Monetary and Commercial Statistics.

BALTIMORE, November 25, 1861.

The Stock operations were light again to-day, but the market generally was rather firmer in tone than on Saturday. For Baltimore and Ohio Railroad $18¾ was bid, an advance of $1¼ on the price bid on Saturday, and 150 asked, but Northern Central was a shade lower, the market for it closing at $16¼ bid, $16¾ asked regular way.—Northern Central bonds were 1 per cent better than on Saturday, $4,000 1885's being sold at 62, and they closed at 61¾ bid, 62 asked. Baltimore and Ohio bonds closed without sales at 82¾ bid for 1867's; 73½ bid for 1875's; 48¾ bid, 49¼ asked for 1862's, the extra dividend bonds; and Northwestern Virginia bonds left off at 76½ bid, 79 asked for first mortgage; and 62 bid for second mortgage. For City 6's there was some inquiry, and sales were made of $1,200 1875's at 88, and $2,600 1890's at the same figure; for 1886's 87¾ was bid, and 87¾ asked, and 1890's closed at 88 bid, 88¾ asked. Maryland 6's were firm, 1870's closing without sales at 91 bid. Bank stocks were inquired for, but there were very few offering and no sales were made. For Baltimore Gas Co. $102 was bid, and $106 asked again to day.

At the first board at New York to day stocks generally were steady at Saturday's rates, but at the second board the market was heavy and Missouri 6's declined ¾; Erie ¾; New York Central ¾; and Reading ¾.

The *Herald* says:

The aggregate imports for the week which ended yesterday were rather more than half those of the corresponding week last year, and rather more than one-third those of the corresponding week of the year 1859. The exports fell but a trifle short of four millions of dollars, and were, in fact, the heaviest of any week on record. Exclusive of specie, we sent abroad considerably more than twice as much as we received from foreign countries. Under the circumstances, it may fairly be presumed that New York is a type of the whole country, and that we are shipping to foreign countries considerably more than we are receiving from them. This should not prevent Congress adopting still higher rates of duty on such foreign products as can be produced here or dispensed with altogether.

The Cincinnati *Gazette* of Saturday says of money matters in that city:

Inactivity continues to characterize the money markets. The demand for loans is very moderate. The York business is so late in commencing that no paper connected with that trade has been made yet. The leading grocery merchants are, in the main, lenders rather than borrowers. The heavy importing houses, who usually make arrangements at this period of the season to transfer funds to New Orleans for the purchase of sugar and molasses, are doing nothing in this line, and their money remains here to swell the aggregate of available capital.

BALTIMORE MARKETS.

MONDAY, November 25.

COFFEE.—There was quite an active movement in Coffee on Saturday, but to day nothing has been done in it so far as we have heard. There is however still a demand for it, but holders are asking advanced rates, and there is no disposition to press sales even at the advance. We quote to-day as follows, viz: Rio at 15@15½ cts. for ordinary to fair; 16@16½ cts. for good; and 17 cts. for prime; Laguyra at 17¾@18¾ cts.; and Java at 21@22 cts. per lb. The stock of Rio here is about 17,000 bags

FLOUR.—The Flour market was quiet again this morning, no sales being made on 'Change so far as we could learn. The market however exhibited the same general features as on Saturday. Super closing steady at $5 62½@5.75 for Howard Street, the latter figure being for choice retailing brands: $5.50@5 62½ for Ohio; $5.87½@6.50 for City Mills; and Extra at $6 for good brands Ohio; $6@6 25 for Howard Street; and $6 37½@6.50 per bbl. for standard brands City Mills.

FAMILY FLOUR.—Family Flour is selling by the drayload to the trade at $6 25 for the best brands Baltimore, $6 50@7 for Ohio and Howard Street, and Baltimore high grade Extra is bringing $7 75 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is firm at $4 87½@4 50 per bbl. There is some demand for Corn Meal, but there is none here. We quote it nominal at $3.20@3 25 per bbl. for both Baltimore and Brandywine

GRAIN.—There was a large supply of Grain at market to-day, the receipts embracing some 30,000 bushels Wheat, 20,000 bushels Corn, 1,500 bushels Rye, and 12,600 bushels Oats, making a total of 63,500 bushels. For Wheat there was a fair inquiry, but the demand was not specially active and prices were rather irregular. Red sold at 110@115 cts. for common, 120@125 cts. for fair to prime, and white at 110@115 cts. for common, 125@140 cts. for medium to fair, 150@155 cts. for good, and 160@165 cts for prime and choice lots. For Corn the demand was tolerably active, but for old only white prices were lower. White sold at from 27 to 65 cts. for new, 68@70 cts. for old, and yellow at 58@60 cts. for new, and 63@64 cts for old.* Oats were active and quite firm, most of the lots received having changed hands at from 39 to 43 cts. for Maryland, and 43@45 cts. for Pennsylvania. Rye sold at 65 cts. for Maryland, and we quote Pennsylvania at 75 cts. per bushel.

