The New York *Herald* of yesterday says:

Stocks continue steady, the market being in suspense. Buyers are waiting for news from the fleet and from the army. At the Stock Board to-day there was not much change in prices. Pacific Mail sold at par—an advance of 2 per cent. Burlington and Quincy rose 1 per cent., with a general inquiry for the cash stock. Erie preferred rose ¾, and Michigan Southern ¾. Governments were firmer than last evening.

The New York *Post* of the 6th says:

The exports of produce from this port, for the week past, amounted to nearly three and a half millions of dollars—a value twice as great as for the corresponding weeks of the last two years. Among the exports were 84,102 barrels wheat flour; 145 barrels rye flour; 1,155 barrels corn meal; 987,798 bushels wheat; 54,610 bushels rye; 1,000 bushels peas; 4,750 bushels oats; 2,0.0 bushels barley; 253,137 bushels corn.

BALTIMORE MARKETS.

THURSDAY, November 7.

COFFEE.—Coffee is very quiet, and we are without sales to report to day. The market is however very firm in tone and holders generally are indisposed to sell except at very full rates. We quote Howard Street Super as closing to-day at $5.75, and Ohio do. at $5.62½ per bbl. for good brands, these figures being an advance on the closing quotations of yesterday. City Mills Super is still offering at $5 50 per bbl, but although there was some inquiry for it this morning we heard of no sales. RYE FLOUR AND CORN MEAL.—Rye Flour, which continues scarce, may be quoted at $4.25@4 50, but Corn Meal is dull and heavy at $3 per bbl. for both Baltimore and Brandywine.

GRAIN.—Wheat was in better supply to day than it has been for some days past, the receipts amounting to about 17,000 bushels. The market for it was however active and firm, and most of the lots offered were sold at 13.@138 cts. for good to prime red, 130@135 cts for common, 145.@150 cts. for fair do., 155@158 cts. for good do., and 160@165 cts. for prime and choice do. Of Rye there were some 750 bushels offered and a lot of 300 bushels Maryland sold at 66 cts., which is an advance. Oats sold to-day at 38@40 cts for Maryland, and 42@43 cts. for Pennsylvania. There were about 7,000 bushels at market, most of which changed hands at the above figures.

PROVISIONS.—There has been no movement of consequence for several days past in Provisions, and the market for them is heavy as well as dull. Bacon is selling in retail lots at 6¾@6 cts. for Shoulders, and 8¾@9 cts. for Sides, but Shoulders can be readily bought in round lots at 5¾ cts. and Sides at 6¾ cts. per lb. Hams range in price at from 8 to 11 cts. There is no Bulk Meat selling, but we quote Shoulders nominal at 5 cts., Sides at 5¾ cts., and Hams at 4¾@5 cts. Lard is steady at 8¾@9 cts. for City, and 9¾ cts. for Western, but we hear of no sales. SUGARS.—We are again without transactions to note in Sugars. The demand for them is quite limited, but the stock here is extremely light, and the market very firm in tone. We quote as follows, viz: Cuba at $8@8.25 for refining, and $8.50@9 for grocery grades: Porto Rico and New Orleans at $8.50@8.50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf; 10¾@11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

DOMESTIC MARKETS.

BOSTON, Nov. 5.—The market for Flour is dull, and prices rule in favor of the buyer. We quote common brands West-rn at $5 55@5 75; fancy brands at $6; extra $6 12¾@6 50; and $6 75@7 75 for superior. NEW YORK CATTLE MARKET, Nov 6.—There was a large falling off in the receipts of Beef Cattle this week, but the supply of sw was nevertheless ample, and the butchers were enabled to obtain full supplies, though they were compelled to pay an advance of half a cent per pound on all grades. The lower grades experienced a larger advance, being in small proportion. The average quality was very good, and the greater proportion of the stock was good, though there were comparatively few prime. LATEST NEWS.

TELEGRAMS.

FROM WASHINGTON.

Army Affairs.

