LAW INTELLIGENCE.

DEPRECIATION OF SLAVE PROPERTY.—Every intelligent person in the community is aware of the fact that the value of slave property has been greatly depreciated by the present troubles of the country, but some may not be cognizant of the extreme character of this depreciation. There are slaves in this State which, if offered at public sale eighteen months ago, would have sold for $1,000 and $1,200 each; but if offered at this time they would not bring one-third of that amount. And the same state of affairs exists with regard to free negroes convicted of petty larcencies, and sold into slavery for a term of years in accordance with a provision of the Code of Public Laws of Maryland. As an instance of the depreciation of this class of property, a sale made on Saturday last, at the jail door, by the Sheriff, is cited. Martha Ruwress, two years to serve, sold for $10; Alexander Smith, same time, $51; Charles Smith, same time, $30; Edward Simpson, eighteen months, $25; Margaret Nevins, same time, $21; William Johnson, same time, $41; George Waters, same time, $27; Mary Tilghman, same time, $13. The first seven were purchased by Mr. George Johnson, of Dorchester county, Md; the last one by a party who declined to give his name. These eight negroes, five men and three women, sentenced to an aggregate term of service of thirteen and a half years, sold for the aggregate sum of $227. Two years ago these negroes would have readily sold for $1,500. When any negro, convicted of larceny in these times, is sentenced to be sold out of the State, a smile is seen to play upon the countenances of all persons within hearing of the sentence. It is considered ludicrous in the extreme.

STABBING AFFRAYS.—On Sunday evening, a boy named Charles Cunningham, and several others, were standing on Caroline street when a negro boy named John Hall was passing along the street, and one of the white boys made some remark which offended the negro, and he turned and asked if it was intended for him. Some words passed, when the negro drew a knife and stabbed young Cunningham twice in the right breast, inflicting severe wounds, one of which penetrated to the depth of two inches. Cunningham was taken to the home of his parents, corner of Baltimore and Caroline streets, when Dr. Monmonier dressed his wounds. The negro was arrested, and taken before Justice Spicer, who committed him to jail to await the action of the Grand Jury.

On Sunday evening a man named John Dinn, in company with several friends, was at a lager beer saloon on the Frederick road, and after the party had drank several glasses of lager, three or four soldiers entered, and in a few minutes a quarrel ensued, in which Dinn was stabbed in the back and head in five different places. The soldiers then escaped. Dinn was taken to his home on Eastern avenue, near Spring street, where Dr. Buckler Jones dressed the wounds.

Two men named, Peter Clarke and William Carmager, had a difficulty yesterday morning, when the former drew a knife and inflicted a slight injury on Carmager. Clarke was arrested, and Justice Spicer committed him to jail for Court.

STEAMERS ASHORE.—The United States steamer Admiral, Vall, from New York, with a portion of the 24th Massachusetts regiment, arrived at Annapolis at 11 P. M. on Thursday, and after disembarking her troops, returned to assist the steamer Eastern Queen, Colline, which had on board the balance of the regiment, and which got ashore on Thomas' Point at 2 A. M. on Friday. The Admiral, while at anchor near the Eastern Queen, waiting for the tide, parted her chain and went ashore, and both were assisted off yesterday morning by the steamtugs Lioness and Wm. Burden, and arrived at Annapolis. Neither steamer received any damage.

SOLDIER SHOT.—On Saturday night, Lieutenant James, of the New York Third regiment, stationed at Fort McHenry, was passing along Eastern avenue, dressed in citizen's clothes, when he recognized a private named George White, of the regiment, who had escaped from the Fort without a pass. The Lieutenant commanded him to halt, which White refused to obey, and endeavored to make his escape by running, when the Lieutenant drew a revolver and fired at him. The ball took effect in White's right side, inflicting a severe wound. The wounded man, by direction of the Lieutenant, was conveyed to Fort McHenry.

PERSONAL.—Hon. C. J. Faulkner, late Minister to France, arrived in this city last evening from Washington and took rooms at Barnum's Hotel. He leaves this evening in the boat for Fortress Monroe, en route for Richmond, where he goes with his family. He is aware of Congressman Ely, the object of his visit, but he is required to secure a report himself at Fort Warren on the people January. Hon. J. S. Black, formerly member of ex-President Buchanan's Cabinet, was number of ex-President Buchanan's Cabinet, was

CHARGED WITH THEFT.—A woman named Catharine Kraus, was arrested at the instance of David Huxford, an ex Lieutenant of the First Maryland regiment, who charges her with robbing him of $7.50. He states that on Saturday night he was passing along Frederick street, when the woman invited him into her house, and asked him to treat, which he refused to do. By some means she got possession of his pocket-book, and took from it the money. When he charged her with the theft, she assailed him with a club, inflicting a severe wound on the head. She was held to answer.

