CITY INTELLIGENCE.

DEATH OF A MINISTER WHILE OFFICIATING IN THE CHANCEL.—Yesterday the Rev. Mr. Macfarland, pastor of St. Mark's Church, (Protestant Episcopal,) Lombard street, west of Fremont, died while officiating in the chancel. He had finished his discourse, and the collection was being taken up. Mr. Macfarland was standing in the chancel, and commenced reading the closing services, when the book dropped from his hand, and in an instant he fell to the floor. The greatest excitement was occasioned, and the male members of the church ran to his relief. He was carried into the vestry-room, where he lived but two hours. He died in his robes, and was not removed from the church. The body was laid out in the vestry room, where it will remain until Tuesday afternoon at three o'clock, when it will be buried underneath the chancel. Mr. Macfarland was about fifty-five years of age, and leaves a family. He was a brother of Mr. Macfarland, Congressman from the Richmond district in the Confederate Congress.

THE PAYMENT OF TAXES.—Notwithstanding the depression which has existed in monetary matters during the past year, the tax payers have generally pretty well paid up the assessment for the year 1860, but there is still a considerable sum yet to be collected, and the condition of the City Treasury is such as to demand prompt and decisive action on the part of the Auditor. In order to give to all persons indebted in arrears for taxes for 1859 and 1860, an opportunity to avoid additional expense, Dr. J. J. Graves, City Collector, gives notice by advertisement, that if their taxes are not paid before next Friday, the 20th instant, the property will be passed over to the Surveyor to be plotted for advertisement and sale. An ordinance of the city makes the collection of these taxes an imperative duty of the Collector, and as the credit of the city is at stake, the law will no doubt be enforced in the most rigorous manner.

SUDDEN DEATH.—On Saturday morning a man named Meshark Biddison, a resident of Baltimore county, was riding a horse up Gay street, and when near Eden street he was observed to dismount, and leaving his horse standing, he took a seat on the steps of a porch. The horse was seen to walk away, and he made no effort to stop him, when a gentleman stopped the animal, and then went to see what was the matter with Mr. Biddison, and found him dead. The body was taken into the dwelling, and Coroner Hall held an inquest, when a verdict was rendered of "death from apoplexy." Mr. Biddison was about 67 years of age. His body was sent to the country yesterday morning.

BODY FOUND.—On Saturday afternoon last the body of a man was found in the water at the foot of Hughes Quay, by a person engaged in dragging for coal. The body was removed to the Southern District Police Station, where Justice Showacre held an inquest, the jury rendering a verdict of accidental drowning. No person appeared to claim the body, and it was consequently interred at the Western Potter's Field. The man was apparently forty-five years of age, and the body had the appearance of having been in the water but a short time. From the dress which he wore, it was supposed that he was a stevedore.

ROBBERY.—On Thursday night a young man named Walter B. Hall, hailing from Centreville, Queen Anne's county, met with a soldier who wore the uniform of the second Maryland regiment, and after taking two or three or perhaps a dozen drinks, the two visited a house of ill-fame on the east-way. Here Mr. Hall became unconscious of what was transpiring, and remained so until about one o'clock in the morning, when he found himself lying on a vacant lot near the President street depot, minus seventy dollars in gold, and a number of other small valuables, none of which has be recovered.

DWELLING ROBBED.—During Saturday night the basement of the dwelling No. 367 East Baltimore street, occupied by Mr. Thomas D Sulzizer, was forcibly entered by a thief and robbed of a quantity of marketing. The articles consisting of meats, butter, vegetables, &c., had been placed in a refrigerator, which was completely cleared of its contents. The thief attempted to force the door leading from the basement to the first story, but was not successful. Quite a number of petty robberies have recently been committed in the eastern section of the city.

ROBBING A SANCTUARY.—During Friday night the Lecture room attached to the Second Presbyterian Church, corner of Baltimore and Lloyd street, was forcibly entered by thieves and robbed. The aisle carpets were taken up and carried away, the bible stolen and the missionary box broken open. Fortunately the contributions had been removed from the box and the thieves got nothing for their trouble. A brass button, apparently torn from a military overcoat was found on the floor. Before leaving the miscreants descerated the altar.