WASHINGTON, Nov. 7.—An order has been prepared officially informing the army of the retiracy of Lieutenant-General Scott, and embodying his letter in which he states his reasons for this voluntary act.

The indications are that General Buel will be assigned to the command of the Department of the Cumberland, to relieve General Sherman, who will probably return to the army of the Potomac.

General Halleck has not as yet been assigned to a position. It is believed he will remain here to become thoroughly acquainted with the general plans of the Commander-in Chief, whose policy appears to be, while acting with a view to the good government and efficiency of the army, to render his appointments, changes and transfers entirely agreeable to those directly concerned in them.

Gen. Mitchell, who recently tendered his resignation, has arrived in Washington

Official News from Europe.

The news from Europe at the State Department is understood to be eminently satisfactory. Official despatches corroborate the impressions given by the telegraphic reports already published in the newspapers. Unofficial communications from loyal citizens of the United States residing in Paris and London, say, that in France Prince Napoleon has cast off all reserve, and declared that the insurrection cannot prevail, and other letters say that secession is dead in France, or, at least, that it gives no signs of life.

The New Swedish Embassador.

Count Piper, the new Minister Resident from Sweden and Norway, had his first audience of the Secretary of State to-day at the Department. It is officially communicated to the Government that the selection of this distinguished statesman, a lineal descendent of Count Piper, identified with the glorious history of his country in the period of Charles XII of Sweden, is designed as a special mark of respect and good-will on the part of Sweden toward the United States. It is not unlikely that the Government will make some suitable recognition of this action on the part of Sweden.

From the Upper Potomac.

A letter received to-night from Darnestown, says: "The latest reliable information from the Virginia side of the upper Potomac, induces the belief that the Confederates are strongly reinforcing their posts and fortifications at and around Winchester, as well as on their river frontier, fearing a simultaneous advance of Gen. Kelley from the direction of Romney, and Col. Geary from Sandy Hook. Some persons estimate the number of Confederates at Winchester as high as 15,000, while it is known their forces at the river posts are being increased daily. Recently they have resumed firing upon our pickets, but this mode of warfare has not yet proved very sanguinary nor successful to the assailants."

The letter further says: "During yesterday the Potomac river rose so high as to compel our pickets to forsake the towpath of the canal; so at pre ent there is no danger of either of the contending armies crossing in force."

From the South Side of the Potomac.

No important items of news have been received from the Virginia side of the Potomac for some days past. Professor Lowe has completed his contract for five balloons, to be used for observatory purposes.

A reconnoitering party from General Smith's division yesterday, when near Vienna, arrested Doctor Hunter, a Virginian in the Confederate army. He will be brought to Washington.

The Government has no information from Gen. Rosecrans' army of particular interest.

Washington Items.

William Moran, of Philadelphia, has been appointed Consul at Bayonne, France.

The Government Railroad Department has been in negotiation for some time with the several railroad Companies between Washington, New York, Boston and Buffalo, for a more expeditious arrangement of trains by which communication with different parts of the North will be more frequent and sure. The arrangements are nearly completed, awaiting only the final action of a convention to be held in Philadelphia, on Monday next.

The Post Office Department will be represented by Assistant Postmaster General McClellan, and the War Department by Thomas H. Canfield, Assistant General Manager of Railroads for the Government, Captain Moreley, the General Manager, has been compelled, on account of ill health, to ask leave of absence for a few days, during which time Mr. Canfield will discharge the duties of that office.

There have been no arrivals from the Lower Potomac to-day.

The name of the steamer Mount Vernon has been changed to Mount Washington, and that of the Powhatan to the King Philip, there being already a Mount Vernon and a Powhatan among the Federal steamers off the Southern coast.

Departure of Gen. Fremont from Springfield.

SPRINGFIELD, Nov. 5.—Gen. Fremont delayed his departure till the arrival of Gen. Hunter. He left on the 6th, but before doing so laid all his plans before Gen. Hunter. An effort was made to induce his remaining as a subordinate, but he refused.—Several of his staff have taken positions under Gen. Hunter. The scouts announce the slow approach of Ben McCulloch and Price, and a battle is imminent. All the Federal army is here except Gen. Hunter's Division.

