Monetary and Commercial Review.

BALTIMORE, October 22, 1861.

There was a larger business done at the Stock Board to-day than for several days past, and the market generally was quite firm in tone. For Railroad stocks there was some inquiry and sales were made of 200 shares Northern Central at $14⅜@14¾, the market for it closing at $14¾ bid, $15 asked regular way. For Baltimore and Ohio Railroad $42 was bid, but none was offered below $50. For the extra dividend bonds, $100 of which represents one share of the stock, 44 was bid. The 1885 bonds of this road closed at 65¾ bid, 66¾ asked. Northern Central 1885 bonds were decidedly better. A lot of $1,000 of them were sold at 79, and they left off at 80 bid, 80¾ asked. There was some inquiry at the Board for City 6's, and sales were made of $1,000 1875's at 80, and $1,100 1893's at 82¾; 1875's left off at 79¾ bid, 80 asked, and 1890's at 82 bid. Maryland 6's were ¼ better to-day, both 1871's and 1890's closing at 84 bid. Bank stocks continue to be inquired for, and we note sales to-day of 3 shares Merchants' at $84, and 33 shares Farmers and Planters' at $21¾.

In New York to-day Virginia 6's declined ¾, and Tennessee 6's 1¼ per cent, but Missouri 6's advanced ¼, and Erie ¼. New York Central, Reading and North Carolina 6's all closed at yesterday's figures. Treasury notes also sold at yesterday's price, the 6 per cents. bringing 99¾.

The New York *Herald* of this morning says:

Yesterday's bank statement compares as follows with that of last Monday:

Week end'g. Loans.	Specie.	Circul'n.	Deposits.
Oct. 12...$156,318,914	41,130,006	8,732,009	129,188,487
Oct. 19... 151,828,438	42,282,284	8,883,673	129,439,063
Decrease... $4,490,476	—	149,417	2,755,424
Increase...	1,143,278		

The increase of specie is less than was generally expected in view of the decline in the Sub-Treasury balance; the fact is, however, that the heaviest payments into bank took place on Saturday, and did not affect the above average. This morning the banks held between $15,000,000 and $46,000,000.

The money market is fairly active again, and there is a brisk demand for call loans at 6@7 per cent. The best short paper goes at 6@7, with few transactions at the lower rate. Money is slowly and steadily approximating to the government standard of 7.30 per cent; the sooner it reaches that rate the better it will be for the government and the more reliable the market will prove.

Foreign exchange opens with a dull feeling. Bankers ask 107¼@¾ for sterling and 5.33¾ for francs, but sell but few bills. Commercial bills range from 106 to 107, and are scarce as yet.

In the absence of political news of any importance the stock market is irregular, and the bears are emboldened to put out their contracts. This will prove hereafter an element of strength in the market, when the public renew their purchases on a more liberal scale; meantime it leads to sharp fluctuations. At the opening yesterday stocks were generally better; at the close of the first board they fell off and continued to decline—the bears putting out their options with freedom—until the close of the second board, when a rally took place, and the market showed signs of having touched bottom for the present. New York Central advanced ¼ at the first board, then fell back ¾, and at half past three sold at yesterday's price Erie rose ¼, fell back 1, then rallied. Toledo and other Western shares rose in the morning about ½ per cent., fell off ⅛@¾ in the afternoon, and closed at a moderate advance. The State stocks were generally lower; governments firm

The Cincinnati *Gazette* of Saturday says:—

A despatch from Cleveland to the agent of the New York and Erie Railroad in this city announces that the accumulation of freight at Cleveland and Dunkirk has been cleared up, and that the road is now prepared to receive freight. The agents of the Cleveland, Columbus and Cincinnati, and both the Mil ans, are again in market for New York and other Eastern freights. Nearly all of the houses on the street report a very quiet day for money; was abundant with all, but there was scarcely any inquiry for loans. Good paper is readily negotiated at 10@12 per cent. There was less demand for exchange than for several days past, but the rate is unchanged. Nothing doing in Treasury notes of any consequence Gold was quiet at former rates.

The Chicago *Journal* of Friday evening says:

There is no change to notice in money affairs. Currency is abundant for all legitimate business purposes. Exchange is firm at ¼@¾ per cent. premium at the banks, and par@¼ per cent. premium on the street. Gold remains steady at ¼@¾ per cent. premium.

