Monetary and Commercial Review.

BALTIMORE, November 23, 1861

There was very little business done to day at the Stock Board, and the market for stocks generally was rather heavy. Railroad shares closed as on yesterday at $47 bid, $49½ asked for Baltimore and Ohio, and $16½ bid, $17 asked for Northern Central, but no sales were made. Northern Central bonds were lower, a sale of $1 000 1885's being made at the Board at 61, a decline of 1 per cent, and they closed at only 60 bid, 61 asked. Baltimore and Ohio extra-dividend bonds were offered to day at 99½, which is 1¾ per cent less than was asked for them yesterday, but for the other bonds of this road the market was steady, 1867's closing at 82½ bid; 1875's at 73¾ bid; 1885's at 70 bid, and 1885's at 68 bid, 72 asked. For Northwestern Virginia first mortgage bonds only 75 was bid, a decline of 2 per cent. on the price bid for them a day or two since. For Baltimore City 6's there was very little inquiry to-day and no sales were made. 1875's and 1886's were offered at 88, and 1890's at 80½. For Maryland 6's 91 was bid, and Missouri 6's, of which there were some lots offered, closed at 41½ bid, 43½ asked. Bank stocks or rather those of them that are considered desirable are in demand and firm, but those of them that are extremely dull and difficult of sale. Merchants' closed to-day at $88 bid, an advance of $1; Bank of Baltimore at $73 bid, $75 asked; Farmers' and Planters' at 222 bid; Mechanics' at 113¾ bid; Citizens' at 27½, but a sale of 3 shares Peoples' was made at $10, par value $25. For Baltimore Gas Co. $102 was bid, and $103 asked, but Baltimore Coal Co. closed at only $45 bid, $50 asked, and Canton Co at $10 bid, $11 asked. Springfield Mining closed at the Board at $1 75 bid, $1.80 asked, but after the Board a sale of 100 shares was made at $1.80.

The Boston *Courier* of Saturday says:

The share market was dull to-day, and the desire to sell strong—so much so that prices mostly declined, though only to a moderate extent, the transactions foot up large. The leading railroads drooped the most, but all classes of stocks were more or less influenced.

The New York *Herald* of Saturday says:

The stock market continues feverish and variable. At the opening to-day it was disposed to advance, and Pacific Mail and other speculative stocks rose 1@1½ per cent. After the first board, a demonstration was made, and sales of Erie were effected as low as 30, and Central 78⅞. But before the second board a rally took place, partly owing to the scarcity of stocks, which caused a reaction of ⅛@¼ per cent. At the second board this advance was mostly lost, and the market closed dull. Government 6's fell off ½ per cent, and Missouris as much. Erie was pressed for sale and closed at a decline of ⅛ from yesterday. The Western touched the lowest points of yesterday.

The New York *Times* says:

The downward course of the stock exchange continued through the dealings to-day, and the additional fall on New York Central and Erie, and the Western stocks, as compared with yesterday's sales, is equal to 1@1¼ per cent. The foreign exchanges were firmer for Saturday's steamer than for the Persia on Wednesday. The principal sales of bankers' bills and settlements of bankers' credits were at 108½ per cent, the market closing 108⅝@108¾ per cent. Merchant bills were firm in proportion—107⅞@108¼ per cent.

The Washington correspondent of the New York *Tribune* telegraphs as follows:

The issue of the demand notes has reached about $18,000,000. The re-sales of 7.30 notes to the public has absorbed within a few millions of the first fifty millions taken by the banks. The expenditure for the public service averages more than a million and a half a day.

The New York *Post* of Saturday afternoon says:

Stocks took another downward surge to-day. On the commencement of business there was renewed pressure to sell the railroad shares, but on the Western stocks the process of selling out weak holders seemed to exhaust itself, and prices closed decidedly better. The government list exhibits a good degree of steadiness, though the transactions are light, only a few lots of $2,000 or $3,000 changing hands at each session of the Board. The 6's of 1881 are ¼@½ per cent. lower, while the 5's of 1871 and 1874 are steady at 84@84½. State stocks have been quiet and no large amounts are offering. Missouris sold at 42¾, but were rather better afterwards. North Carolinas were in demand at 59½.

