Monetary and Commercial Review.

BALTIMORE, October 12, 1861.

There was very little business done at the Stock Board to-day, sales being made of only $150 Maryland 1870 6's at 83, and $2,000 Baltimore and Ohio Railroad 1885 bonds at 65¾. For Baltimore and Ohio Railroad shares $41 was bid, and Northern Central do. closed at 13¾ bid, $14¾ asked regular way, these figures being an advance on previous quotations. Northern Central 1885 bonds closed at 57 bid, 58¾ asked, and Baltimore and Ohio bonds left off at 43 bid for 1862's; 80¾ bid for 1867's; 71 bid for 1875's; 68 bid for 1880's; and 65¾ bid, 66 asked for 1885's. Maryland 6's closed at 83 bid for Coupon, and 83¾ bid for inscribed 1870's, and Baltimore city 6's left off at 79 bid, 80 asked for 1875's, and 80 bid, 81 asked for 1890's. In the Mining Stocks there was no movement, but for Springfield $1.75 was bid, and Gardner Hill closed at 55 cts. bid, 70 cts. asked.

In New York to-day Virginia 6's declined ¾; but Missouri 6's advanced ¾; North Carolinas ¾; New York Central ¾, and Erie $1¾. Reading and Tennessee 6's closed at the same figures as on yesterday, but Treasury notes advanced ¼, the 6 per cents. selling at 99¾.

The New York *Herald* of Saturday says:

Money is more active, very few loans being now made below six per cent. The street has rather more stocks than usual to take care of just now, and this causes some running about in search of money. It has long been evident that the price paid by the government for money during the present war would become its standard value in this market, and that loans at 5@6 per cent. would eventually be put up to that point.

Foreign exchange is stiffer. We quote bankers' at 107¾@107¾; and francs 5.35. There are very few commercial bills in market; none that are first class can be bought under 107¾@107¾ for sterling, and 5.37¾ for francs. This sudden recovery in the market takes the public somewhat by surprise, and demonstrates the necessity of keeping a watch upon our imports lest they grow heavy again. At 107¾ for bills on London there is hardly any profit on the importation of gold from Europe. Gold cannot be exported until exchange rules at 109¾.

The Hartford Courant says:—

The Phœnix Bank has ordered $65,000 worth of the 7.30 loan, making $325,000 in all, $290,000 of which has been already given out in this vicinity. A large number of persons are waiting the arrival of the notes before they subscribe, desiring to make one job of it.

By the arrival of the Asia we have European advices to the 29th. The funds were quoted ¼ better. Money was lower, in more request in London, and the Bank of France had raised the rate of discount to 5¾ per cent. Cotton continued to advance. Breadstuffs were quiet, and, the reporters say, tending downward. The Asia brings $104,000 in gold. With regard to American stocks, the Messrs. Baring Brothers & Co. remark:—

In American stocks we have little variation to report. United States 6's of 1868 are quoted 83@85; 5's, 72@73; Massachusetts sterling 5's, 99; Maryland 5's, 75@80; Pennsylvania 5's, stock, 68@70, bonds, 71¾; Tennessee 6's, 37@41; Virginia 6's, 48@50; Pennsylvania Central Railroad bonds, 85@87; New York Central 7's, 1876, 89@91; Illinois Central, 80, ex coupons; shares, 38¾ div.; Canada 5's, 101; New Brunswick 6's, 108@109; Nova Scotia 6's, 108¾@109.

The London *Times* city article says:

Late in the afternoon news was received of the Bank of France having advanced their rate of discount from 5 per cent., at which it had stood since the 22d of March, to 5¾ per cent. This movement was not entirely unanticipated, a belief having been entertained in Paris during the past week that an increased demand for money would soon be felt from the continued grain purchases. In its effect here the step may prove salutary, since it will tend to induce some of the capital which seems about to become a drug to seek temporary employment in France, this side, it will immediately flow back. Although the French purchases of wheat in the English market have much diminished, they are still continued on a moderate scale. There was a slight increase in the demand for discount to-day, but there has rarely been an instance of such an over-abundant supply of money in the market at a period so near to the end of a quarter. Several transactions of considerable amount have again taken place to-day at 2¾ per cent.

The return from the Bank of England for the week ending September 25 gives the following results when compared with the previous week:

Rest	£3,796,029	Increase	£5,146
Public deposits	5,810,424	Increase	748,497
Other deposits	11,957,868	Decrease	485,042

On the other side of the account:

Government securities	£10,450,890	No change.	
Other securities	17,439,259	Increase	£150,227
Notes unemployed	8,107,915	Increase	129,630

The amount of notes in circulation is £19,973,580, being an increase of £137,400, and the stock of bullion in both departments is £14,242,241, showing an increase of £242,449 when compared with the preceding return.

BALTIMORE MARKETS.

