CITY INTELLIGENCE.

THANKSGIVING DAY.—From time immemorial it has been the habit of the Governor of Maryland, in common with the ex-cutive of other States, to set apart one day in each year for religious services, especially to acknowledge the goodness of God, either in any remarkable deliverance from calamities or danger, or in the ordinary dispensation of His bounties. The practice, as is well known, originated in New England, where the day has been observed as one of family re-unions and of feasting rather than of fasting; though religious services have never been entirely dispensed with. In accordance with this custom Governor Hicks has appointed to-morrow to be observed as a day of Thanksgiving and Prayer throughout this State. The day will no doubt be observed by a cessation of business, but there does not seem to be a general disposition among the people of this city to conform to all the suggestions of the Governor's proclamation. Some of the churches will be open for service, but their pastors will be absent; while other churches will not be opened at all. Some citizens will go to church, whilst others will studiously avoid anything like a religious observance of the day. But with all this difference of opinion—the natural result of the present condition of national affairs—the poor will not be forgotten. On Thanksgiving night a concert will be given at the Maryland Institute, under the auspices of Libis Lodge, No. 48, I. O. O. F., the proceeds of which will be devoted to the poor of the city. The "Home of the Friendless" will be open to visitors during the day, in order that the hearts of the little inmates may be cheered by a Thanksgiving contribution. The soldiers in the various hospitals will be provided with a dinner of delicacies—such an one as seldom falls to the lot of a soldier.

JOURNEYMEN TAILORS ON A STRIKE.—Considerable excitement was created yesterday afternoon by the appearance upon the streets of a large procession of Germans, composing the Tailors' Association of Baltimore. The occasion of their parade was to demonstrate to the wholesale clothing manufacturers of this city the number of men who had been working, for some time past, for wages barely sufficient to buy plain dry bread for their families. Notwithstanding the fact that there has recently been an extensive clothing business done in this city, these journeymen have been compelled to work for wages one hundred and fifty per cent. less than the standard prices. A meeting of the Association was held on Monday night at Turner Hall, corner of Little Front and Lombard streets, at which it was resolved to strike for higher wages. The demonstration had the desired effect, and the workmen will at once set in at higher prices. The procession, which numbered between five and six hundred members of the Association, of which Mr. B. Zalsuf is President, was accompanied by Schraiber's band. It started from Turner Hall, about two o'clock, under the marshalship of Mr. John Schubert, and passed over the following route:—Up High street to Baltimore, to Hanover, to Pratt, to Marsh Market space, to Harrison, to Gay, to Eager, to Canal, to Orleans, to Caroline, to Baltimore, to Broadway, to Pratt, and returned to the Hall.

FLAG PRESENTATION.—Yesterday morning the ladies living in the locality of Ann and Bank streets presented a flag to Company B, Capt. Wetchby, 1st cavalry regiment of Maryland. Contributions for the purchase of the flag were made exclusively by the German ladies of the vicinity, and at the presentation, they were represented by Mrs. Henry Stuhmann, Sergeant Schafhausen, on the part of the company, received the flag, and after the ceremonies the Company was addressed by Rev. Mr. Brigman. Many of the soldiers were presented with bouquets and wreaths of flowers.

CHARGED WITH THEFT.—About twelve o'clock on Monday night a woman named Matilda Stewart was arrested on the complaint of a man named Bernard Dularas, who charged her with robbing him of a gold watch. Dularas stated that she enticed him into a house of ill repute on the Causeway, where he lost his watch. There was no evidence to show that the girl was the thief, and she was accordingly discharged.

RUMORED DEATH OF A WELL-KNOWN BALTIMOREAN.—By the Fortress Monroe boat yesterday morning, a rumor reached the city that Col. Grafton D. Spurrier, late a banker in this city, had died of typhoid fever in Richmond, on Saturday last. The rumor was prevalent at Norfolk on Monday, and if true, may be confirmed by the boat this morning.

VAGRANTS AND THIEVES.—Yesterday afternoon two men, named Samuel Wheat and John Ashton, were arrested on the charge of being thieves and vagrants, and taken to the Eastern district police station, where they were confined until the evening, when Justice Spicer committed them to jail on the charge of vagrancy, they having no visible means of support.

TESTIMONIALS.—The Deputies under Mr. George H. Dalton, whose term of office as Sheriff of Baltimore city is about to expire, have presented to him one dozen forks, a pair of butter knives, and a revolving butter dish, inlaid with gold. The articles are of solid silver and were manufactured to order.