ST. LOUIS, Nov. 6—It is rumored that the Government has suspended the order for the removal of Fremont for the present.

The Latest from Gen. Rosecrans

CINCINNATI, Nov. 7.—The *Commercial* has advices from Gen. Rosecrans' army up to Tuesday morning. Nothing definite had occurred. Gen. Benham's brigade was below, and supposed to have crossed the river on the previous night in a steamboat used there for transportation. The Confederates had possession of Cotton Hill, opposite Gauley river, which is a higher elevation than that of the position of the Federal troops.

Expedition Against the Confederates at Columbus, Kentucky--An Engagement in Progress.

CAIRO, Nov. 7.—The expedition which left here last evening, destination supposed to be Columbus, is having a warm time down the river. Heavy cannonading has been heard here for the last few hours, and we are expecting soon to hear of the capture of Columbus.

The Latest from Springfield, Mo.—The Army in Good Spirits—No Prospect of a Battle at Present.

ST. LOUIS, Nov. 7.—A letter from an officer of high rank in Springfield, dated on the 6th, says affairs there are quiet—that the army is in good spirits, and that no enemy is near. Gen. Hunter had no expectation of a battle at present.

A despatch from Gen. Fremont, dated Quincey, Nov. 6th, says he will be in St. Louis on Friday, accompanied by four hundred men.

The Naval Expedition.

NEW YORK, November 7.—The *Post* says that a gentleman of this city has received a private letter from Fortress Monroe, of the 5th, saying, "We have just received a second despatch from the great expedition. The Great Republic has grounded and lost some horses. Everything else is right. They wore off Bull's Bay." This statement is doubtful.

Southern Mail Items via Louisville.

LOUISVILLE, Nov. 7.—Late Southern papers say that the steamer Theodora has arrived at Savannah with a valuable cargo of coffee, ammunition, saltpetre, sulphur and small arms. The Theodora brought as passengers Mr. Mead, ex-Minister to Brazil, and Capt. S. J. Short, of the British navy, who has tendered his services to the Confederate Government.

Col. Tilghman has been appointed by the Confederates a Brigadier-General, and supersedes Gen. Alum in command at Hopkinsville. Ex-Senator Benjamin has been formally appointed Secretary of War.

The vote for President and Vice-President of the Confederate States, on the 6th instant, it was expected, would be small. It was thought that Davis and Stephens would encounter little opposition.

General Hardee has been promoted to a Major-Generalship. He and General Johnson were at Bowling Green on the 4th instant. Zollicoffer has fallen back to Cumberland Gap, and sent to Knoxville for reinforcements.

Western War Items.

KANSAS CITY, November 7.—A party of 120 Federalists have been made prisoners at Little Santa Fe, Missouri, by five hundred Confederates.

SPRINGFIELD, MO., Nov. 5.—General Hunter assumed command of the army yesterday, and issued an order stating that General Fremont had relinquished the command of the Department which had been assumed by him, and directing the officers commanding divisions and brigades to report to headquarters immediately.

FROM HALIFAX

Fatal Affray Between Sailors and Police.

HALIFAX, Nov. 6.—Two police officers, who went aboard the ship Shooting Star to serve a writ for the collection of a small amount of money, were attacked by the crew, and one of the officers was killed and the other was wounded. The crew immediately cut the cable which connected the vessel with the wharf and made sail, but being pursued by a steamer, they ran the ship ashore. All hands were subsequently captured on a schooner bound to Gloucester. Two women were with them. The name of the sailor who killed the officer is Burdell. He hails from New York.

FROM ST. THOMAS, W. I.

Confederate Commissioners for Europe En Route--A Philadelphia Bark Dismasted

NEW YORK, Nov. 6.—St. Thomas dates to the 25th ult. state that six Confederate Commissioners for Europe from Cuba had passed through there.

Four United States steamers are cruising in the Caribbean Sea It is stated that the reports of pirates being seen there were invented by British captains, to influence the rate of freight.

