Monetary and Commercial Review.

BALTIMORE, October 30, 1861.

The business at the Stock Board to-day was quite light, but for almost everything on the list the market was tolerably firm. In Railroad shares there was no movement, but Baltimore and Ohio closed at $45 bid, $47 asked, and Northern Central at $18⅝ bid, $16⅞ asked, the figures for the latter stock being ¼ to ½ a dollar higher than on yesterday. Northern Central bonds also improved ¼, a sale of $2,000 1885's being made at 89⅝. Nothing was done in Baltimore and Ohio bonds, but these were firmer than on yesterday, 1862's closing at 48¾ bid, 52 asked; 1875's at 70⅜ bid; and 1885's at 66⅝ bid. Baltimore City 6's left off without sales at 80⅝ bid for 1875's; 81⅝ bid for 1862's; 83 bid, 83¾ asked for 1890's; and Maryland 1870 6's closed at 86 bid for coupons, and 86½ bid for inscribed. Bank stocks are very quiet, but they are steady. There was some little inquiry for the Mining stocks to-day, and sales were made at the Board of 100 shares Silver Valley at 15 cts. For Springfield $1.75 was bid, and $1.85 asked; Gardner Hill closed at 50 cts. bid, 75 cts. asked, Guilford at 30 cts. bid, 45 cts. asked, and Rudisell at 30 cts. bid, 75 cts. asked.

In New York to-day stocks were generally better. Virginia 6's advanced ½; Missouri 6's ⅝; Tennessees ⅝; No th Carolina 1⅜; Erie $1; New York Central ½; and Reading ⅜.

The New York *Herald* of this morning says:

The conflicting rumors regarding the sailing of the great expedition kept the street in a ferment to-day and checked business. Comparing the prices current at the close of business hours yesterday with those of the previous evening, we note an advance of ¼ in United States registered 6's, of 1 in Pacific Mail, of ½ in Panama, of ¼ in Michigan Southern, and of ½ in guaranteed; a decline of ¼ in Central, ½ in Erie, ¼ in Galena, ½ in Rock Island, ¼ in Illinois Central, and ¼ in Tennessees; and no change in Toledo, Burlington and Quincy, Missouris, United States coupon 6's, Erie preferred, &c., &c. The market is eminently one of expectancy, and it is not safe to look for any marked change until we receive military or naval intelligence of a decided character. After the second board there was a rally in prices in the street, and about ¼ advance on the above quotations was bid for Pacific Mail, Toledo, Erie, Michigan Southern, old, &c., the market being quite firm.

The money market is easy; all the money that is wanted can be borrowed at 6 per cent, though some borrowers continue to pay seven on loans effected a week ago.

We have to report another breakdown in the foreign exchange market. Most excellent bills were offered yesterday at 107¾, and some leading city bankers sold at 107¾. France were firmer. A leading drawer asked 5.28¾, and business was done at 5.31¼@33¾. It is expected that gold will arrive this week, which may impart more firmness to the market. Otherwise, bills will undoubtedly fall below 107 again.

The following is a comparative statement of the exports, exclusive of specie, from New York to foreign ports, for the week ending October 29 and since January 1:

	1859	1860.	1861.
For the week	$1,305,993	$2,168,781	$2,802,945
Previously reported	53,752,093	77,506,341	105,314,586
Since January 1	$55,058,086	79,675,122	107,655,531

Included in the above are about $700 000 worth of wheat and corn, sent to England, and about $815 000 worth of wheat and flour sent to France. We are sending some wheat to Portugal also Our shipments of provisions to Great Britain continue heavy. We notice a shipment of two hundred bales of cotton to Liverpool.

The banks paid into the Sub-Treasury to-day $3,500,000 on account of the second $35,000,000 loan.

The weekly statement of the Philadelphia banks, made up on Monday afternoon, presents the following aggregates as compared with those of the previous week:
