Monetary and Commercial Review.

BALTIMORE, October 24, 1861

There was some further movement in Baltimore City 6's to-day sales being made at the Board of $6,000 1875's at 80, and $17,100 1890's at 82¾, but nothing was done in any of the other stocks on the list. Maryland 6's were quite firm, 81¾ being bid for 1870's, and 84¾ for 1890's, and Baltimore City 6's left off at 70¾ bid, 80 asked for 1875's, and 82½ bid, 82¾ asked for 1890's. Railroad shares closed as on yesterday at ¾ bid for Baltimore and Ohio, and ¼¾ bid, $15¾ asked for Northern Central, but no sales were made. The market for Railroad bonds was tolerably strong, Northern Central 1885's closing at 59 bid, 60 asked, Northwestern Virginia first mortgage at 69¾ bid, 70¾ asked, and Baltimore and Ohio bonds at 44 bid for 1862's (the extra dividend bonds) and 63¾ bid, 66 asked for 1885's. In Bank stocks there was no movement but they were generally steady at previous quotations. The Mining stocks are neglected. There was however some inquiry to-day for Springfield, and it closed at $1.75 bid, $1.85 asked.

The demand for foreign Exchange is limited, but rates are firm. Sterling is selling at 107¾ for bankers', and 108¾@107 for commercial bills, and francs at 5.27½ for short sight, and 5.82½@5.35 for 60-day bills. We quote bills on Bremen at 77@77¼; Amsterdam at 39¾@39½; Hamburg at 35½, Cologne at 70½, and Frankfort on the Main at 40¾.

In New York to day Missouri 6's advanced ¾; Erie $1; New York Central ¾; Reading ¾; but Virginia, Tennessee and North Carolina 6's all closed at yesterday's figures. Treasury notes were also steady at 99⅞, yesterday's price.

The New York *Herald* of this morning says:

The stock market continues unsettled pending the general expectation of a decisive battle. This morning rumors were prevalent of some disaster to General Banks, and the bears put out their options with freedom; this afternoon it was gleaned from the meagre despatches published in the newspapers that General Banks and his army had safely crossed the Potomac, and that the enemy had not ventured to attack him, and the market rallied in consequence, closing steady. Governments were firm all day; at the close an advance of ¼ per cent. was established in the registered 6's. All the State stocks were higher at the close; Missouris rose ¼, Tennessees ¾, North Carolinas 1 and Virginias ¾. New York Central likewise advanced ¾; but the other railway shares were all ⅛@¼ lower than last evening—the business done being quite moderate. All parties seem to be waiting to see the result of an engagement, or of news from the naval expedition.

The money market is easier. Loans at 7 per cent. on call are being paid off, the supply of money at 6 was in excess of the wants of the street at the close of bank hours. Good paper is still wanted at the discount houses at 6@7 per cent. The stock of second rate paper which encumbered the market a few months ago has pretty well run out. The popular subscriptions to the loan continue fair, though it is difficult to ascertain the aggregate amounts subscribed, where there are so many receivers of subscriptions.

We understand that the New York Central Railroad Company has raised its rate on flour from Rochester to New York 20 cents, now making the charge 90 cents per barrel. The Pennsylvania Central is so overwhelmed with business that it has been forced to adopt an arbitrary rate from Pittsburg eastward, in order to keep freight back

The September earnings of the Philadelphia, Wilmington and Baltimore Railroad show an increase of $43,000 over those of September, 1860, while in the first two weeks of October the increase is still greater, being $28,000 for the two weeks.

The St. Louis *Democrat* of Monday furnishes the following information relative to the present position of the banks of that city:

Two of the city banks have been, perhaps, permanently discredited, viz: the Union Bank and the St. Louis Bank. The other four banks which have been operating on the bankable fund system, and in a state of legal discrepancy, have come to an understanding, we are told, and hereafter the Mechanics', Merchants', Southern and State banks, and their branches, will constitute the "bankable fund" list, and take and exchange each other's notes as formerly. The Exchange Bank is doing an independent business on a strictly specie basis, it never having suspended. This agreement by the Banks will probably enhance the price of their money, and probably exchange will be furnished ere long at a trifling premium. We are glad to know that it is the intention of the Mechanics' Bank to resume specie payment at the earliest practicable moment, and the same is said of the Merchants' Bank, but of this we cannot speak so positively.