The Ohio and Mississippi Railroad is to be sold to-day at Cincinnati, in pursuance of decrees in Chancery, in a cause wherein E. D. Morgan, of this city, and others, are complainants. The sale is at the instance of the second mortgage bondholders, subject, of course, to the first mortgage bonds.

BALTIMORE MARKETS.

TUESDAY, October 22.

COFFEE.—The market for Coffee continues dull and we are again without sales to report. Holders however seem indisposed to press sales, and they are still asking full rates. We quote as follows, viz: Rio at 13¾@14 cts. for common; 14¾@15 cts. for fair; 15¾@16 cts. for good to prime; Laguayra at 15¾@16¾ cts; and Java at 19¾@20 cts. per lb. The stock of Rio here is about 19,000 bags

FLOUR.—There is a fair consumptive demand for Flour, but there is very little inquiry for it for export, and we have heard of no sales of moment for some days past. The market although quiet is steady and tolerably firm in tone. We have reported to-day sales of 200 bbls. Howard Street Super at $5.75, 100 bbls. choice Ohio Extra at $6.25, and 150 bbls. City Mills do. at $6.50 per bbl. City Mills Super can be bought readily at $5.50, but Ohio and Howard Street do. is held with considerable firmness at $5.75 per bbl. Extra Flour closes dull at the following rates, viz: $5@5.12½ for Ohio; $6@6.25 for Howard Street; and $6.50@6.75 per bbl. for standard shipping brands City Mills.

FAMILY FLOUR.—Family Flour is selling by the drayload to the trade at $8 for the best brands Baltimore; $7.25@7.50 for Ohio and Howard Street; and Baltimore high grade Extra is bringing $7.50 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is scarce and firm at $4.25@4.37½, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—The receipts of Wheat this morning were comparatively light only about 8,000 bushels being at market. There was however a good inquiry for it and all the lots offered were sold at from 125 to 136 cts. for red, the latter figure which is an advance being paid for a lot of 450 bushels, 132@140 cts. for medium to good fair white, 145@150 cts. for good do., and 155@157 cts. for prime do. Corn continues to improve, and it sold to-day at 56@57 cts. for white, and 66 cts. for yellow. There were less than 2,000 bushels at market. Rye was inquired for, and sales were made of some 300 to 400 bushels Maryland at 64 cts. Oats continue very firm. There were some 6,000 bushels received to-day, most of which were sold at 40@43 cts. for Maryland, and 44@45 cts. for Pennsylvania.

MOLASSES.—There is no Molasses selling, but the stock here is very light, and the market is in consequence quite firm. We quote as follows, viz: Cuba at 28@33 cts. for clayed; and 33@35 cts. for do. Muscovado; Porto Rico at 35@48 cts; and New Orleans at 50@56 cts. per gallon.

PROVISIONS.—Provisions continue very quiet, but we have no change to note in the general condition of the market. Bacon Shoulders are bringing 6¼@¼ cts. Sides 6¾@8¾, and Hams range in price at from 8 to 11 cts., but the sales are only making in retail lots. There is no Bulk Meat selling and we can give no reliable quotations for it. There is some inquiry for Lard; but we hear of no sales. We quote it steady at 8½ cts. for City, and 8¾@9 cts. for Western, and we quote Mess Pork at $14 25@14.50 for City, and $15 for Western; Prime do. at $12@12.50, and Beef at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—Rice is firm at 7¼@7¾ cts. for good to prime. There is however very little here, and it is only selling in retail lots.

SALT.—Salt is in good demand and very firm. Liverpool is selling in lots as wanted at 120@125 cts. for Ground Alum, and 100@175 cts. per sack for Marshall's, Jeffrey & Darcy's and Worthington's fine, and Turks Island at 25@30 cts. per bushel.

SUGARS.—There has been but little inquiry for Sugars in the market than for a long time past, owing to the feeling light, and holders are still quite firm in their views. We still quote as follows, viz: Cuba at $8@8.25 for refining, and $8.50@9 for grocery grades: Porto Rico and New Orleans at $8.50@9.50; and current qualities of Manilla and Fernambuco at $8@8.25.

RAFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¼@11¾ cts. for loaf; 10¾@11¼ cts. for crushed, powdered and granulated; 10¾@10¾ cts. for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

Choice brands of Baltimore are nominally $8@8.75 per bbl. In Corn there has been no movement of any consequence, but the article continues to be held quite firm.