BALTIMORE MARKETS.

SATURDAY, November 23

COFFEE.—There has been quite an active movement to day in Coffee, the sales adding up about 1,250 bags. The sales include 200 bags Rio at 15 cts. net, 250 bags do. at 15¾ cts. net, and 800 bags do. 60d. of which were to go to Philadelphia, at 16 cts. less 3 per cent. The feeling in the market is very strong and there is no disposition among holders to sell except at very full rates. We still quote as follows, viz: Rio at 14½@15 cts. for ordinary; 15¾@16¾ cts. for fair to prime; Laguayra at 17¾@18 cts; and Java at 21@22 cts. per lb. The stock of Rio here is about 17,030 bags

FLOUR.—There was but little inquiry for Flour this morning, and so far as we could learn no sales were made. The market however exhibited the same general features as yesterday, Superfine closing steady at $5.62½@5.75 for Howard Street, the latter figure being for choice retailing brands; $5.50@5.62½ for Ohio; $5.37½@5.50 for City Mills; and Extra at $6 for good brands Ohio; $6@6.25 for Howard Street; and $6.37½@6.50 per bbl. for standard brands City Mills.

FAMILY FLOUR.—Family Flour is selling by the drayload to the trade at $8.25 for the best brands Baltimore, $6.50@7 for Ohio and Howard Street, and Baltimore high grade Extra is bringing $7.75 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is firm at $4.87½@4.50 per bbl. There is some demand for Corn Meal, but there is none here. We quote it nominal at $3.25@3.25 per bbl. for both Baltimore and Brandywine.

GRAIN.—There was a good supply of Wheat at market to-day the offerings reaching about 23,000 bushels, but the market for it was rather dull, and for red, and for qualities of white prices were lower. Choice white which is scarce brought however former prices. The sales were made at from 125 to 134 cts. for fair to strictly prime red, 131@120 cts for common white, 140@145 cts. for good fair do, 145@150 cts. for good to prime do., and 165@170 cts. for choice lots do. The offerings of Corn were larger than they have been for a long time past, the receipts being nearly 18,000 bushels. New sold at 58@60 cts. for both white and yellow, but old white brought 70@72 cts., and old yellow 64@65 cts. per bushel. There were some 200 bushels Rye offered but no sales were reported. Oats were in good demand and rather firmer than on yesterday, the receipts, about 7,000 bushels, being mostly sold at 40@43 cts for Maryland, and 42@44 cts. per bushel for Pennsylvania.

MOLASSES.—There is nothing doing in Molasses, there being little or no stock here to operate in, but we still quote as follows, viz: Cuba at 28@33 cts for clayed; and 33@35 cts. for Muscovado; Porto Rico at 35@45 cts; and New Orleans at 50@56 cts. per gallon.

PROVISIONS.—The General Government are making some considerable purchases of Provisions for the use of the army, but from other quarters the demand is extremely limited, and we hear of no transactions worth noting to-day. Mess Pork is very irregular in price, the range being from $13 to $14.50 per bbl. Prime and Rump do. may be quoted at $10.50@11 per bbl. Bacon, of which there are some sales making by the jobbers, may be quoted at 5¾@5¾ cts. for Shoulders, 6¾@6¾ cts. for Sides, and 8@10 cts. for Hams. There is little or no Bulk Meat here, and we can give no quotations for it. Lard is steady at 8¾@9 cts. for City, and 9¾ cts. for Western, but we hear of no sales. Beef is steady and firm at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—There is no Rice here in first hands, but there is little or no inquiry for it. It is selling in New York at 7@7¼ cts. per lb.

