Monetary and Commercial Review.

BALTIMORE, October 26, 1861.

There was no business done at the Stock Board to-day but the feeling in the market was tolerably firm. Maryland 6's were rather better than on yesterday, 57 being bid for 1870's, and 56¾ for 1890's. Baltimore City 6's were also firm, 1875's closing at 80 bid, 81 asked; 1885's at 81¾ bid, and 1890's at 82¾ bid, 83 asked. There was no Railroad stock offering. For Baltimore and Ohio only $41¾ was bid, but for the extra dividend bonds, $100 of which are equivalent to one share of the stock, $45¾ was bid, and 48 asked. For Northern Central shares $15 was bid regular way, but there were none offered. Northern Central 1885 bonds were offered at 60, but no bid was made for them. For Baltimore and Ohio 1885 bonds 65¾ was bid, and Northwestern Virginia bonds closed at 69½ bid, 70¾ asked for first, and 60 bid for second mortgage. Bank stocks were, generally steady at previous quotations.

The New York *Post* of Saturday evening says:

Stocks are again very inactive, and prices are a shade lower. There is no disposition to press sales, and the small business doing is between the brokers themselves; the public, for the time, taking little or no interest in the course of the market. The government list, with the exception of the coupon 5's of 1874, which sold down to 83, is steady and quiet. The 6's of 1881 are nominally 93¾@94. New York Central closes at 77¾. Pacific Mail, which dropped to 93¾ yesterday afternoon, returned to 92. Panama is quiet at 114¾@116. Milwaukie and Prairie du Chien First Preferred is quoted 75@76; Second, 52@54; the common stock, 17¾@17½.

The week closes on an easy money market. Early in the week 7 per cent. was freely paid on temporary loan, but the demand is now supplied at 6 per cent. The call for paper have undergone little or no change, the offerings of prime names continuing light. Most of A No. 1 paper goes at 6⅝@7 per cent.

The foreign exchange market closed dull at 107⅜@107¾ for first class sterling.

§ [The Government demand notes come in for redemption in small sums. There is only some $200,000 on hand at the New York Sub-Treasury. There is, however, constant inquiry for them, sufficient to prevent any accumulation of moment. The Treasury Department has issued in all about $11,000,000.

The subscriptions to the 7.30 Treasury notes continue slack. It is unusually quiet at the Sub-Treasury this morning.

The Bank statement of Monday will show a decrease in the specie average, as the calls of the Government upon the banks early in the week were heavy, and the disbursements of the past few days have scarcely had time to fill up the vacuum. They have, however, more than forty millions in their vaults to-day. The loan column will also exhibit a material decrease.

The prominent banking house of M. Morgan & Sons is dissolved, H Morgan and M. Morgan, Jr., retiring from business. The house will be continued by Matthew Morgan and Ed. Morgan, under the title of M. Morgan & Son.

The following is a comparative statement of the imports of foreign dry goods at the port of New York for the week ending October 24, 1861, and since January 1:

For the week.	1859.	1860.	1861.
Entered at the port	$1,780,219	$1,057,073	$455,208
Thrown on market	1,731,414	945,900	611 524
Since Jan. 1.			
Entered at the port	$97,768,046	$89,049,554	$28,503,902
Thrown on market	97 654,797	89,381,579	28,355,884

COTTON.—The market continues remarkably quiet in the face of the strong accounts coming from Liverpool. There is scarcely any demand from spinners and holders will not sacrifice an article which is daily becoming of increased value to encourage speculation. Should the war continue cotton will doubtless command extremely high prices. The stock on hand is getting very light, and will not be increased by any further importations from Liverpool. Much of the cotton already brought here would be worth more money in Liverpool to-day.

BALTIMORE MARKETS.

SATURDAY, October 26.