CHARGE OF STEALING.—Patrick Byrne was taken into custody on Friday night, upon the charge of stealing $20 from Florence Donavin. He was arraigned before Justice Logan, who sent him to jail to await the action of the Grand Jury.

Alfeo Henderson, colored, was arrested on Saturday, charged with stealing five dollars from Wm. Jones, also colored. Justice Johnson sent her to jail to await the action of the Grand Jury.

Mary Jackson was on Saturday before Justice Showacre, upon the charge of having stolen a five dollar note from the drawer of Mrs. Mary Hoffman. Justice Showacre committed her for the action of the Grand Jury.

DEATH OF A WELL-KNOWN CITIZEN.—Yesterday morning Michael McBlair, Esq., one of our most widely known citizens, died at his boarding house, No. 97 North Charles street, in the 86th year of his age. Mr. McBlair, in his active lifetime, was intimately connected with commercial affairs, and was a member of the firm of Hollins & McBlair, which was at one time the largest East India house in the city. He was active in all measures which looked to the prosperity of the city, and was prominent in all charitable and benevolent movements.

INQUEST.—On Friday afternoon Mrs. Connelly, who keeps a small liquor store at No. 17 Front street, missed her little girl, a child five years of age, and after searching for some time found the child lying helpless on the floor near a keg of whiskey, from the spigot of which liquor was running. A physician was sent for, who administered an emetic, but the child died during the night. Coroner Hall held an inquest and a verdict of "death from causes unknown" was rendered.

FOR COURT.—On Friday night a man named Patrick Connelly was arrested on the charge of stealing a coat, the property of Edward Carnawell. He was committed to jail for court. Wm. Cox was arrested on the charge of assaulting his wife and breaking the furniture in his house. He was committed to jail for court. Thomas Burroughs was arrested on the charge of interfering with the police while in the discharge of their duty. He was committed.

DROWNING CASE.—George Fouck, a soldier, fell into the water at the foot of Eutaw street on Saturday afternoon, and was drowned. His body was recovered and removed to his late residence, No. 355 South Charles street, where Justice Showacre held an inquest. The jury rendered a verdict of "accidental death." He leaves a wife and children.

ACCIDENT TO GENERAL DURYEA.—On Saturday last, whilst Gen. Duryea was engaged in reviewing a body of cavalry at the cattle show grounds, Charles street avenue, he was violently thrown from his horse, and received such serious bruises that he will for some days be confined to his room.

THE HORSE "BAY DICK."—In the case of the United States vs. this horse, seized as the property of Mr. Ward, of Richmond, a decree was on Saturday passed in the United States District Court, restoring the animal to Mr. John Young, who appeared as claimant.

PERSONAL.—Captain De L'Agnel, who was taken prisoner after the battle of Rich Mountain, and who has since been confined at Fort Warren, has been exchanged, and arrived in this city yesterday.

Amusements.

HOLLIDAY STREET THEATRE.—Rowe's celebrated tragedy of *Jane Shore*, with the same great cast that attracted such a crowded and fashionable audience on Thursday night last, will be repeated this evening, together with the favorite nautical drama of *Black-Eyed Susan*, Miss Lucille Western appearing as Susan. A crowded house may be anticipated.

FRONT STREET THEATRE.—It will be seen by an advertisement that this establishment will be opened in a few days by a popular manager and favorite star, aided by a first rate stock company. None but standard or legitimate plays will be presented, and the manager, it appears, will cater only to the refined dramatic taste of the public.

BALTIMORE MUSEUM.—This evening will be a gala occasion with Kunkel's Opera troupe, as it will be the inauguration evening of the fifteenth week of their wonderful success at the Museum. A number of new songs, dances, burlesques, acts, ballads, &c., will be presented for the first time. Persons desirous of an evening's real enjoyment they should visit the Museum to-night.

THE PRESTIDIGITATEUR.—The committee which waited on Prof. Wyman, has been successful in its endeavors to get their wonderful Necromancer to appear in Baltimore. It has now been three years since the prince of Prestidigitateurs delighted the audiences of Baltimore, and his reception no doubt will be a perfect ovation to the Wizard genius.—His agent is endeavoring to procure a spacious hall in a central location.

DOMESTIC MARKETS.