SALT.—Liverpool Salt is selling in lots as wanted at 110@115 cts. for Ground Alum, and 165@170 cts. per sack for Marshall's, Worthington's and Jeffrey & Tracy's fine, and we quote Turks Island do. at 25 cts. per bushel from store.

SEEDS.—Cloverseed is selling at $4.50@4.75 per bushel, but there is very little arriving, and the transactions in it are quite limited. Timothy Seed may be quoted at $2.12½@2.25 per bushel. Flaxseed is bringing $1.60@1.70 per bushel.

SUGARS.—There is but little doing in Sugars the only sale we have heard of to day being one of 20 hhds. Cuba at $5.20 net cash. The market is however very firm in tone, and holders are generally looking for a further advance in prices. We still quote as follows, viz: Cuba at $5@5.25 for refining, and $5.50@9 for grocery grades; Porto Rico and New Orleans at $5.50@9.50; and current qualities of Manilla and Pernambuco at $5@5.25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¼@11½ cts. for loaf, 10¾@11¼ cts. for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

WHISKEY.—Whiskey continues dull. We hear of no sales to-day but we continue to quote it at 21 cts. for country and City, and 21@21½ cts. for Ohio.

DOMESTIC MARKETS.

OSWEGO, Nov. 22.—Flour steady. Wheat lower;—sales 3 900 bushels No. 2 Chicago spring at 98@98½ cts. Corn, Barley and Rye steady. Peas in moderate demand —sales 1,000 bushels Canada at 61 cts., and 1,000 bushels on private terms.

Sales of 1,500 bushels Rye, in car lots, at 64 cts., delivered. Oats a shade weaker, with little doing—sales of 10,000 bushels State, afloat, at 46¾@47 cts.

BUFFALO, Nov. 22—Flour steady. Wheat opened dull and heavy, but closed firm and in fair demand—sales 11,000 bushels Chicago spring at 99 cts; 35 bushels Canada club at 91½ cts; 125 bushels Milwaukie club at 92 cts; 10,000 bushels do. at 93 cts; 25 bushels white Canada at $1.15. Corn quiet—sales 10,000 bushels at 38½ cts.

PHILADELPHIA, Nov. 22.—Flour dull—sales 1,000 superfine at $5.50@5.62½. Wheat firm—sales 5,000 bushels red at $1.35@1.36, white, $1.45. Oats 40@41 cts. Mess pork, $14@14 50. Lard, 9 cts. Coffee, Rio, 15¾@16 cts. Whiskey, dull.

NEW YORK, November 23.—Flour, &c—The inquiry for western canal flour is not so active and the market is heavy; the unpleasant weather and large receipts giving buyers the advantage. The better grades are dull and heavy. The sales are 9,000 bbls. at $5 40@5 50 for superfine state and western; $5 60@5 65 for extra state; $5.75@5 90 for fancy do; $5.65@5.85 for the low grades of western extra; $5 85@5 90 for shipping brands of round hoop extra Ohio, and $6@6.75 for trade brands do. Canadian flour is in limited request—the arrivals are fair, and at the close prices are rather in the buyers favor. Sales of 650 bbls. at $5 65@6 75 for extra. Southern flour is in better demand but at lower prices; the supply of common brands is large, and for these lower rates have been taken. Sales of 1,200 bbls. at $5.70@6.25 for mixed to good superfine Baltimore, &c., and $6 30@7 for extra and $8@8.25 for family extras. Rye flour and corn meal are steady. Buckwheat flour is selling at $1.90@2 per 100 lbs. Grain—the wheat market is fairly active and closes rather better for good spring, but heavy for common white; the inquiry is chiefly for export. The sales are 220,000 bushels part to arrive, at $1.23@1.25 for Chicago spring; $1 27@1.28 for northwestern club and Racine spring; $1.28@1 29½ for Milwaukie club; $1.30@1 31 for amber Iowa and Green Bay—the latter an extreme rate, obtainable for lots to arrive. Corn is in good demand for that in store, and this is held firmly, but cargoes afloat are dull and lower. The sales are 100,000 bushels at 63@63½ cts. for eastern mixed; 64@65 cts. for shipping do; 66 cts. for do. in store; 68 cts. for western yellow, and 56 cts. for damaged. Provisions—the market for pork is heavy and dull; sales of 575 bbls mess at $12 50@13; prime $8.50@9. Beef is firm, and prime mess and India are more active; sales of 200 bbls. at $11.25@12 for repacked mess, and $13@13.50 for extra western; 500 tcs. India at $21, and 100 tcs. prime mess at $18.50. Bacon is firm; sales of 500 boxes, mostly short ribbed middles, at 5 cts. for city. Coffee—the market for all descriptions was very active yesterday afternoon, and there was an improvement in prices on Rio about ½ ct. The sales were 1,300 bags re-sales of Rio at 15¾@16½ cts., and 500 bags for export at 13 cts. cash, in bond. Cotton—the sales yesterday footed up some 3,000 bales.