COFFEE.—There is occasionally an inquiry for Coffee, and we heard this morning of a sale of 150 bags Rio at 16 cts. four months. Although the demand for Coffee is limited, holders are generally very firm in their views, and none of them seem disposed to press sales. We quote as follows, viz: Rio at 13¾@14 cts. for common; 14¾@15 cts. for fair; 15¾@16 cts. for good to prime; Laguayra at 15¾@16¾ cts; and Java at 19¾@20 cts. per lb. The stock of Rio here is about 19,000 bags

FLOUR.—There was rather more inquiry for Flour to-day than for some days past, and sales were reported on Change of 600 bbls. Howard Street Super at $5.75 per bbl., at which figure it closed steady. Nothing was done in Ohio or City Mills Super, but we quote the former description at $5.62½@5.75, and the latter at $5.50 per bbl. Extra Flour, of which there is a pretty large stock, is quite dull. We quote it however as follows, viz: $6@6.12½ for Ohio; $6@6.25 for Howard Street; and $6.50@6.75 per bbl. for standard shipping brands City Mills.

FAMILY FLOUR.—Family Flour is still selling by the dray load to the trade at $8 for the best brands Baltimore; $7.25@7.50 for Ohio and Howard Street; and Baltimore high grade Extra is bringing $7.50 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is scarce and firm at $4.25@4.37½, but we quote Corn Meal dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—Wheat was rather quiet this morning, and for red prices were a shade lower than on yesterday and the day previous. There were about 12,000 bushels at market, most of which was sold at from 130 to 147 cts. for red, the latter being the top price this morning for prime, 125@130 cts for ordinary white, 140@150 cts. for fair to good do., and 155@160 cts, for prime do. Corn was firm again this morning, white selling at 71@75 cts, and yellow at 66@67 cts. per bushel. There were about 5,000 bushels at market. There was no Rye offered to-day, but of Oats there were about 10,000 bushels received, and mostly sold at previous quotations, viz: 40@43 cts. for Maryland, and 44@45 cts. for Pennsylvania.

MOLASSES.—There is no Molasses selling, but the stock here is very light, and the market is in consequence quite firm. We quote as follows, viz: Cuba at 28@33 cts. for clayed; and 33@35 cts. for do. Muscovado; Porto Rico at 35@45 cts; and New Orleans at 50@56 cts. per gallon.

PROVISIONS.—For Provisions generally the market continues quiet. There is however some inquiry for Bacon and we heard to-day of a sale of 60 hhds. Sides at 6¾ cts. Shoulders are selling in retail lots at 6 cts. Sides at 6¼@6¾ cts., and Hams range in price at from 8 to 11 cts. There is no Bulk Meat selling and we can give no reliable quotation for it. There is some inquiry for Lard, but we hear of no sales. We quoid it steady at 8¾ cts. for [illegible] and 9@9½ cts. for Western, and we quote Mess Pork at $14.25@14.50 for City, and $15 for Western; Prime do. at $12@12.50, and Beef at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—There is no Rice in market, and it is therefore impossible to give quotations for it.

SALT.—Salt continues in good demand and quite firm. Prices are however unchanged, and Liverpool is still selling in 1 ts as wanted at 120@125 cts. for Ground Alum, and 170@175 cts. per sack for Marshall's, Jeffrey & Darcy's and Worthington's fine, and Turks Island at 25@30 cts. per bushel.

SEEDS.—Cloverseed is dull and heavy. There is very little arriving, but it would be difficult to effect sales of any large amount at over $4@4.25 per bushel. We quote Timothy Seed as before at $2@2.25, and Flaxseed at $1.25 @1.30 per bushel.

SUGARS.—Sugars continue dull. We note however a sale to-day of 10 hhds. Porto Rico at $8.75 cash. The stock of Sugars here is light, and although the market is dull prices are pretty well maintained. We still quote as follows, viz: Cuba at $8@8.25 for refining, and $8.50@9 for grocery grades; Porto Rico and New Orleans at $8.50@9.50; and current qualities of Manilla and Pernambuco at $8@8.25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf, 10¾@11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

WHISKEY.—Whiskey is dull and rather heavy. We have heard of no sales to-day, but we quote City at 22@22½ cts., and Ohio at 22¾ cts. per gallon.