At St. Thomas, on the 25th, bark D. G. Wilson, from Philadelphia for Rio, dismasted.

The Wisconsin State Election.

MILWAUKIE, Nov. 6.—The State election yesterday was very quiet. The city and county give three thousand five hundred Democratic majority. The returns from the State so far indicate the election of Harvey, Republican, for Governor, and the whole Republican ticket by a large majority.

The report of General Fremont from the command of the Western Department causes much regret here, and is the chief topic of conversation.

Counterfeit Notes.

PHILADELPHIA, Nov. 7.—Fairly executed counterfeits on the "Farmers and Mechanic's Bank" of Philadelphia, in the way of $5 notes, were detected to-day. This is the most dangerous counterfeit issued for some time, and is believed to be in extensive circulation throughout the country. Parties have been arrested here while attempting to pass them. The only difference of the counterfeit from the genuine is that the letters in the name of the Bank are less regular and the figure on the side are shaded too deeply. The vignette is perfect.

Prairie Fire.

LEAVENWORTH, November 7.—A devastating prairie fire is sweeping over parts of Davy and Dickinson counties, and some loss of life is reported.

General Wool.

NEW YORK, November 7.—Governor Morgan and Senator Harris have sent a despatch to General Wool, asking him to delay his contemplated resignation, and continue in his present position.

CITY INTELLIGENCE.

ARREST OF BEVERLY C. SANDERS, ESQ.—In the hurry and confusion incident to the gathering and making up of election returns, we yesterday omitted to mention the names of a large number of gentlemen arrested on Wednesday. Among those was Mr. Beverly C. Sanders, one of the judges of election of the 1st precinct of the 11th ward, who whatever may be one of Provost Marshal Dodge's policemen, on a charge not stated, taken to the Middle district station house, and from thence before the Provost Marshal. He was finally released by that gentleman, but is still entirely ignorant of the charge preferred against him.

ATTACK ON A NEWSPAPER OFFICE.—The business office of the Baltimore *Republican*, on Baltimore street, near Gay, was attacked by a mob on Wednesday night, who broke the glass in the doors, tore down the gas fixtures, overturned the counter, strewed papers over the floor, and carried off some books. Deputy Marshal McPhail ordered the arrest of John Shaney, one of the ringleaders, who was committed to jail by Justice Hiss, to await a further examination. The office was guarded by a posse of policemen during the remainder of the night.

DISORDERLY PROCEEDINGS.—On Wednesday night the dwelling of Mrs. Glass, residing on Forrest street, was visited by a gang of ruffians, who acted in the most outrageous manner. The party broke the windows, the panels of the doors, and almost everything they could reach without entering the house, and only desisted from further outrages upon the approach of officers, attracted to the spot by their noise. The cause Mrs. Glass assigns for this treatment, is the fact that she has two sons in the Confederate army, and that their defenceless wives and helpless children were residing with her.

FATALLY STABBED.—On Wednesday night a Lieutenant of the 3d Maryland regiment had a difficulty with a private in company B, same regiment, which resulted in the officer drawing his sword and stabbing the private in the groin, of which he died. The officer was arrested and sent to Fort McHenry for examination. The names of the parties could not be ascertained. Coroner Gregstree held an inquest upon the body of the deceased.

HONORABLY DISCHARGED.—Joseph Walton, a colored man, was arrested yesterday morning near the Philadelphia depot, while burying a box. He was taken to the Eastern station house, where he stated that he had been employed by a female in Wick street, to bury the box. Upon the box being opened it was found to contain the body of a still-born child; and as the statement of the negro was corroborated, he was honorably discharged.

SUDDEN DEATH.—Mary McCafferty, a woman of dissolute habits, died suddenly yesterday morning at her residence, No. 7 China alley. She was about forty-eight years of age. Justice Showacre was informed of the fact, and held an inquest upon the body, the jury rendering a verdict of death from disease of the lungs superinduced by exposure.

