Monetary and Commercial Review.

BALTIMORE, October 15, 1861.

Sales were made at the Board to-day of $3,000 Tennessee 6's at 43, but nothing was done in any of the other Stocks on the list. The market generally was however quite firm in tone. Baltimore and Ohio Railroad closed at 42⅜ bid, an advance of ⅛, but Northern Central left off as on yesterday at 313⅜ bid, $14⅛ asked regular way. Baltimore City 1890's 6's left off at 80⅜ bid, 81⅛ asked, and Maryland 6's closed at 83 bid, 85 asked for coupon 1870's, and 84 bid for inscribed do. Railroad bonds were quite firm, although nothing was done in them. Baltimore and Ohio 1867's closed at 81 bid, 82 asked; 1875's at 71 bid; 1880's at 67 bid; 1885's at 65 bid, 66 asked; 1862's (the extra dividend bonds) at 43 bid; and Northern Central 1885's left off at 57 bid, 59 asked; 50 was bid to day for Central Ohio first mostgage, and 33 for do. second mortgage. For Baltimore Gas Co. $98 was bid, and $102 asked to-day. There was a little inquiry for the Mining stocks to-day, but they closed without sales at $1.75 bid, $1.95 asked for Springfield; 55 cts. bid, 70 cts. asked for Gardner Hill; and 30 cts. bid, 45 cts. asked for Guilford.

In New York to-day at the first board Missouri 6's advanced 1⅞ per cent.; Virginias ⅛; Tennessees ⅛, Canton ⅛; Erie ⅛; New York Central ⅛; and Reading ⅛; but at the second board Missouri 6's declined ⅛; Erie ⅛; New York Central ⅛; Reading ⅛; and the market closed weak. Treasury notes sold at the first board at 99⅞, yesterday's price.

The New York *Herald* of Tuesday morning says:

United States 6's sold yesterday at 99 per cent., and were held at that price for the coupon stock—at the close of business. The advance in governments constituted a substantial basis for a rise in all other securities, and we report accordingly a buoyant market, and quotations universally higher. The largest advance of the day was in Rock Island, which rose 2⅜ per cent. Quincy, Michigan Central and Pacific Mail each rose 2 per cent; guaranteed, Illinois Central and Erie, 1⅞; Toledo, 1; Galena, ⅞; Michigan Southern, old, ⅝; Hudson, ⅝; New York Central, ⅝; and other railway shares in proportion. Among the State stocks the only activity was in Missouris, which rose 1 per cent, with heavy sales. Bank stocks were in substantial demand at prices, and so were railway bonds, the better classes of which are scarce. At the second board the market was not so strong as in the morning, but stocks closed steady.

The bank statement compares as follows with that of last Monday:

Week end'g.	Loans.	Specie.	Circul'n.	Deposits.
Oct. 5.....	$148,545,488	29,869,001	8,884,056	129,607,549
Oct. 12.....	146,318,914	41,139,606	8,733,690	129,188,487
Increase..	$2,773,426	1,329,765	—	8,580,938
Decrease..	—	—	159,966	—

Money is in brisk demand, at 5@6 per cent, without any trouble or flurry, however. The amount of money seeking employment on call is in excess of the wants of the street; but the revival of stock speculation naturally creates a certain inquire for loans. First class paper is very scarce, and is readily passed at the discount houses at 6@7 per cent.

Foreign exchange is quite firm for to morrow's steamer, without much inquiry. Bankers are buying all they can get in the way of good mercantile bills at 106⅜@106⅞, and are asking 107⅜@⅝ for their own bills. Francs range from 5.23⅞ to 5.35 for bankers', and 5.36⅞ and upwards for mercantile bills. The steamer sails from Boston, and if the mail is to be heavy to-morrow will be a busy day.

Yesterday was a very active day at the Sub-Treasury and among the agents. The amounts received at the Sub Treasury and at the several agencies in this city from the people for subscriptions to the popular loan exceed a million of dollars. Of this Messrs. W. & J. Oliver (John O'Brien, agent) received $115,000; Messrs. Livermore, Clews & Mason paid in $250,000 in six per cent. Treasury notes. Besides this the Sub-Treasurer received this morning over half a million from out of town agents, including $250,000 from Pittsburg, Pa.

The Boston *Traveller* of the 12th inst. says:

The subscription for the national loan at the Sub-Treasurer's office in this city, for the present week, up to the close of business yesterday, was over $80,000, which is a much larger amount than in any preceding week. The supply of small notes, $50 and $100, has been exhausted. The Etna Fire Insurance Company, of Hartford, has invested $300,000 in the Government loan, and Colonel Colt $150,000. Merrimac Lodge No. 28, Order of Odd Fellows, have voted to invest $500, and the Old Bay State Division of the Sons of Temperance $500 in the same loan.

The Philadelphia *Bulletin* says of the subscriptions at the principal agency in that city:

The subscriptions to the national loan at the office of Jay Cooke amount this week to about $2 000,000, including about $50,000 received this morning. The whole amount of subscriptions at that office, thus far, is about $2,250,000

The Chicago *Tribune* of Friday says:

Financial matters have become so steady that there has been scarcely a shade of variation in the money market for several days, perhaps weeks, past. The price of New York exchange remains at former quotations—viz: outside and Board of Trade rates par @⅛; the banks charge ⅛ premium. Gold ⅜ premium for round lots; retail parcels ⅜@⅝ per cent. There is very little doing in paper outside the banks. Rates may be quoted as nominal at 1@2 per cent per month.