BOSTON, November 22.—The demand for Flour is very dull, and prices are easing off—the sales have been limited at $5.50 for common brands Western; fancy brands at $5.75@5.87½, extra $5.87½@6, and $6.25@7 75 for superior, including choice St. Louis; in Southern Flour little has been done—we quote choice brands Baltimore at $7 50@8.75 per bbl. In Corn there is very little doing, and the sales have been confined to small lots at 68 cts. for Western mixed, and 70@72 cts. for Western yellow. Oats are in fair demand at 47@48 cts. per bushel for Western and Canada; Prince Edward Island at 40@42 cts per bushel. Rye has been selling in small lots at 80 cts per bushel. Shorts have been selling at $15@16 per ton; and Fine Feed and Middlings at $17@24 per ton, as to quality.

BOSTON HOOP AND STAVE MARKET, Nov. 20.—The shipments by railroad continue to show a fair amount of business for the season and prove that the trade are in the receipt of a reasonable number of orders. Large quantities of army goods are constantly going forward to New York, leading to an accumulation of shoes and cavalry boots in the Government depot there. The contractors are beginning to complain at the non-of the non-payment of their dues. The request for Government work begins to slacken, and the consequence is already visible in prices of stock as well as in the bearing of the journeymen in the shoe towns, who for the past three months have been the most independent class of our citizens.—Among the shipments for the week are 309 cases per ship Juniata for San Francisco.—*Shoe and Leather Reporter.*

TREGO'S
CEREAL AND PLANT FOOD
AND
RUST PREVENTIVE,
TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
V. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that compose CEREAL and PLANT FOOD. It hastens, by ten or twelve days, the maturity of the Plant and Grain, and specially adapted to crops requiring an early and vigorous start to bring them to perfection. For late seeding (especially upon Corn grounds) where the soil plant food has been rapidly removed by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We subjoin the following results of the use of the "Plant Food."

FORT PENN, Del., Sept. 7, 1861.

Messrs TREGO & SON, Baltimore—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) my product of both grain and straw. There was no doubt, about that. No marks nor stakes were required at any period, the dark green color, the *shooting* of the grain, giving the appearance of forcing the number of plants from the same number of seed; the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the PLANTS there had room, of which the others were denied it. No other reason could possibly be assigned, as the crop was sown on a harrow in *fine* the manure was spread as a top dressing.

Yours respectfully, DAVID STEWART,
Professor of Agricultural Chemistry,
St. John's College,

NORTH EAST, Md., Sept. 5, 1861.

Messrs. WM. TREGO & SON, Baltimore.

I applied the "PLANT FOOD" at the rate of one to two hundred lbs per acre on Oats ground last spring and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the corn started and has kept far ahead of that on the field it was planted with and received no other manure.

Yours respectfully, RUSSELL THOMAS.

The PLANT FOOD is put up in substantial bags of 100 lbs. each.