NEW YORK MARKETS, December 14.—There is only a moderate demand for Western Canal flour, and the low grades are heavy. The higher grades are 5@10 cts. lower and very dull. Sales of 14,000 bbls. at $5 30@5 50 for superfine State and Western, $5 05@$5 70 for extra State, $5 75@5 85 for fancy do., $5 70@$5 75 for the low grades of Western extra, the latter rate for choice; $5.90@$5 95 for shipping brands of round hoop extra Ohio, and $6.@6 50 for trade brands do. Southern flour is in fair demand, and the market is firm; sales of 1,000 bbls. at $5 75@$6 25 for mixed to good superfine Baltimore, &c., and $6 35@$7 25 for extras. Rye flour is without change. The wheat market is more active and slightly irregular. Spring is held with more firmness white red Western is easier. There is rather more inquiry for white for milling purposes at the close, at 142@145 cts. for white Ohio, Indiana and Michigan, and 137@140 cts. for white Canada, the inside rate for sample. The sales sum up 110,000 bushels at 123@128 cts. for Chicago spring; 129@130 cts. for Milwaukie club; 131 cts. for amber Iowa; 137@140 cts. for red Western; 131 cts. for Canada club. Corn is rather better, the receipts are very light; the demand is good, in part speculative. The sales are 97,000 bushels at 64 cts. for Eastern mixed; 67½@68 cts. for shipping do; 68@68½ cts. for do in store, now held higher. Oats are more active and very firm at 43½@45 cts. for Canada and Western and 44@45½ cts. for State.

BOSTON, Dec. 13.—The market for Flour is firm for all grades, with a fair demand, while superior brands are quite dull. We quote common brands Western at $5 25; fancy brands at $5 50@5 62½; extra at $5 75; and $6@6 50 for superior brands, including choice St. Louis.—Southern Flour is quiet, and we quote choice brands Baltimore at $7@8 75 per bbl. In Corn there is a better feeling, and prices are a shade higher. We quote Southern yellow at 73 cts.; Western do 70@72 cts.; and Western mixed sold to some extent at 67½@68 cts. per bushel, now held at 69 cts. Oats are dull and in moderate demand. We quote at 42@43 cts. per bushel for Western and Canada, and Prince Edward Island dull at 40 cts. In Rye the sales have been in small lots at 82 cts. per bushel. Shorts are steady and have been selling at $16 50@17 per ton; and Fine Feed and Middlings at $.@24 per ton, as to quality.

CINCINNATI HOG MARKET, December 13.—The extreme of prices so far as reliably reported was $3 45; from this to $3 50 is regarded as the range of the market. Packers are confident that the stock is in the country and have not the excitement in the market to stimulate them into a strong speculative competition. The packing for foreign account continues active, and some who are engaged in that business have been making considerable purchases of Shoulders in salt. The greater part of their meat goes forward as rapidly as packed and it would appear to be moving actively in anticipation of the possible contingency of trouble between our Government and England.

ST. LOUIS HOG MARKET, Dec 10.—The range of the market to-day was $3 25, $3 30, and $3 35 per 100 lbs. net, and trading downwards. Prices are reported lower in Cincinnati and Chicago, and we would not be surprised if they fall $3 this week in this market. We heard of a contract for five hundred head for future delivery, to average 225 pounds, at $3 75. But we regard this as way above the market, and probably a lot enough that somebody has bid high simply to secure it as the large average lot of the season. The weather is so remarkably unfavorable for packing that it would surprise us if much was done in the market this week.

FOREIGN MARKETS.

RIO DE JANEIRO, 6th November, 1861.—Our last monthly circular was under date of the 7th ultimo, and we now beg to continue our monthly advices from that date.

IMPORTS.

Flour.—The receipts have been 23,555 bbls., of which 15,675 bbls from the United States, 9,905 bbls from Europe, and equal to 8,860 bbls from Coffee. Sales reported were 15,625 bbls., divided as follows, and 300 bbls. were re-exported by importers:

3,250 bbls S S S F and Fontana first quality at 19$ to 22$; 740 bbls. S F at 16$; 1,651 bbls. Fontana seconds at 18$; 1,049 bbls do thirds at 15$; 2,913 bbls Richmond seconds, thirds and extra at 15 to 17$; 1,500 bbls Greenwood Extra at 12$ to 13$; 2,100 bbls. Baltimore, Philadelphia and Interior Extra and Family Extra at 12$ to 12$; 5,347 bbls do. do super at 10$ to 12$; 2,450 bbls. Spanish at 12$ to 16$; $900 bbls. Chilian, for re-exportation at a secret price, 732 bbls. damaged (at auction) at 10$ to 14$.

