BOARD OF TRADE.
Committee of Arbitration for month of September.
FRANCIS CAPRON, | S. P. THOMPSON,
C. D. HINKS, | EDWARD SLADE.

Monetary and Commercial Review.

BALTIMORE, October 8, 1861.

Stocks to-day were rather more active, and there was evidently more disposition evinced to operate in the leading securities than has been the case for some days past. For Maryland 6's the market was decidedly stronger, and we note sales of $5,000 of the Coupons of 1870 at 83, closing at 83 bid, but none offered, an advance of ¼ per cent. For Inscribed 1870's and 1890's 83 was also bid, an advance of ¼ per cent. on yesterday's closing rates. Baltimore 6's of 1890 sold to the extent of $1,300 at 80, closing at 79¾ bid, 80 asked, and $1,000 of the loan of 1875 sold at 82, closing at 81¾ bid, 83 asked, an advance of ¼ per cent. For Railroad bonds there was a moderate inquiry, and $5,000 Northern Central 1855's sold at 57, down to 56¾, and closed at 56¾ bid, 57 asked. For Baltimore and Ohio 1862's 41¾ was bid, none offered; for do. 1885's 65 was bid, 65¾ asked; for Northwestern Virginia first mortgage 1873's 69 was bid, 70 asked; for Central Ohio first mortgage 1864 50 was bid, 60 asked; and for do. second mortgage 33 was bid, 50 asked. Railroad shares were also a shade firmer, some 40 shares Baltimore and Ohio having sold at 41¼, closing at 41¼ bid, 43 asked, an advance of $1 50 per share, and Northern Central left off at $13 bid, $14 asked. For Canton Company $9¾ was bid, none offered; for Baltimore Gas $99 was bid, $101 asked, and for Consolidated Mining Company $10 was bid, $15 asked. Bank stocks continue very heavy, and the only sale at the Board to-day was 12 shares Farmers and Planters' at $21¾. For Merchants' $56 was asked; for Farmers and Merchants' $26 was bid, $28 asked, and for Mechanics' $12 was bid, $13¾ asked.

In New York to-day Virginia 6's advanced 1 per cent; Missouri 6's ¾; Tennessee bonds ¾; North Carolina do. ¾; Erie Railroad ¾; but Treasury 6 per cents. declined ¾; New York Central ¼, and Reading was without change.

SALES AT THE BALTIMORE STOCK BOARD
TUESDAY, October 8, 1861.

$5,000 Maryland 6's '70	83
1,226 Baltimore city 6's '90	80

The New York *Tribune* of Tuesday morning says:

The foreign Exchange market has not fairly opened for Wednesday's steamer, and quotations are nominal. We quote sterling at 106¾@107 for bankers' bills.

The following is a comparative statement of the condition of the banks of New York city, Sept. 28 and Oct. 5.

	Sept. 28.	Oct. 5.		
Loans	$126,123,226	$148,545,489	Inc.	$22,417,162
Specie	33,123,552	39,809,901	Inc.	1,686,349
Circulation	8,639,780	8,884,056	Inc.	215,275
Deposits	96,551,598	129,607,549	Inc.	24,055,651

The prominent features of the bank statement are—a large increase in loans, growing out of the credit to government on account of the second installment of the 7.30 loan, and an increase of $1,686,349 in specie, partly made up by the reimbursements on account of sales at the agencies.

The following is a comparative statement of the imports of foreign dry goods and general merchandise at the port of New York for the week and since January 1:

For the week.	1859	1860.	1861.
Dry goods	$1,630,362	$1,662,619	$547,919
General merchandise	2,597,144	2,041,162	1,142,403
Total for week	$4,227,506	3,703,781	1,690,352
Previously reported	192,988,691	181,411,187	97,020,820
Since January 1	$197,216,197	185,114,968	99,611,172

The London *Economist*, of Sept. 21, says:

The reduction of the minimum rate of discount of the Bank of England to 3½ per cent. was generally anticipated, and hence no effect was exercised in the discount market or on the stock exchange. The demand during the week had been very moderate, and the rate in Lombard street had fallen to 3¾ per cent., with occasional transactions at a fraction less. The reduction yesterday consequently brought no additional business to the bank. The applications at that establishment being still confined to regular customers. This afternoon the demand for discount slightly increased, but there was no change in the general rates.

