispose of satisfactory.

CAPTURED.—The youth Amos Ridge, who is charged with stealing the letter belonging to R. C. Carter, Esq., several weeks ago, has been captured.

BREVITIES.

Col. John Cowgill has removed his steam saw mill to the State of Virginia, where he has a lumber contract to fill.

Butter is so scarce in this section that it is almost impossible to obtain enough to ornament a table with, much less getting any to eat.

There will be a boat race and a lively time generally at Oxford, on the 4th of July.

The *Star* advises the town authorities to take down the Court House fence.—What's the use of that trouble, when it is falling down without help.

This is an excellent time for persons to white-wash and scrape up the refuse matter about their premises, to keep their gardens and surroundings clear of weeds and to put all in a healthy condition. Procrastinate in the matter and pools of stagnant water and filthy substances will be seen on all sides and the 'shakes' will be the consequence.

There have been some twelve new houses built and two or three others put under roof, in Easton, the last six months.

The pulpit of the Methodist Protestant Church, will be filled, to morrow (Sunday,) by Rev. Mr. Poisal, of St. Michaels.

A new assessment of the dogs of Easton has just been made. How many there are, we have not learned, but there are certainly more than are of use.

☞ On Monday morning last, Capt. Saml. Thomas, of Caroline county, who had carried his vessel to Cambridge for repairs, was drowned in the hole of his vessel. The vessel (a small sloop) sunk at her moorings and it is supposed the Captain rolled off a small pad, upon which he was sleeping.

WHEAT CUTTING.—Mr. John Chilcutt, residing near Easton, anticipates commencing his wheat harvest to-day, the 10th of June. His wheat is of an early variety and very fine.

☞ AN excursion was given over the Md. & Del. Railroad, on Thursday last by the Orphan's Home, near Easton, to Elkton. We have no doubt the little ones were highly delighted at the trip.

☞ W. H. Lambert, Esq., has received the appointment of route agent from Philadelphia to Cambridge, at a salary of $1,080 per annum, vice F. Aldridge, declined.

Manhood: HOW LOST, HOW RESTORED.

☞ Just published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cent

The celebrated author in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, private ely and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of 6 cents, or two post stamps.

Ayer's Cathartic Pills.

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but effectual purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does it never does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserve them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

Minute directions are given in the wrapper on the box, for the following complaints which these PILLS rapidly cure:—

For Dyspepsia or indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the heart, Pain in the Side, Back and Loins, they should be continuously taken as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the apetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists.—One who feels tolerably well often finds that a dose of these pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