The St. Louis *Democrat* of the same day remarks:—

The money market is yet unsettled, and what is to be the result of the present struggle for life for bankable funds depends upon the firmness of the people, who are now at open war with it. There are no established rates for exchange or gold, but the banks draw in very limited amounts to customers at 10 per cent premium. This fixes the present value of bankable funds; to-morrow it may be something else.

The Cincinnati *Gazette* of Saturday says:—

Financial affairs progress smoothly and comfortably. Currency is in fair supply, but sufficient good paper is offered to keep it fully employed, and while bankers are not cramped for means, they are not burdened with idle capital. Rates of interest are firm at 10@12 per cent.—There is only a moderate business being done in exchange; but, the supply and demand being about equal, the market maintains a firm tone, rates remaining at par buying and ⅜ premium selling. Gold is in fair request—

The Cincinnati *Gazette* also mentions an intimation of a further advance in freights of 5c @10c. from lake ports, to take effect probably the present week.

Rio closes steady and firm at 14 cts. for ordinary, 15@15⅜ cts. for fair to good; 15⅜@16 cts. for prime; and Java at 20 cts. per lb. There is no Laguayra here but it would bring if here 15⅜@16⅜ cts. per lb. The stock of Rio is about 19,000 bags

FLOUR.—The market for Flour was dull and rather heavy this morning. There was but little inquiry for any description and so far as we could learn no sales were made on 'Change. Super was held generally at $5.75 for Howard Street, Ohio and City Mills, but there were more sellers than buyers at this figure, and we quote Extra as before at $6@6 25 for City, $6 25@6 50 for Howard Street; and $6 50@6 75 for standard shipping brands City Mills.

FAMILY FLOUR.—Family Flour is selling by the drayload in the trade at $8 for the best brands Baltimore, $7.25@7.50 for Ohio and Howard Street; and Baltimore high grade Extra is bringing $7 50 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is scarce and firm at $4@4 25, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—Wheat was in fair supply again this morning the receipts amounting to nearly 20,000 bushels. The lower grades were rather dull, but for prime dry samples suitable for export, the market was active and firm. Red sold at from 120 to 125 cts. for fair to prime, the latter figure being paid for a lot of 3,000 bushels, and white at from 135 to 150 cts. for fair to prime, and 155@157 cts. for choice lots. Corn was higher again to-day, white selling at 65 cts., and yellow at 62 cts. per bushel. The receipts were quite light, less than 2,000 bushels being at market. Oats of which there were about 7,000 bushels offered were active and firm, most of the lots received being sold at from 36 to 40 cts. for Maryland, and 42@43 cts. per bushel for Pennsylvania, but there was no Rye at market.

MOLASSES.—There is very little Molasses selling, but we continue to quote it firm at the following rates, viz: 28@33 cts for Cuba clayed; 33@35 cts. for do. Muscovado; 35@40 cts. for Porto Rico; and 50@56 cts. per gallon for New Orleans. The stock here is very light.

PROVISIONS.—There is but little doing in Provisions, but the stock here is light, and the market is in consequence quite firm in tone. Bacon Shoulders are bringing 6@6¼ cts. Sides 6⅜@6¾, and Hams range in price at from 8 to 11 cts., but the sales are only making in retail lots. There is no Bulk Meat selling and we can give no reliable quotations for it. Lard is steady at 8⅜ cts. for City, and 8⅜@9 cts. for Western, and we quote Mess Pork at $14.25@14.50 for City, and $15 for Western; Prime do. at $12@12 50, and Beef at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—Rice is firm at 7⅜@7⅞ cts. for good to prime. There is however very little here, and it is only selling in retail lots.

SALT.—Salt is in good demand and very firm. Liverpool is selling in Liverpool 1 14 as wanted at 120@125 cts. for Ground Alum, and 170@175 cts. per sack for Marshall's, Jeffrey & Darcy's and Worthington's fine, and Turks Island at 25@30 cts. per bushel.

SUGARS.—There has been considerable inquiry to-day for Sugars, and we note a sale of 6,750 bags Manilla for refining, the terms for which were kept private. The market is very firm in tone. We quote as follows, viz: Cuba at $8@8 25 for refining, and $8.50@9 for grocery grades; Porto Rico and New Orleans at $8.50@9 50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11⅜@11⅝ cts. for loaf; 10⅜@11⅜ cts. for crushed, powdered and granulated; 10⅜@10⅝ cts for soft crushed white; and 9⅜@10 cts. per lb. for C yellow.

HONG KONG, August 10.—Russell & Co.—Black teas arrive freely and a stock of twelve and a half millions of pounds has accumulated at the three principal shipping ports, notwithstanding the settlements, which have been large, at rather easier prices. Imports dull, Am. cottons somewhat inquired for, but at lower prices than holders will now submit to. CALCUTTA, Aug. 22—Foster, Rogers & Co.—Scarcely any business doing for U. S. during the fortnight. For England rather an active demand induced by low freights. Some grades saltpetre further declined 4s. per maund; prices will probably be maintained. Linseed also in active demand for England at a small advance.