FIGHT AMONG SEAMEN.—On Sunday last the bark Agnes, Capt. Thompson, from Rio de Janiero, arrived in this port. The captain reports that a few days previous to sailing, a fight took place among the crew of the bark Lizzie, of this port, which resulted in the serious injury of the mate. He was stabbed in the abdomen in three places. The sailors were all arrested, and by direction of the United States Consul confined in prison. The mate was conveyed to the hospital, but there was no hope of his recovery. Capt. Thompson could not give the name of the mate.

SALE OF PROPERTY.—Mr. S. H. Gover, auctioneer, yesterday sold at public auction a lot of ground fronting thirty-six feet on Ridgely street, and running back of equal width one hundred and fifty feet to Chesnut alley. The improvements consist of three brick dwellings, each of them three stories high, and containing modern conveniences. The property was purchased by Mrs. Mary Collins for $2,800.

HEALTH REPORT.—There was a decrease of ten in the deaths of last week, compared with the previous one, and of thirteen compared with the same week of 1860. The largest number (eighteen) was caused by consumption fifteen died of scarlet fever. The health of the city is excellent.

INCREASE OF POLICE FORCE.—It was rumored yesterday that the Government police force of this city has been increased by the appointment of three hundred detectives. Inquiries made in relation to the matter failed to ascertain whether there was any foundation for the report.

Amusements.

HOLLIDAY STREET THEATRE.—To-night will be the 51st of the highly successful engagement of Miss Lucille Western, on which occasion she will appear in her various characters in the French drama of *Satan in Paris*, also as *Black-Eyed Susan*. Mr. E. L. Tilton will sustain the character of William, and the entire company appear in favorite characters. We hope to see a crowded house.

BALTIMORE MUSEUM.—To-night an excellent bill will be presented for the amusement of the patrons of Kunkel's Troupe. The house last night was crowded to repletion with a very select audience. This evening a number of highly amusing acts will be submitted, including "Scenes in the Green Room," the "Power of Music," and "Keep Your Eye on Me." Great preparations are being made for the celebration of the 100th entertainment, which will be an extraordinary occasion.

WYMAN, THE PRESTIDIGITATEUR.—Mr. Wyman's agent has secured the large and popular hall on Gay street, familiarly known as Temperance Temple, and which will be converted into a Grecian Psycomanteum, and opened to the public on Monday evening next. No doubt his houses will be crowded by fashionable audiences during his stay, which will be but of six nights' duration.

FRONT STREET THEATRE.—This beautiful and spacious establishment will be opened to the public for the winter season in a few days with a popular star and immense comedy combination.

TAEGO'S

CEREAL AND PLANT FOOD

AND

RUST PREVENTIVE,

TESTED AND APPROVED BY

DAVID STEWART, M. D.

CHEMIST

MARYLAND STATE AGRICULTURAL SOCIETY.

SOLD BY

V. MALCOM & CO., General Agents,

BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that compose CEREAL and PLANT FOOD. It hastens by two or three weeks the maturity of the Plant and Grain, and (as start to bring them to perfection. For late seeding has been rapidly removed by the previous crop, it SEEDS THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food:"

MESSRS. TAEGO & SON, Baltimore—the "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) my product of both marked stakes were required at any period, the dark green color, the *stooling* of the grain, giving the *appearance* of double the number of plants from the same seed where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the PLANTS there had room, of which the soil designed as the crop was sown and harrowed in *before* the manure was spread was top dressing.

Yours respectfully,

DAVID STEWART,

Professor of Agricultural Chemistry,

St. John's College.

NORTH EAST, Md., Sept. 8, 1861.

MESSRS. WM. TAEGO & SON, Baltimore:

I applied the "PLANT FOOD" at the rate of one to two hundred lbs per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the corn started by and has kept far ahead of that on the side of it, which was manured with ashes in the hill.

From the little experience I have had with it, I think it preferable to Guano or bones—and shall so recommend it.

Yours respectfully, RUSSELL THOMAS.

The PLANT FOOD is put up in substantial bags of 125 lbs. each.