CHANGED OWNERS.—The ship Energie, Captain Schmidt, of Bremen, arrived at this port yesterday from Amsterdam. This vessel was formerly the Falmouth, of Baltimore, but has recently changed both her owners and her flag, having been purchased by an enterprising firm in Bremen.

A VIOLENT FATHER.—Yesterday morning a man named John Crow, living on Fells Point, was arrested on the charge of cruelly assaulting and beating his daughter, a young girl about fourteen years of age. Justice Spicer committed him to jail for Court.

ANNIVERSARY.—The seventh anniversary meeting of the "Home of the Friendless" will be held in the Westminster Presbyterian Church, Fayette street, near Paca, on Monday evening, the 24 of December; Rev. Dr. Gurley, of Washington, will deliver the annual address.

MAGISTRATES FOR THE POLICE STATIONS.—Provost Marshal Dodge has appointed John McGowan to act as Justice of the Peace at the Western police station, vice Joseph T. Logan. At the Southern station Justice Showacre is retained.

Amusements.

THE OCTOROON.—This great drama, by the celebrated Bourcicault, has been produced at the Holliday Street Theatre in a magnificent manner, and is destined to have a long and successful career. On each night of its representation it has been witnessed by crowded and fashionable audiences. It is highly interesting and will well repay a visit to the theatre. A grand afternoon performance is announced for to-morrow, Thanksgiving Day, when the *Octoroon* will be performed.

BALTIMORE MUSEUM.—The success of Kunkel's troupe is unparalleled in the history of minstrel companies. They have now appeared for twelve consecutive weeks to crowded audiences. The company is the largest and most versatile in the country, without an exception. The excitement attending the distribution of the gifts each night is great, and of itself worth the charge of admission. On Thursday (Thanksgiving) afternoon, there will be a day performance at three o'clock, when gifts will be dispensed to the ladies and children. The charge of admission for children will be ten cents. A superior article of dress patterns will be given to the ladies this evening, and an appropriate present will be made to the gentlemen.

FRONT STREET THEATRE—*Grand Combination Performance.*—We are confident the public will be delighted to know that this spacious, popular and beautiful theatre, will be opened on Thursday (Thanksgiving day) night, by a combination of male and female dramatic artistes, from the principle theatres of New York and Philadelphia, the Washington theatre, and several popular actors of our own city. Among the last named, we can enumerate Messrs. Owens, Glenn and Baker. We also believe the popular tragedi-nne, Mrs. W. C. Gladstane, will be in this special company. The entertainment will be mammoth in its proportions, chaste in its style, and highly amusing throughout. It will be made up of comedy, farce, burletta, singing, comic and fancy dancing, and will conclude with a grand operatic diversion. Seats can be secured only between the hours of nine and four o'clock on Thursday.

CHRISTY'S MINSTRELS.—It will be seen by advertisement that this famous Band of Minstrels will give two concerts at the Maryland Institute, the first of which will take place on Friday evening. The character of the entertainment will, no doubt, be commensurate with their world-wide fame.

TARGO'S
CEREAL AND PLANT FOOD
AND
RUST PREVENTIVE,
TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
V. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that compose CEREAL and PLANT FOOD. It hastens, by ten to twelve days, the maturity of the Plant and Grain, and especially adapted to crops requiring an early and vigorous start to bring them to perfection. For late seeding (especially upon Corn grounds) where the soil plant food has been rapidly removed by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food:"

FORT PANN, Del., Sept. 7, 1861.
Messrs TARGO & SON, Baltimore—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think trebled (as the weights will prove) my product of both grain and straw, there was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *standing* of the grain, giving the *appearance* of nearly the number of plants from the same number of seed, the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the PLANTS there had room, of which the soil etc., where was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* the manure was spread as a top dressing.
Yours respectfully, DAVID STEWART,
Professor of Agricultural Chemistry,
St. John's College.

NORTH EAST, Md., Sept. 5, 1861.
Messrs. WM. TARGO & SON, Baltimore:
I applied the "PLANT FOOD" at the rate of one to two hundred lbs per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, then corn started and has kept far ahead of that on the side of it, which was manured with ashes in the hill.
From the little experience I have had with it, I think it preferable to Guano or Bones—and shall so recommend it.
Yours respectfully, RUSSELL THOMAS.
☞ The PLANT FOOD is put up in substantial bags of 120 lbs. each. s11-tf