Relative to the Farmers' and Western banks, the St. Louis *Republican* remarks:

An arrangement is in progress, we understand, which will probably result in at once placing these two banks on an equal footing with the other banks—a position which they should have all the time occupied. They are owned and managed by the most wealthy and respectable gentlemen in the most commercial part of this State, and are as sound, we are assured, as any of our banks.

BALTIMORE MARKETS,

THURSDAY, October 24.

COFFEE.—There is very little demand for Coffee, but holders are nevertheless very firm in their views and none of them seem disposed to press sales. Prices are consequently well maintained and we still quote as follows, viz: Rio at 13¾@14 cts. for common; 14¾@15 cts. for fair; 15¾@16 cts. for good to prime; Laguayra at 15¾@16¾ cts; and Java at 19¾@20 cts. per lb. The stock of Rio here is about 10,000 bags

FLOUR.—The market for Flour is dull and the feeling in it is quite heavy. There is however no apparent disposition among holders to press sales, and prices are consequently pretty well maintained. We have heard of no sales to-day. We quote however as follows, viz: City and Howard Street Super at $5 62½@5 75, the latter figure being asked for the best brands; City Mills do. at $5 50; and Extra at $6@6 12½ for Ohio; $6@6 25 for Howard Street; and $6.50@6.75 per bbl. for standard shipping brands City Mills.

RYE FLOUR AND CORN MEAL.—Rye Flour is scarce and firm at $4.25@4 37½, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine

GRAIN.—Wheat was very firm this morning and in red there was an advance of 4 to 5 cts. per bushel. There were some 8,000 bushels at market, most of which was sold at from 120 to 140 cts. for red, the latter figure being paid for a lot of 1,500 bushels prime, 140@150 cts for fair to good white, and 155 cts. for prime do. Fancy lots of white would have brought 160@162 cts, but there were none at market. Corn continues to improve and it sold to-day at 72@74 cts. for white, and 66@68 cts. for yellow. There was no Rye at market, but we quote it as before at 64@66 cts. for Maryland, and 68@70 cts. for Pennsylvania. Oats continue firm at 40@43 cts. for Maryland, and 44@45 cts. for Pennsylvania. The receipts to-day were about 5,000 bushels.

MOLASSES.—There is no Molasses selling, but the stock here is very light, and the market is in consequence for clayed: and 32@35 cts. for do. Muscovado; Porto Rico at 35@45 cts; and New Orleans at 50@56 cts. per gallon.

PROVISIONS.—Provisions continue very quiet, but we have no change to note in the general condition of the market. Bacon Shoulders are bringing 6¾@7¾ cts., Sides 6¾@8¾, and Hams range in price at from 8 to 11 cts, but the sales are only making in retail lots. There is no Bulk Meat selling and we can give no reliable quotations for it. There is some inquiry for Lard, but we hear of no sales. We quote it steady at 8¾ cts. for City, and 8¾@9 cts. for Western, and we quote Mess Pork at $14 25@14.50 for City, and $15 for Western; Prime do at $12@12 50, and Beef at $13 for Baltimore No. 1, and $15 per bbl. for do. SUGARS.—Sugars are dull; but the stocks here are light and notwithstanding the limited demand holders are firm in their views and none of them seem disposed to press sales. We still quote as follows, viz: Cuba at 8¾@9 for refining, and $8.50@9 for grocery grades; Porto Rico and New Orleans at $8.50@9.50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf, 10¾@11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

BALTIMORE LIVE STOCK MARKET—Oct. 24.—CATTLE.—Beef Cattle were in good supply to-day the offerings at the scales reaching 800 head, which is an increase of 200 head on last week's receipts. The market in consequence of the increased receipts was rather heavy, and prices were a shade lower than on last market day. Of the Cattle offered 100 head were driven in to Washington, 70 were sold to graziers, 150 were left over unsold, and the remaining 475 head were taken by Baltimore butchers at prices ranging from $2.50 to $4.12½ per 100 lbs. gross.

HOGS—Live Hogs continue to droop. They sold to-day at $4 50@5 per 100 lbs. net for good to prime lots, these figures being a decline of fully 50 cts. per 100 lbs. on last Thursday's rates.
