BOARD OF TRADE.

Committee of Arbitration for month of November

JNO. M. OREM, J. R. CONWAY, | WM. H. BRUNE, A. R. FENTON, ALEX. P. WOODS.

Monetary and Commercial Review.

BALTIMORE, December 4, 1861.

There was a larger business done at the Stock Board to day than for several days past, but the market generally was rather heavy, and in City 6's there was a decline of 1¼ per cent. Sales were made at the opening of $100 each of 1875's and 189's at 87¼, but subsequently there were sales of $1,000 1886's at 86, and $14,000 1890's also at 86, and 1895's closed at 85 bid, 86 asked. Northern Central bonds also declined ¼, a sale of $1,000 1885's being made at 59¾. This figure was however bid for more at the close. Baltimore and Ohio extra dividend closed today at only 47 bid, 47¼ asked, these figures being a decline of 1¼ to 1½ per cent on the previous quotations for them. The other bonds of this road were however pretty firm, 1867's closing at 82¾ bid; 1875's at 72½ bid; and 1885's at 65¾ bid, 70 asked. Northwestern Virginia bonds were firmer than on yesterday, 77 being bid for first mortgage, an advance of 1 per cent. In Railroad shares there was nothing done, but they closed as on yesterday at $48 bid, $50 asked for Baltimore and Ohio, and $17 bid, $17¼ asked for Northern Central. Bank stocks were in demand, and for the more desirable ones the market is firm with an upward tendency. Sales were made of 100 shares Citizens' at $8, which is an advance of ¼, and 50 shares Farmers and Planters' at $22¾, an advance of ¼. Merchants' was $1 better, $59 being bid for it at the Board. There was however none offering. For the Mining stocks there was some little demand, and sales were made of 200 shares Springfield at $1.75.

The National Fire Insurance Company of Baltimore has declared a dividend of seven per cent., four per cent. of which will be paid to the stockholders on the 16 inst., and three per cent. will be added to the contingent fund. Both City and State taxes have been paid by the Company.

In New York to-day Virginia 6's advanced 1 per cent; Missouris ¾; Erie ¼; Reading ¼; and Treasury Notes ¼; but Tennessees declined ¾; Canton ¼; and New York Central ¼. North Carolinas closed at 60, yesterday's price.

The New York *Times* of yesterday says:

The market for exchange for the steamer Asia to morrow morning closes unusually quiet. The mail is probably a light one, as we hear to day of no considerable transactions in bankers' bills. The rate on London is 108¾@ 109 per cent, the same as on Saturday, while on Paris the figures are rather easier, say 5f 2½@5f 17½ to the dollar. There is a fair offering of merchant bills on British points this week, the export clearances of domestic produce being again heavy, although for only five business days, instead of six, and with some bad shipping weather intervening.

The New York *Herald* of yesterday says:

At the opening to-day the stock market was dull, operators generally seeming anxious to get the President's message before they moved. On the strength of the difficulties the bears put out their options with some freedom, and marked down the price of Central ¾, Erie ¾, and the Western shares in proportion. After the board, however, the low quotations ruling seem to have tempted the public, and a large amount of outside orders were sent to the commission houses. The fulfilment of these left a general rally in the market, and prices rallied 1 @1½ per cent, all round, the market closing steady. The tone of the President's message, and the general aspect of political affairs, are not calculated to encourage short sales; any day may witness a recovery of public confidence, in which event it would be impossible for the bears to cover their present heavy interest without causing a substantial advance.

BALTIMORE MARKETS.

WEDNESDAY, December 4—6 P. M.

COFFEE.—There is a good inquiry for Coffee, and the market for it is very buoyant and strong. Sales were made yesterday of 100 bags Rio at 16¾ cts, and 250 bags do. at 17 cts. net cash, but to-day there have been no sales so far as we have heard, although offers for several large parcels were made. We quote to day as follows, viz: Rio at 18¾@18 cts. for fair, 16½@17 cts. for good, 17¾ cts for prime; Laguayra nominal at 18@21 cts., and Java at 23@24 cts. per lb. The stock of Rio here is about 20,000 bags, but there is none of it pressing upon the market.

