CITY INTELLIGENCE.

SEVERELY BEATEN.—On Tuesday night a soldier named Wm. D. Moore, belonging to the 4th Wisconsin regiment, was severely beaten by three men whom he met on Pratt street, near Washington street. About three o'clock in the morning the police found Moore lying in the street in an almost insensible condition. He was taken to the Eastern police station, where his wounds were dressed. He says that he was passing along the street when he met three men who were hurrahing for "Jeff Davis," and he replied by cursing Jeff. Davis. The party then set upon him and beat him terribly. No arrests were made.

ASSAULTING THE POLICE.—On Tuesday night policemen Wallis and Hunter were passing along their beats on North Howard street, when their attention was attracted by an apparent fight in a lager-beer saloon on Howard street, near Mulberry street. The policemen entered, when those inside made an assault on the police of such violence that the officers were compelled to fly from the house. They gave the double rap and soon had reinforcemen s, when they entered the saloon and arrested Wm. Potts, Fred. Hess, James Stevens, Francis Rinner and James Rud, who were the assailants. Justice Nails released Hess on bail and committed the rest for Court.

THE WEATHER.—Yesterday dawned a bright and beautiful day, and at an early hour the streets were thronged with ladies and gentlemen, who seemed delighted with the auspicious advent of the New Year, so far as the weather was concerned.—The sun shone with great brilliancy and warmth until about four o'clock, at which time a wind cloud appeared in the horizon, and soon burst with great fury. This continued for about two hours, after which the wind abated, and the evening was comparatively pleasant.

CALENDARS FOR 1862.—The advent of the New Year is, as usual, attended with the issue of a number of useful and beautiful counting house calendars. Among those worthy of particular notice we mention one issued from the old publishing house of Mr. John Murphy, No. 182 Baltimore street, up stairs; another from Mr. Samuel E. Turner, paper dealer, No. 3 South Charles street; a third from Messrs. J. B. Rose & Co., printers, No. 5 South Calvert street.

VIOLENT ASSAULT.—On Tuesday night last a sailor named Fred. Brown, one of the crew of the ship Adolphine, in company with several companions, entered a lager-beer house on Fells street, where they met a number of other sailors, and in a few minutes a fight ensued. One of the party struck Brown between the eyes with a lager-beer glass, knocking him to the floor senseless, and inflicting a large gash on the forehead. Brown was taken to his ship and the wound was dressed by Dr. Dashiells.

AN ABSENT-MINDED MAN.—A pocket book containing between six and seven thousand dollars in bank notes, besides a number of papers of various characters, was lost evening left upon the sill of the window of the ticket office at Camden station by some absent-minded person who purchased a ticket for Washington. It is now in the possession of Mr. A. G. Stabler, the efficient ticket agent, who will keep it until called for by the owner.

PRESENTATION.—Captain Thomas H. Carmichael was the recipient on Tuesday night of a beautiful diamond breast-pin. It was presented by the officers and men of the Central police station, as an evidence of the high regard and esteem which they felt for Captain Carmichael, who was formerly the Lieutenant of the Central district. After the presentation a supper took place at the Continental Hotel.

RECKLESS RIDING.—Yesterday afternoon, about 1 o'clock, quite an excitement was occasioned at the corner of Baltimore and North streets, caused by the reckless riding of Lieutenant Falconer, of the Maryland cavalry regiment, who came dashing down the street at a furious rate and rode over a boy, fortunately not hurting him much. Deputy Marshal McPhail ordered his arrest, and Justice Nails fined him $1 and costs.

FALSE ALARM OF FIRE.—The alarm of fire sounded on Tuesday night, shortly after 12 o'clock, was caused by some mischief maker who had managed to get possession of the key of the box on the corner of Howard and German streets. Mr. C. T. Holloway, Chief Engineer of the Fire Department, has offered a reward of one hundred dollars for the apprehension and conviction of the offender.

SINKING OF A BALTIMORE VESSEL.—The schooner Mary Willis, Captain W. R. Acworth, of this city, in attempting to run the batteries on the Potomac, was sunk off Maryland Point. Several shots struck her, and it was with difficulty that the crew escaped. She was loaded with wood and was owned by Mr. M. A. Mitchell.

FIRE.—The alarm of fire which was sounded about five o'clock last evening, from box No. 2, corner of Calvert and Lombard streets, was occasioned by the burning of a foul chimney in the house adjoining the Museum, on Calvert street. No damage was done.

MILITARY PARADE.—The Second Maryland Regiment, under command of Colonel Somers, made a dress parade through the city yesterday, and presented a very creditable appearance.

Amusements.

HOLLIDAY STREET THEATRE.—To night the *School for Scandal* will be presented at Holliday Street Theatre, with a cast which is a guarantee that this excellent comedy will be in reality rendered. Mr. *Beck*, which drew an intelligent audience last night, was rendered in a style seldom witnessed in this country. Great inconvenience and annoyance might be avoided if persons would engage their seats during the day, as a crowded house may be anticipated during the engagement of this most excellent company. Seats can be secured any day in advance.