REMAINS OF GENERAL BAKER.—The remains of General G. D. Baker, late Senator from Oregon, who was killed at the battle of Ball's Bluff, arrived in this city yesterday morning at half-past eight o'clock, in charge of a committee who will accompany them to New York en route for California. A special car was provided for their transportation from this city to Philadelphia.

ACCIDENT.—Peter McIntyre, a brakesman in the employ of the Northern Central Railway Company, had his right arm quite badly crushed, on Wednesday night, by having it caught between the bumpers of two cars which he was endeavoring to couple at the Bolton depot. It is so severely injured that amputation may be necessary.

BREAKING WINDOWS.—John Miller was yesterday before Justice Shoemaker upon the charge of breaking the windows of houses at the corners of Cross and Charles streets, occupied by Joseph Coffee, M. H. Muley and Henry Backhammer. He was fined $10 and costs in each case.

FIRE.—A spar shed in the shipyard of Mr. Henry Brewster, at Canton, was fired by an incendiary on Wednesday night and burned to the ground. A portion of the tools of the workmen were also destroyed. The loss is estimated at $1,000, on which there was an insurance of $200.

MEETING OF RETURN JUDGES.—The Return Judges of the election, which was held on Wednesday, will meet this morning in the Supervisors' room, for the purpose of making out the official returns of the ballots in the various wards of the city.

EUROPE.—Among the passengers who sailed from New York on Wednesday, in the steamship Africa, we notice the names of Mr. Katz, two children and nurse, and Mr. John Katz, of Baltimore, and Mr. J. Wetbered, of Maryland.

CHARGE OF TREASON.—Clinton James having been indicted for treason by the Grand Jury of the United States District Court at its late session, he was on Wednesday arrested by two Deputy United States Marshals and sent to Fort McHenry.

DISCHARGED.—Nearly all of the persons arrested by the police on election day were released in the evening and yesterday morning. With the exception of a few cases no charge whatever was preferred.

RETURN TO CAMP.—The members of the First Maryland regiment, Col. Kenly, who have been in this city for four or five days past, will return to camp this morning under command of Lieut. Col. Nathan T. Dushane.

FUNERAL OF A SOLDIER.—A private in Captain Cresger's cavalry regiment, named Martin, was buried yesterday afternoon with the honors of war. His death was the result of being choked with a piece of beefsteak on Wednesday morning last.

Amusements.

BALTIMORE MUSEUM.—*Frank Brower's Benefit.*—The friends of the inimitable Brower will doubtless be pleased to learn that he will be the recipient of a benefit to-night, at Kunkel's Opera House. Mr. Brower, as an actor, possesses many fine artistic qualities, which are advantageously displayed in conjunction with the excellent troupe now at the Museum. Besides, Mr. Brower has a large number of personal friends, being a native of Baltimore, and will certainly have a well-attended benefit. It is an axiom to careful observers that Kunkel's troupe is without a superior in America, and Frank Brower ranks among the oldest and ablest of Ethiopian comedians. *Norma* will be given to-night, with its brilliant effects. The dioramas will be produced, and a new act, with imitations of Edwin Forrest and Charlotte Cushman, be introduced by Brower. On Saturday afternoon there will be the usual day entertainment, at which Frank Brower will appear.

HOLLIDAY STREET THEATER.—A splendid bill is offered this evening at this highly fashionable place of amusement, for the benefit of Miss Lucille Western, consisting of the celebrated comedy, by Tom Taylor, entitled *Peg Woffington*, Miss Western sustaining the character of the good-hearted *Peg*. The musical burlet a of the *Swiss Swains*, and the funny farce of a *Devilish Good Joke*, with two beautiful dances by Miss Olivia, will conclude this gala entertainment, which cannot fail of attracting a crowded audience.

SANFORD'S OPERA TROUPE.—The entertainments given at the New Assembly Rooms by this admirable troupe continue to draw good houses. To those fond of this kind of amusement we know of no better place to spend an agreeable evening. The singing and dancing are both admirable, each member of the company vieing with the other in his endeavor to please the audience.