FLOUR.—There was very little done this morning in Flour, the only sale reported on Change being one of 200 bbls choice Ohio Extra at $6 12½ per bbl. There is little or no demand for Super, and for all descriptions the market is heavy as well as dull. We quote Howard Street at $5 50@5 62½, Ohio at $5 50, and City Mills at $5 25 per bbl. Extras, for which there is a fair inquiry, may be quoted as closing at $5@5 12½ for Ohio and Howard Street, and $6@6 25 per bbl. for shipping brands City Mills.

FAMILY FLOUR.—Family Flour is still selling by the dray load to the trade at $8 25 for the best brands Baltimore, $5 50@7 for Ohio and Howard Street, and Baltimore high grade Extra is bringing $7 75 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is firm at $4 37½@4 50, and we quote Corn Meal steady $3 20@ 3.25 per bbl. for both Baltimore and Brandywine.

GRAIN.—The receipts of Grain to-day were light the offerings amounting in the aggregate to about 18,000 bushels at market, was inactive but steady at 128@135 cts. for good to prime red, 110@125 cts. for common and medium white, 135@140 cts. for fair do., and 145@145 cts. for good to prime do. Corn sold at 56@59 cts. for new white and yellow, 63@64 cts. for old yellow, and 68 @70 cts. per bushel for old white. There were only about 4,500 bushels offered to day. There were no sales of Rye made to day, but Oats ranged at from 40 to 44 cts. per bushel. There were only 500 bushels Rye offered, but the receipts of Oats reached about 6,000 bushels.

MOLASSES.—There is very little doing in Molasses but we still quote as follows, viz: Cuba at 28@33 cts for clayed, and 35@35 cts. for Muscovado; Porto Rico at 35@ 45 cts; and New Orleans at 50@56 cts. per gallon.

PROVISIONS.—We heard this morning of sales made within the last day or two to the government of 150 hhds. Bacon Sides on private terms, and of 500 bbls. new Western Mess Beef at $16 50 per bbl., the latter to go to New York. Sales also of 50 bbls. regular packed Western Mess Pork at $13.50 per bbl. Mess Pork ranges at from $12 to $12.50 per bbl as in quality. Bacon is dull and very unsettled. Shoulders are selling at 4¾@4¾ cts., Sides at 5¾@6 cts., and Hams at from 7 to 9 cts, per lb. There is no Bulk Meat selling and we can give no quotations for it. The new crop will soon be in market. Lard may be quoted at 8¾@9 cts, for City and Western, but there is nothing doing in it. Baltimore packed Beef is selling at $12@12.50 for No 1, and $16 per bbl. for Mess.

RICE.—There is no Rice here in first hands, and we can give no quotations for it.

SALT.—Liverpool Salt is lower, and we now quote it at 105@110 cts. for Ground Alum, and 185@160 cts. for Marshall's, Worthington's and Jeffrey & Darcy's fine, but we still quote Turks Island do at 25 cts. per bushel.

SEEDS.—Cloverseed is arriving slowly, and the transactions in it are consequently limited, but it is steady and firm at $4 50@4 75 per bushel. We quote Timothy Seed as before at $2.12½@2 25, and Flaxseed at $1.60@ 1.70 per bushel.

SUGARS.—Sugars are quiet, but the market for them is very firm indeed. There are but few lots offering and we hear of no sales to day. We quote as follows, viz: Cuba at $8 c@8.25 for refining, and $8.50@9 for grocery grades; Porto Rico and New Orleans at $8 50@9 50; and current qualities of Manilla and Pernambuco at $8@8 25.

REFINED SUGARS.—For Refined Sugars the rates are still as follows, viz: 11¾@11¾ cts for loaf, 10¾@11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts. for soft crushed white; and 9¾@10 cts. per lb. for C yellow.

WHISKEY.—There is rather more inquiry for Whiskey, and the market for it is a little firmer to day. We quote Ohio at 20¾@20¾ cts., and we notice sales in lots of about 50 bbls at the latter figure. Country and City may still be quoted at 20 cts., but there is none selling.