MOLASSES.—There is nothing doing in Molasses, there being little or no stock here to operate in, but we still quote as follows, viz: Cuba at 28@33 cts. for clayed; and 33@35 cts. for Muscovado; Porto Rico at 35@45 cts; and New Orleans at 50@55 cts. per gallon.

PROVISIONS.—We hear of no transactions worth noting to-day in Provisions, there being very little demand for them except from the General Government. Mess Pork is still very irregular in price, the range being from $13 to $14.50 per bbl. A lot of Western Mess was we understand sold on Saturday to the Government at $14. Prime do. may be quoted at $11@12, and Rump do. at $10@11 per bbl. Bacon is lower and we now quote Shoulders at 5@5¼ cts., and Sides at 6@6¾ cts. per lb. A considerable lot of Sides was we learn sold on Saturday to go out of the market at 6 cts. Hams are still quoted at 8@10 cts. per lb. There is little or no Bulk Meat here, and we can give no quotations for it. Lard is steady at 8¾@9 cts. for City, and 9¾ cts. for Western, but we hear of no sales. Beef is steady and firm at $13 for Baltimore No. 1, and $15 per bbl. for do. Mess.

RICE.—There is no Rice here in first hands, but there is little or no inquiry for it. It is selling in New York at 7@7¼ cts. per lb.

SALT.—Liverpool Salt is selling in lots as wanted at 110@115 cts. for Ground Alum, and 165@170 cts. per sack for Marshall's, Worthington's and Jeffrey & Darcy's fine, and we quote Turks Island do. at 25 cts. per bushel from store.

SEEDS.—Cloverseed is selling at $4 50@4.75 per bushel, but there is very little arriving, and the transactions in it are quite limited. Timothy Seed may be quoted at $2.12½@2 25 per bushel. Flaxseed is bringing $1.60@1.70 per bushel.

SUGARS.—There are no Sugars selling, but there are none offering at present, holders generally being under the impression that the duty on Sugars will be further increased, and that prices will go up again in consequence. We how ever still quote as follows, viz: Cuba at 8¾@8.25 for refining, and 8¾@9 for grocery grades; Porto Rico and New Orleans at $8.50@9.50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—The quotations for Refined Sugars are still as follows, viz: 11¾@11¾ cts. for loaf; 10¾@11 cts for crushed, powdered and granulated; 10¾@10¾ cts for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

WHISKEY.—Whiskey continues dull at our previous quotations, viz: 21 cts. for Country and City, and 21@21¾ cts. for Ohio.

MARKETS BY TELEGRAPH.

NEW YORK, November 25.—Cotton is firm—Sales of 1,600 bales at 24¾@25 cts. Flour is firm—sales of 22,000 bbls. Wheat has a declining tendency—sales of 34,000 bushels; Chicago spring $1 29@1 25; Milwaukie club $1.26@1.28; red $1.31@1.37; white $1.39@1.40 Corn is decidedly lower—sales of 133,000 bushels; mixed 63½@65½ cts. It hastens, by ten to twelve days, the maturity of the Plant and Grain, and specially adapted to crops requiring an early and vigorous start to bring them to perfection. For late seeding especially upon Corn grounds; where the soil plant food has been rapidly removed by the previous crop. It SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food."

FORT PENN, Pa., Sept. 7, 1861.

Messrs THEGO & SON, Baltimore—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) the product of both grain and straw. There was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *standing* of the grain, giving the *appearance* of DOUBLE the number of plants from the same number of seed; the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the PLANTS there had room, of which the soil plants where was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* the manure was spread as a top dressing.

Yours respectfully,
DAVID STEWART,
Professor of Agricultural Chemistry,
St. John's College.

NORTH EAST, Md., Sept. 5, 1861.

Messrs. WM. THEGO & SON, Baltimore:

I applied the "PLANT FOOD" at the rate of one to two hundred lbs per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the corn started and has kept far ahead of that on the side of it, which was manured with ashes in the hill.

From the little experience I have had with it, I think it preferable to Guano or Bones—and shall so recommend it.

Yours respectfully,
RUSSELL THOMAS.

☞ The PLANT FOOD is put up in substantial bags of 100 lbs. each.