In relation to American stocks, Messrs. Baring Brothers & Co, remark:

In American stocks prices are firmer, without leading to much business. We quote United States 5's 72@73; 6's of 1868 83. Massachusetts sterling 5's '96, Boston 72; certificates 69@71. Maryland sterling 5's 65@70. Virginia dollar 6's 47@49; sterling 5's 45@46. Kentucky 6's 65@70. Tennessee 6's 33@40. Canada 5's 101. New Brunswick 6's 103¾. Nova Scotia 103¾.

BALTIMORE MARKETS.

COFFEE.—The Coffee market although quiet, continues very firm in tone, but we have no sales to note to-day. Holders show no desire to sell unless at full rates. We quote Rio firm at 14 cts. for ordinary, 15@15¾ cts. for fair to good; 15¾@16 cts. for prime; and Java at 20 cts. per lb. There is no Laguayra here but it would bring if here 15¾@16¼ cts. per lb. The stock of Rio is about 22,000 bags.

FLOUR.—The market for all descriptions of Flour continuedpretty good inquiry for it to day, there was nothing of any importance done. The only sale reported was Ohio Change Street and Ohio Super, the market closed firm at $5 87¾, but there was none of the former description offering. City Mills Super was quiet, but we heard of a sale made after 'Change yesterday of 500 bbls. at $5 75, being an advance of 12½ cts. per bbl, on last sales, and it was held quite firmly at this figure to-day. Extras were quiet, and we had no movement to note in them. We quote Ohio Extra at $5.12½@$5 25; $5 25@$5 50 for Howard Street and Ohio Family may be quoted at $7.25@7.50 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is firm at $4, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—Wheat was in limited supply this morning, the total offerings not exceeding 11,400 bushels, and the opening of 'Change there was a good inquiry for Wheat, but towards the close the market was less active, but we have no change to note in rates since yesterday. Mostly to good fair reds: 122@130 cts. for good do; 133@135 cts. for prime do.; 135@145 cts. for fair to good whites, and 150@155 cts. for prime and choice samples of do. Corn was again in small supply, and with a fair demand, prices ruled steady. There were sales of 1,000 bushels fair to good white at 58 to 61 cts., and 2,000 bushels good to prime yellow at 58@60 cts. Oats are active, and prices remain quite firm. There were sales of some 3,000 to 4,000 bushels good to prime Maryland at 35@38 cts., and 43 cts. for good Pennsylvania. There was nothing done in Rye, and in the absence of sales, we quote it nominal at 58@60 cts. for Maryland, and 64@65 cts. for Pennsylvania.

MOLASSES.—Molasses is quiet but very firm at the quotations, which are as follows, viz: 29@33 cts for Cuba clayed: 33@35 cts. for do. Muscovado; 35@45 cts. for Porto Rico; and 50@56 cts. per gallon for New Orleans. The stock here is very light.

PROVISIONS.—We have no movement to note in Provisions to-day, and for the present there seems to be very little inquiry for any article under this head. We have no change however to note in the general condition of the markets. Bacon Shoulders, which are rather scarce, are now generally held at 6@6¼ cts., but Sides are selling at 6¾@6¾ cts., and we quote Hams as ranging from 8 to 11 cts. per lb. There is no Bulk Meat sold. Lard is steady at 8¾ cts. for City, and 9 cts. for Western, and we quote Mess Pork at $14@14 25 for City, and $15 for Western; Prime do. at $12@12 50, and Beef at $13 for No. 1, and $15 per bbl. for do. Mess.

RICE.—Rice is firm at 7¼@7¾ cts. for good to prime. There is however very little here, and it is only selling in retail lots.

SUGARS.—We hear of no transactions worth noting to-day in Sugars. There are however but few lots offering, and the market although quiet is very firm indeed. We quote as follows, viz: Cuba at $8@8 25 for refining, and $8.50@9 50 for grocery grades; Porto Rico and New Orleans at $8.50@9 50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf, 11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

SALT.—Salt continues very firm with an upward tendency, but there has been no change for several days past in the rates, and we still quote Liverpool at 120@125 cts. for Ground Alum, and 100@105 cts. per sack for Marshall's, Jeffrey & Darcy's and Worlington's fine, and Turks Island at 23@30 cts. per bushel.

WHISKEY.—The Whiskey market continues very firm in tone, but we have no transactions to note to-day. Ohio Whiskey, of which there is a very small stock here, is held quite firmly at 23 cts., and we quote City at 22½ cts., but we can give no quotation for Country.