DOMESTIC MARKETS.

BOSTON, December 2—The Flour market is dull. Sales of Western superfine at $5 25; fancy $5.37½@5 50; extra $5 50@5 75; superior $6@7 50 per bbl. Southern is quiet. We quote choice brands Baltimore at $7 or 8.75 per bbl. Corn—sales of Western yellow at 70 cts; mixed 66@68 cts per bushel. Oats are in moderate demand. Sales of Western and Canada at 41@46 cts; Prince Edward Island 40 cts. per bushel. Rye is selling at 82 cts. per bushel Shorts are firm at $16@17; Fine Feed and Middlings at $18@24 per ton.

CINCINNATI HOG MARKET, Dec 2—The receipts add up about 5,500 head, the greater part of which were on the market, and where sales were forced low prices were obtained, indicating a decline. A lot averaging 180 lbs net sold at $3, and for those weighing 170 to 190 lbs $3 05@3.15 was obtained. The demand is confined to Hogs averaging from 200 to 210 lbs, for which $3.15 @3 20 can be obtained without difficulty, but $3 25@ 3 30 are the asking prices, with small sales. The market closed a shade firmer than it opened. Large offerings no doubt, would produce still lower figures. The break in the Kentucky Central Railroad in the vicinity of Cynthiana delays the receipts from Kentucky, and we are told that a large number of Hogs are accumulating at that point.

MARKETS BY TELEGRAPH.

NEW YORK, Dec. 4.—Cotton has an upward tendency—sales of 3,000 bales at 29¾ cts.;—market excited. Flour is firm—sales of 27,000 bbls.; State $5 35@5 40; Ohio $5 85@5.90. Wheat is heavy—sales of 235,000 bushels; prices unchanged. Corn is firm—sales of 148,000 bushels at 63¾@65 cts for mixed. Beef generally closed buoyant—Repacked $11 50@12. Pork is steady at $12 50@13. Lard is firm at 8¾@9¾ cts. Sugars firm at 7¾@8¾ cts. Molasses is firm. Spirits Turpentine heavy. Rosin $ 50.

TREGO'S

CEREAL AND PLANT FOOD

AND

RUST PREVENTIVE,

TESTED AND APPROVED BY

DAVID STEWART, M. D.

CHEMIST

MARYLAND STATE AGRICULTURAL SOCIETY.

SOLD BY

V. MALCOM & CO., General Agents,

BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that represent CEREAL and PLANT FOOD. It hastens, by ten or twelve days, the maturity of the Plant and Grain, and specifically dosed to crop requiring an early and vigorous start to bring them to perfection. For late seeding (especially upon corn stubble) where the soil plant food has been rapidly removed by the previous crop, it SECURES A WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We subjoin the following results of the use of the "Plant Food."

FORT PENN, Del., Sept. 7, 1861.

MESSRS TREGO & SON, Baltimore—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, dailies, and I think, tested (as the weights will prove) nay the product of both grain and straw. There was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *blending* of the grain, giving the appearance of rather the number of plants from the same number of seed, the earlier ripening, the maturity of the crop where the PLANT FOOD was applied, the coarseness and size of the plant and the straw, all told the same story, viz: that the PLANTS found food, and food of which the soil is deficient, and the crop was sown and harrowed in *before* the manure was spread on top dressing.

Yours respectfully, DAVID STEWART,

Professor of Agricultural Chemistry, St. John's College.

NORTH EAST, Md., Sept. 5, 1861.

Messrs. WM. TREGO & SON, Baltimore:

I applied the "PLANT FOOD" at the rate of one to two hundred to per acre on Oats ground last spring and the crop is very good, fully up to my expectations. I also expect it to turn in the hill, putting in a very small quantity in each hill, the corn started and has kept far ahead of that on the side of it, which was manured with yards in the hill.

From the little experience I have had with it, I think it preferable to Guano or bones—and shall so recommend it.

Yours respectfully, RUSSELL THOMAS

The PLANT FOOD is put up in substantial bags of 150 lbs. each.