FRONT STREET THEATRE.—To-night Mr. and Mrs. Waller will appear in Shakespeare's elegant emotional tragedy of *Hamlet*. The part of Ophelia will be sustained by the eminent tragedienne, Mrs. Waller, and that of Hamlet by Mr. Waller. To-morrow Mrs. Waller will be the recipient of a benefit, when she will appear in her great character of *Meg Merrilies*.

LAW INTELLIGENCE.

SUPERIOR COURT—JUDGE MARTIN.

Elizabeth A. McClellan *vs.* Daniel B. Banks. Exceptions to auditor's report. Under *curia*. There was nothing done in the other Courts.

Prince Alfred was at Nassau, N. P., on the 3d inst., and in honor of his presence, the town was illuminated in the evening. On the 4th a dinner was given to him by the officers of the Second West India regiment, after which he danced with several preminent ladies, all of them married. The next evening he figured at a ball at the Court House. On the day following he embarked on the St. George. An address was presented him by the inhabitants of the Bahama Islands, to which he responded in appropriate terms.

The artesian well in Fortress Monroe is now three hundred and seventy-six feet deep, and, as yet, there is no water. An immense bed of clay, some fifty feet thick, has been struck, and the borers think that when they get through this they will find good water, which is all that is wanted to render Fortress Monroe proof against a great and prolonged siege.

PREPARING FOR A BATTLE.—A large number of ambulances were hauled to the landing yesterday, for shipment to Kentucky. These vehicles are terribly suggestive, and their shipment, taken in connection with other events and movements in Kentucky, confirm the belief that a great and decisive battle will soon be fought there.—*Philadelphia Gazette, Dec. 30.*

The Honolulu *Advertiser says:*—Mr. Doiron informs us, that upon his vaccinating tours among the natives in the settlement near Honolulu, he has met with numerous cases of a disease resembling leprosy, which has proved fatal to many. The appearance of the patients is reported as shocking, and the disease appears to be contagious.

The American shipping at Havre were, it is said, in a state of panic, owing to the presence of the Nashville at Southampton. The *Journal du Havre* states that several of the largest American vessels in that harbor have purchased rifled ordnance and ammunition, so as to be able to repel an attack.

There have been manufactured in Cincinnati 13,661 army tents, at a cost of $285,000 to the War Department.

Monetary and Commercial Review.

BALTIMORE, January 1, 1862.

There was more done at the Stock Board to-day than for a long time past, and for almost everything on the list the market was firm. The business done was almost entirely in Loans, the sales embracing $3,000 Missouri 6's at 42, $4,150 Baltimore City 6's 1890 at 87¾, an advance of ¼ on the price bid yesterday, and $1,000 Baltimore and Ohio Railroad extra dividend bonds at 50, an advance of ¼. In Railroad shares there was nothing done, but Baltimore and Ohio closed at $49 bid, $52 asked, and Northern Central at $17 bid. Baltimore and Ohio bonds closed firm at 81 bid for 1867's, and 49¾ bid, 50¼ asked for 1862's (the extra dividend bonds), but for Northern Central bonds no bid was made; 1885's were offered, however, at 63. For State and City stocks the market was quite firm. Maryland 6's closed at 90 bid ex-dividend for 1870's and 1890's, Missouri 6's at 42 bid, 42¾ asked, and Baltimore City 6's left off at 87½ bid, 88 asked for 1890's. For Baltimore Gas Co. $100¼ was bid to day, and Baltimore and Cuba Smelting and Mining Co. left off at $57 bid, $63 asked. For the Copper Mining stocks there was some inquiry, and we note sales of 200 shares Guilford at 35 cts.; Gardner Hill closed at 55 cts. bid, 70 cts. asked; Guildford at 30 cts. bid, 35 cts. asked; and Springfield at $1.65 bid, $1.70 asked.

The New York *Herald* of yesterday says:

The stock market was active this morning, without material variation in prices from the quotations of last evening. The leading speculative stocks of the day, Pacific Mail, Central, &c., were steady; Erie, Erie preferred and Rock Island were a fraction higher, while Missouri, Michigan, Galena and Toledo were all ¼@½ lower. The tendency of speculators is to buy for the rise; but the recent advance has naturally supplied the market with stock enough for immediate wants. After the board the market was steady. At the second board there was another push to buy, and a general though slight advance took place, the market closing firmly.

The following is a comparative statement of the exports (exclusive of specie) from New York to foreign ports for the week ending December 31 and since January 1:

	1859.	1860.	1861.
For the week	$1,813,182	$2,304,601	$2,010,092
Previously reported	86,790,612	100,905,966	135,944,176
Since January 1	$88,603,794	103,200,567	137,953,268

BALTIMORE MARKETS.

