LOCALS.

NEW STOCK.—Messrs. Elliott & Rathell have received another supply of boots and shoes, of the latest styles and of various prices: They also manufacture to order

P. O. NOTICE.—On and after Monday next, the Easton Post Office will be closed in the evening at 6½ o'clock, during the winter. The mail arrangements will be continued as through the summer.

☞ On Saturday last, a colored man by the name of Cyrus Cooper cut off his great toe with an axe. Dr. Johnson was called in and assisted by Dr. J. H. Anderson stopped the flow of blood and the proper appliances. Cooper is now doing well.

☞ We notice the *Journal* acknowledges that several colored men voted the Democratic ticket on Tuesday. What has become of the *White Man's Party!* There are two *mulatto* parties now in the county. The white man now may repeat Daniel Websters battle cry—Where and to go!

☞ We hear some weak kneed Republicans voted with the *White Man's* party. I guess they feel now like a man who, kissing in the dark—finds when the light comes, that he has been kissing his lady's colored maid, instead of the lady herself. Before you vote or before you kiss know your party.

☞ The *Journal* says that attempts have been made to Ku Klux the colored men who voted with its party. Well! we don't believe one word of that story. That is not the way Republicans do.—But if the colored man should give such pets a bloody nose, they would be only following out Democratic practices.—The colored man is very imitative.

CONVENTION.—The next convention of the I. O. G. T., of Talbot county, will be held at Royal Oak, November 14th, 1871. The meetings to commence at 10 o'clock A. M. and 2 o'clock P. M. All Good Templars are invited. The public meeting at 7 o'clock in the evening will be addressed by Rev. Peruel Coombe, of Philadelphia and other distinguished speakers. All are cordially invited.

☞ The Democrats held a torch light procession last night. We are glad of this, for it is a hopeful sign when they can rejoice over the progress of liberal Republican principles in the country and in the State. What are they going to celebrate? Why, the great state of New York rescued from a pack of thieves—the election of several senators and delegates to the general assembly of Maryland, which heretofore was wholy given over to Democratic rule—the diminution of majorities in almost every county in the State for the Democratic party, and the reduction of their majority in this county to about one hundred and twelve. This is something to rejoice over. Let every Republican unite with the Democrats in the actual and prospective triumph of right principles. Rejoice gentlemen! When the sinner kisses the chastening rod, there is hope of amendment in his wicked ways.

JEWELRY STORE BROKE AND ACCIDENT.—On Wednesday night last the jewelry store of Mr. Chas. Harmon at Centreville, was broken open and a considerable amount of jewelry, &c., taken therefrom. No clue was had to the thief until Thursday night, when the down [illegible] the Queen Anne's rail road, [illegible] something on the track, near [illegible] and almost nine miles [illegible]ville. The Train was stopped [illegible] as possible, when a colored [illegible] found lying on the track, with [illegible] cut off and his skull broken in such a manner that the brain was oozing out. He appeared to have been intoxicated and an empty bottle and valise was found with him. He was taken to Centreville before he became exhausted, and though his head was broken and both legs merely hanging by the skin, he still talked and informed his interrogators where he hailed from. He said he was from Baltimore. He was observed to have on two or three watches, which somewhat aroused the suspicion of those having him in charge, when a search was made of his person and valise. Several watches, a quantity of jewelry, and a number of watches, were found. Mr. Harmon was sent for and recognized the articles as being his own, which led to the conclusion that he was the thief, and after drinking too much whiskey, he went to sleep upon the track. He died in a short time after reaching Centreville.
