BALTIMORE MARKETS.

FOREIGN MARKETS.

RIO DE JANEIRO, 5th September, 1861.—Our last monthly circular was under date of the 6th ultimo, and we now beg to continue our market advices from that date:

IMPORTS.

Flour.—The receipts have been 55,587 bbls., of which 37,427 bbls. from the United States; 3,760 bbls. from Europe; and equal to 14,400 bbls. from Chili. Sales reported were 37,630 bbls, divided as follows:

924 bbls Fontana at 31¾ to 29¾; 925 do. S. S. S. F. at 26¾; 5,772 do. Richmond firsts at 29¾ to 24¾; 1,648 do. do. seconds and thirds at 27¾ to 18¾; 17,450 do. Baltimore, Interior and Philadelphia extra and Family at 26¾ to 14¾00; 1,947 do. do. super at 23¾ to 12¾00; 7,668 do. Chilian at 17¾00, in auction; 575 do. do. French at 26¾ to 25¾.

2,903 bbls. have been shipped coastwise by importers.

Stock in all hands is estimated to be 85,000 bbls., of which 48,235 bbls. in first hands, comprising 1,116 bbls. Richmond firsts; 4,132 do. do. seconds; 19,700 do. extras; 3,250 do. super; 6,700 do. S. S. S. F.; 2,471 do. Spanish; 765 do. Portuguese and French, and 10,050 do. Chilian.

The market continued much depressed throughout the past month; holders showing great anxiety to realize at almost any price, but there was no material breakdown until a cargo was offered in auction on the 27th ult., when the highest bid being 14¾00, 6 months, for extra and family, appeared to fix the views of buyers, and some large sales have been made, both for export and consumption, at about this figure. Baltimore super is neglected, owing to the heavy stock of Chilian. We cannot look for any material improvement in prices for some time, as large shipments are on the way from the United States, Europe and Chili, and favorable advices of our market will be reaching those countries for two months after last dates thence, therefore, we must expect heavy receipts for several months. A cargo of new Baltimore extra arrived on the 3d instant, which has likewise made holders of old more anxious to quit themselves of their stock. We quote:

Richmond firsts, 24¾ and 25¾ per bbl.; do. seconds and thirds, 18¾ per bbl.; S. S. S. F., 24¾ per bbl.; good extras; 14¾00 per bbl.; do. supers, 12¾00; Chili, 12¾.

Bahia, 29th August—Market very dull. Richmond firsts worth 25¾. Stock, 10,000 bbls.

Pernambuco, 27th August.—Stock, 18,000 bbls. Last sales 27¾ for Fontana; 23 500 offered for Interior. Market weak and consumption small.

Montevideo, 28th August—Last sales were $12 for Richmond; $11 for Baltimore extra, $10 for do. super.

Buenos Ayres, 26th August.—Quotations $13 for Richmond; $11 to $11¾ for Baltimore extra.

EXPORTS.

Coffee—Sales continued very limited during the past month, the demand being principally confined to the better grades, of which the quantity in stock was small. Notwithstanding the light sales, and, large stock, which at one time reached 300,000 bags, the dealers continued firm, and within the past few days sales have been made to some extent at the small decline of 200@300rs. per arr., and this in the face of unfavorable advices from all consuming countries, with the imposition of an almost prohibitory duty in the United States. We cannot account for this small decline by the great facilities the dealers have in obtaining money from the brokers, which enables them to carry any amount of stock. The present crop is without doubt a very small one, but the deficiency cannot be felt until the month of January and February. Sales since the 6th ultimo amount to 135,000 bags, of which 85,000 for the United States, 96,000 for Europe, and 4,000 for the Cape of Good Hope. Stock to-day estimated to be 230,000 bags. We quote

Lots for the United States, 5$150 to 5$500 per arr. f. o. b., ex freight; exchange 24¾d., 4s 9d@4s. 5d. single, 4s. 6d.@4s. 2d. double. Lots for the North of Europe, 5$600 to 5$900 per arr. f. o. b., ex freight; exchange 24¾d., 4s. 9d @4s 6d. single, 4s. 11d @5os. 6d. double. Lots for the Channel, 5$200 to 5$500 per arr. f. o. b., ex freight; exchange 24¾d.. 4s. 2d @4s. 5d. single, 4s. 11d @5os. 6d. double.