MARKETS BY TELEGRAPH.

NEW YORK, October 8.—Cotton is firmer—sales at 21¾@21¾. Flour is depressed—sales of 16,000 bbls. at a decline of 5@10 cents; State $5.35@5.40. Wheat is depressed—sales of 142,000 bushels at a decline of 2 cents; Chicago Spring $1.14@1.19; Milwaukie Club $1.21@1.23; red $1.28@1.34; white $1.36@1.39; Kentucky $1.42½@1.44. Corn—sales of 140,000 bushels at a decline of 1@2 cents; mixed 53@55 cts. Pork is heavy—Mess $14.50@14.75. Lard is firm at 8¾@9¼ cts. Whiskey closed firm and heavy at 21 cts. Rice is quiet. Sugar is dull. Coffee is quiet at 15¾@16¾ cts. Spirits Turpentine closed firm.

FOREIGN MARKETS.

RIO DE JANEIRO, August 23, 1861.—Our last was dated the 6th instant.

IMPORTS.

Flour.—The receipts have been 33,034 bbls., of which 24,824 bbls. from the United States, 3,450 bbls. from Europe, and equal to 4,750 bbls. from Chili. Sales reported were 20,886 bbls., divided as follows:

924 bbls. Fontana at 21¾ to 22¾; 925 do. S. S. S. F. at 26¾; 4,861 bbls. Richmond firsts at 23¾ to 26¾; 1,250 bbls. Richmond thirds at 27¾ to 24¾; 5,738 bbls. Baltimore and Interior extra 26¾ to 28¾; 1,050 bbls. do. super at 23¾; 4,918 bbls. Chilian at 27¾ to 18¾. (part for re-export;) 500 bbls. French at 26¾; 720 bbls. extra brands, damaged, at 11¾000 to 17¾000, (in auction)—leaving a stock in first hands of 44,023 bbls., of which 6,700 bbls. S. S. S. F.; 2,531 bbls. Richmond firsts; 1,230 bbls. do. seconds; 2,019 bbls. do. thirds; 19,850 bbls. Baltimore, Ohio and Philadelphia extra; 4,730 bbls. do. super; 1,200 bbls. New Orleans; 2,756 bbls. Chilian; 460 bbls. Portuguese; 2,474 bbls. Spanish, and 75 bbls. French.

Under heavy receipts, and advices or large shipments, we have to report a very flat market, with prices tending downwards, and unless the next steamer should bring a material falling of in shipments, we shall have to submit to much lower prices. In present state of the market we find great difficulty in giving reliable quotations, as holders appear willing to accept almost any offers made them." Last sales were:

Richmond first qualities 26¾@27¾; do. second and third 24¾@25¾; good extra 23¾, supers 23¾; Trieste 26¾. We, however, learn that Baltimore extra has been offered at 26¾, and super at 18¾, without finding buyers.

Coffee.—Sales having been light since departure of English steamer, and with free receipts, our stock reaches 230,000 bags, principally ordinary quality; yet with this heavy stock, and unfavorable advices both from Europe and the United States, with confirmation of a duty of 5 cts. per lb. having been imposed by the United States Government, and no demand for that quarter, dealers remain firm, and the decline, so far, has not been over 200@300 rs. per arr. It would appear next to impossible to get down prices in this market while our dealers have all present large monied facilities from the bankers (who likewise sell their Coffees,) as they are enabled to carry a stock of 230,000 bags without inconvenience to themselves. Reports confirmatory of the very short crop continue to come in. Sales since our last amount to 20,000 bags, of which 5,000 bags for the United States; 10,000 bags for Bordeaux, and 4,000 bags for the Cape of Good Hope. We quote:

Fine for the United States, nominal; do. Channel, 9@100

@5$1500; do. North of Europe, 5$500@5$700; do. Mediterranean, 5$300@5$600.

Hides—360 to 380 rs. per lb.

We are, very respectfully,
Your obedient servants,
MAXWELL, WRIGHT & Co.

Represented by our partner:
W. H. D. C. Wright, Baltimore.
P. S.—1,800 bags Coffee have been sold for Europe. No vessels loading for the United States.

IMPORTS INTO BALTIMORE.

COASTWISE.

NEW YORK—*Schr. Sarah M. Sherman.*—2,915 sacks salt, Levering & Co.