Stocks in all hands estimated to be 75,000 bbls, of which 22,235 bbls. in first hands, viz: 8,817 bbls. Trieste; 2,235 bbls. Fontana; 2,097 bbls. Richmond seconds and Virginian Extra; 1,600 bbls. Brandywine, 11,555 bbls Baltimore Extra; 1,631 bbls. do. Super; 613 bbls. Philadelphia Extra; 2,000 bbls Chilian; 2,265 bbls. Portuguese; 750 bbls. French and Genoese.

Sales have been large during the past month, both brokers and speculators having taken hold firmly—some of them backed up by the latter to be transhipped to Europe. The course of prices will depend upon extent of receipts. Should they be light, we shall ere long have a better feeling in the market. We now quote:

Fontana and S S S F 22 to 22$; Richmond firsts, none; do seconds and thirds 16$ to 17$. Good Extras and Family Extra, new, 14$ to 15$; do. do., old, 12$ to 13$; Good Super 11$ to 12$00.

BAHIA, 31st October.—Stock 22,000 bbls; prices nominally nothing doing.

PERNAMBUCO 29th October.—Stock 27,000 bbls. and bags. Market very depressed, and no offers

RIO GRANDE DO SUL, 25th October.—Last sale of Baltimore 12$500 per bbl.

MONTEVIDEO, 29th October.—Market much firmer. Quotations—Baltimore $8@8½; Chili $8

BUENOS AYRES, 25th October.—Quotations—Baltimore Extra $8@8½; do. Super $7@7½; Richmond second $9½@7, in bond. Market steady.

COFFEE.—Receipts continued light, and the advance was fully 4@5 rs. per arr. during the month. The advices per English steamer from Europe to the 11th ultimo being considered favorable, we cannot look for any decline for the moment, and an advance will be the consequence should purchasers come in for any quantity. Dealers appear sanguine of higher prices, and are asking an advance of 100 to 200 rs. per arr. over what they were willing to accept previous to arrival of the steamer. Sales since our last amount to 75,000 bags, of which 23,000 bags for the United States; 24,000 bags for the Channel and North of Europe; 10,500 bags for the Mediterranean, and 2,500 bags for the Cape of Good Hope. Stock to-day at market estimated to be 120,000 bags, and we quote:

Lots for the United States, 6$00@6$50 per arr. f. o. b. ex freight, exchange 25¾d., 54s. 1d. single; 54s. 1d@55s. double. Lots for the North of Europe, 6$400@6$900 per arr. f. o. b., ex freight, exchange 23¾d., 54s 1d@57s. 2d. single; 57s. 2d@61s 1d. double. Lots for the Channel, 6$600@6$200 per arr., f. o. b., ex freight, exchange 23¾d., 49s 5d@55s. 8d. single; 57s. 2d@61s 1d. double. Lots for the Mediterranean, 6$100 @6$600 per arr., f. o. b., ex freight, exchange 23¾d., 54s. 1d@58s. single; 57s. 2d@61s 1d. double.

Freights.—The American flag is quite neglected. Seven foreign vessels have been chartered for the United States at 80 to 90 cts. per bag; 50c to 60c. per ton to a Northern port; 60c. per ton to St. Thomas for orders. Europe—Channel or Gibraltar, for orders, 55s to 60s. per ton and 5 per cent. primage.

Exchange on England opened at 23¾d., but has since advanced to 23¾d., 90 days, at which it closes.

We are, very respectfully,
Your obedient servants,
MAXWELL, WRIGHT & CO.

Represented by our partner:
W. H. D. C. Wright, Esq., Baltimore.

P. S.—The Coffee market has been very animated, and 85,000 bags have been sold, at an advance in prices of fully 100 rs per arroba on our quotations, of which 25,000 bags are for the United States. Dealers are now very firm at a further advance.

Exchange closes very firm at 25¾d., with some business at 25¾d.