SATURDAY, October 12.

COFFEE.—There has been no movement in Coffee to-day so far as we have heard. The market however continues very firm in tone, and holders show no disposition to sell unless at full rates. We quote Rio firm at 14 cts. for ordinary, 15@15¾ cts. for fair to good, 15¾@16 cts. for prime; and Java at 20 cts. per lb. There is no Laguayra here but it would bring if here 15¾@16¾ cts. per lb. The stock of Rio is about 21,000 bags.

FLOUR.—The market for Flour was dull and rather heavy to-day. The only sale made on 'Change of which we were advised, was one of 200 bbls. Ohio cut Extra at $5.75 per bbl., which is a decline of 12½ cts. on the last sale. There is no Howard Street Super offering but it would bring if here $5.75@5.87½ per bbl. We quote Ohio do. at $5.62½@5.75, and City Mills do. at $5.50 per bbl. Extras are quiet, but steady at our former quotations, viz: $6.12½@6.25 for Ohio; $6.25 for Howard Street; and $6.50 @7 for standard shipping brands City Mills.

FAMILY FLOUR.—Family Flour is selling by the dray load to the trade at $8 for the best brands Baltimore, $7.25@7.50 for Ohio and Howard Street; and Baltimore high grade Extra is bringing $7.50 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is scarce and firm at $4@4.25, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—Wheat was in fair supply to-day some 16,000 bushels being at market. The demand was active, particularly for the better grades, and for all descriptions prices were well maintained. Red sold at 125@133 cts. for fair to prime, and white at 115@125 cts. for common, 125@130 cts. for medium, 135@140 cts. for fair to good, and 150@157 cts. for prime and choice. Corn, of which there were about 4,000 bushels offered, sold at 57@60 cts. for yellow, and 60@62 cts. for white. A lot of 400 bushels Maryland Rye sold to day at 64 cts., and we note sales of some 5,000 to 6,000 bushels Oats at 36@40 cts. for Maryland, and 42@43 cts. for Pennsylvania, these figures being an advance of 2 to 3 cts. per bushel on the previous quotations.

MOLASSES.—Molasses is quiet but very firm at the quotations, which are as follows, viz: 28@33 cts for Cuba, cleared; 33@35 cts. for do. Muscovado; 35@45 cts. for Porto Rico; and 50@55 cts. per gallon for New Orleans. The stock here is very light.

PROVISIONS.—The market for Provisions continues very quiet, and we have heard of no sales to day worth noting. There is a limited demand for Bacon, and it is selling in retail lots at 6¾@7 cts. for Shoulders, 6¾@7 cts. for Sides, and from 8 to 11 cts. for Hams. There is no Bulk Meat selling and we can give no reliable quotations for it. Lard is steady at 8¾ cts. for City, and 9 cts. for Western, and we quote Mess Pork at $14@14 25 for City, and $15 for Western; Prime do. at $12@12 50, and Beef at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—Rice is firm at 7¾@7¾ cts. for good to prime. There is however very little here, and it is only selling in retail lots.

SUGARS.—We are again without transactions to note in Sugars. There are here now but few lots offering, and the market although quiet is very firm indeed. We quote fs as follows, viz: Cuba at $8@8.25 for refining, and $8.50 @9.50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf; 10¾@ 10¾ cts for soft crushed, powdered and granulated; 10¾@ 10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

SALT.—Salt continues very firm, but there has been no change for several days past in the rates, and we still quote Liverpool at 120@125 cts. for Ground Alum, and 170@175 cts. per sack for Marshall's, Jeffrey & Darcy's and Worthington's fine, and Turks Island at 25@30 cts. per bushel.

WHISKEY.—There has been no movement to-day in Whiskey, and the market for it is hardly as firm in tone as it has been. We quote City at 22@22¾ cts., and Ohio at 22¾@23 cts. per gallon.

DOMESTIC MARKETS.

BOSTON, October 11.—The market for Flour to day is hardly so firm, although prices remain about the same. We quote common brands Western at $5.25@5.37½; fancy 7.25 for superior, including choice St. Louis brands—Southern Flour is scarce, and prices are nominal. Choice brands of Baltimore range from $8 to 8.75 per bbl. Corn is held quite firm, but the demand continues moderate. We quote at 62@65 cts. per bushel for Western yellow; and 60 cents, with further sales at 36@40 cts. for Western, Canada and Southern. Rye 75 cts. per bushel.

BUFFALO, Oct. 11.—Flour steady. Wheat in fair demand; Chicago spring declined 1@2 cts since last sales; sales 32,000 bushels Chicago spring at 94@95 cts; 6,500 bushels red Indiana $1.04; 4,500 bushels white do. $1.09 1.11 Corn steady—sales 2,000 bushels at 39¾ cts., 20,000 bushels 40 cts.
