BOARD OF TRADE.

FRANCIS CAPRON, | S. P. THOMPSON,

Monetary and Commercial Review.

BALTIMORE, October 5, 1861.

There was comparatively little business done at the Stock Board to-day, but the feeling in the market was quite firm, and for almost all the leading securities prices were better than on yesterday. Maryland 6's were ⅜ to 1 per cent. better, 1870's closing at 82¼ bid, 85 asked, and 1890's at 82¾ bid. Baltimore 6's were inquired for, and the market for them was very firm. Sales were made of $1,600 1890's at 80¾, an advance of ¾, and $1,750 1875's at 82; 1875's closed at 81¾ bid, 82¾ asked, and 1890's at 80¾ bid, 80¾ asked. There was nothing done in Railroad Shares, but Baltimore and Ohio closed at $45 bid, $41 asked, and Northern Central at $13 bid, $13¾ asked regular way. For Northern Central bonds there was some inquiry, and sales were made of $6,000 1885's at 56, this figure being an advance of 1 per cent. on the price bid for them yesterday. They closed firm at 56 bid, 56¾ asked. Baltimore and Ohio bonds closed at 41 bid for 1862's; 70¾ bid for 1875's; 67¾ bid, 68 asked for 1880's, 61¾ bid, 65¾ asked for 1885's, and Northwestern Virginia first mortgage bonds at 69¾ bid, 70 asked. There was nothing done in Bank Stocks, but a sale was made of 10 shares Fireman's Insurance Company at $36¾. The Mining Stocks continue to be neglected, although 55 cts. was bid, and 60 cts. asked today for Gardner Hill.

The Marine Bank of Baltimore has declared a dividend of three per cent. for the past six months, payable on and after the 9th inst.

The value of the Exports from Baltimore last week were incorrectly stated in our issue of Saturday, the correct value of the Exports being $210,474, against $119,610 for the previous week.

The New York *Post* of Saturday evening says:

The stock market is very active to day at generally better prices. There is a reaction in some descriptions which have advanced rapidly during the week. There was great activity in Cleveland and Toledo, which rose to 32¾, against 29¾ on Thursday. New York Central sold largely at 75¾, which is about the price of last evening. The sales to realize profits have been very heavy to day. Michigan Southern rose to 15; the guaranteed to 33. The sales of Missouris reached $75,000 at a decline of ⅜ per cent. from the highest price of last evening.—Tennessees are steady at 41¾@42. Virginias have recovered to 45¾, with sales, and that bid for more. In United States stocks there were no important alterations. The 5's of 1874 rose to 82. Compared with the prices of last Saturday there is a rise of ⅜ per cent. in New York Central; 3 per cent. in Erie; 1¼ per cent. in Hudson River; 1 per cent. in Harlem preferred; 2¾ per cent. in Michigan Central; 1¾ per cent. in Michigan Southern; 1¾ per cent. in Michigan Southern guaranteed; 7 per cent. in Panama; 3 per cent. in Pacific Mail; 1¼ per cent. in Illinois Central; 2 per cent. in Cleveland and Pittsburg; 1 per cent. in Galena and Chicago; 8 per cent. in Cleveland and Toledo; 2¾ per cent. in Chicago and Rock Island; 1 per cent. in United States 6's; 1¼ per cent. in United States 5's; ⅜ per cent. in United States 6 per cent. notes.

The subscriptions to the national loan in Rhode Island already amount to one million of dollars, and the receipts show no falling off.

There is a good healthy demand for money to-day at 6 per cent. on call. A large amount of loans at 5 per cent. remain undistributed. Exchange on London closed at 108⅜@109.

The weekly bank statement of Monday next will show a much higher average of specie, the calls of the Treasury Department having been trivial during the week. The operations in the national loan will again make heavy alterations in the loan and deposit column. The Boston banks gained in specie yesterday $822,000. The total holdings is now $6,893,000.

Yesterday the three Trunk lines restored the schedule of May 6th, both on passengers and freight. The rates for westward freight are as follows:

From New York.	First Class.	Second Class.	Third Class.	Fourth Class.
Cincinnati	1.35	1.05	65	46
Columbus	1.10	92	55	40
St. Louis	1.84	1.43	87	63
Chicago	1.45	1.15	68	50

At one time of the fight first-class goods were taken to Cincinnati as low as 40 cents; to Columbus 25; to St. Louis 75; to Chicago 50.

The earnings of the Hudson River Railroad for September were as follows:

September, 1860	$180,000.14
September, 1861	140,421.20
Decrease	$33,575.75

This decline was partly owing to the competition between the New York Central and Erie lines, now removed by an amicable adjustment.

The Amoskeag Manufacturing Company, after paying their second dividend this year, have a quick capital left of $1,259,000; but will appropriate to the No. 6 Mill and a new dye house to be built the next year about $150,000, and thus leaving over $1,107,000. The profits for the last year of this company was $418,000 on their whole capital of $3,000,000.

We learn from the Lowell papers of Thursday that work upon the Boot corporation will be resumed on the 20th inst.

We annex a comparative statement of the imports of foreign dry goods at New York for the week and since January 1:

BALTIMORE MARKETS.

SATURDAY, October 5.

For Corn there was a fair inquiry, and sales were reported of 1 000 some 1,500 bushels white at 60@62 cts. per bushel. There were some 600 bushels Rye offered but no sales were made. We quote it however at 58@60 cts. for Maryland, and 65 cts. per bushel for Pennsylvania. Oats continue offered to-day. Mess.

RICE.—Rice is firm at 7¼@7¾ cts. for good to prime. There is however very little here, and it is only selling in retail lots.

SUGARS.—We hear of no transactions worth noting to-day in Sugars. There are however but few lots offering, and the market although quiet is very firm indeed. We quote as follows, viz: Cuba at $8@8.25 for refining, and $8.50@9 for grocery grades; Porto Rico and New Orleans at $8.50@9.50; and current qualities of Manilla and Pernambuco at $8@8.25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf; 10½@11¼ cts. for crushed, powdered and granulated; 10¼@10¾ cts. for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

SALT.—Salt continues very firm with an upward tendency, but there has been no change for several days past in the rates, and we still quote Liverpool at 120@125 cts. for Ground Alum, and 170@175 cts. per sack for Marshall's, Jeffrey & Darcy's and Worthington's fine, and Turks Island at 25@30 cts. per bushel.