WEDNESDAY, January 1.

COFFEE.—There is comparatively little demand for Coffee, and we have heard of no sales for some days past. The market however is very firm in tone and holders generally are indisposed to press sales. We quote Rio to day at 18¾@19 cts. for ordinary to fair, 20 cts. for prime; Laguayra at 23 cts., and Java and Ceylon at 23@23 cts. per lb. The stock of Rio is about 15,000 bags, but of other descriptions there is very little here.

FLOUR.—There is a good inquiry for Flour, and the market for it is quite firm in tone, but there is comparatively little doing, desirable brands being rather scarce, and holders generally being indisposed to press sales. We heard on Change this morning of sales of 150 bbls. good Howard Street Super at $5.62½ per bbl., at which figure it closes firm, and of 300 bbls. common City Mills do. at $5 per bbl. Good City Mills Super is however generally held at $5.25, and we quote Ohio do steady at $5.50 per bbl. Extra Flour is wanted, and we quote it to-day firm at $6 for Ohio; $6@6.12½ for Howard Street; and $6.25@6.50 per bbl. for standard shipping brands City Mills.

FAMILY FLOUR.—Family Flour is still selling by the dray load to the trade at $6.25 for the best brands Baltimore, $6.50@7 for Ohio and Howard Street, and Baltimore high grade Extra is bringing $7.75 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is selling at $4.25 and Corn Meal at $3.20@3.25 per bbl. for both Baltimore and Brandywine, but for both articles the market is very quiet.

GRAIN.—Corn was in pretty good supply this morning, the receipts adding up nearly 30,000 bushels, but of other Grain the offerings were quite light. Of Wheat there were only about 3,000 bushels offered. The receipts were chiefly of red, and sales of some 2,000 bushels were reported at from 130 to 135 cts., that at the latter figure being prime. We quote white steady at 130@135 cts. for fair, and 140@150 cts. for good to strictly prime. Corn was in pretty good request this morning, but prices were rather lower than on yesterday, new white selling at 60@63 cts., and new yellow at 60@61 cts. A small lot of old yellow brought 63 cts. per bushel. A lot of some 300 bushels Pennsylvania Rye sold to day at 77 cts., an advance, and we note sales of some 2,500 bushels Maryland Oats at 39@40 cts. per bushel.

MOLASSES.—There is some Molasses selling, but the transactions in it are unimportant. We quote as follows, viz: Cuba at 24@26 cts. for sweet clayed, and 28@30 cts. for Muscovado; Porto Rico at 34@38 cts.; English Island at 28@36 cts.; and New Orleans at 50@55 cts. The stock to-day is 723 hhds. and 200 bbls.

PROVISIONS.—A large amount of Provisions was advertised for some days since by the United States Commissary here, and the bids were opened yesterday. A contract for 1,000 bbls. Mess Beef was awarded to a party in Philadelphia at $14 25 per bbl., and contracts for some 300,000 lbs. Bacon and 1,000 bbls. Mess Pork were given to parties here, but we did not learn the terms. The demand for Provisions from other sources than the Government is extremely limited, but in consequence of the large demand for the army the market is rather firmer than it was. We still quote Bacon Shoulders at 4¾@4¾ cts., but Sides may now be quoted at 6¾@6¾ cts. Hams range at from 7 to 10 cts. per lb. There is no Bulk Meat here, nor have we heard of any sales to arrive. Lard is steady at 8¾ cts. for Western, in bbls. and tierces. We quote Mess Pork to day at $13@13 25; Prime do. at $9@10; and Rump do. at $8@49 per bbl.

RICE.—We quote Rice at 7¾@7¾ cts., but there is none selling. There is however hardly any here.

SALT.—Salt is in fair demand and Liverpool is selling in lots from shipboard and store at 62½@65 cts. for Ground Alum, 170@175 cts. for Marshall's, Worthington's and Jeffrey & Darcy's fine, and 195@200 cts. per sack for Ashton's do. Turks Island Salt is selling at 25@30 cts. per bushel from store.

SEEDS.—For Grass Seeds the market is still dull and heavy. There is very little Clover arriving, and it ranges in price at from $4 up to $4.62½ per bushel, the latter figure being for strictly prime parcels. We quote Timothy Seed at $2@2.25, and Flaxseed at $1.60@1.75 per bushel.

SUGARS.—There was some inquiry for Sugars this morning but nothing had been done in them when we left the market. Holders are very firm in their views, and none of them seem disposed to press sales. We quote to day as follows, viz: Cuba at $7.75@8 for refining, and $8 25@9 for grocery grades; English Island at $7.75@8.50; Porto Rico and New Orleans at from $8 25 to $9 75; and Manilla and Pernambuco at $8@8.25. Clayed Cuba Sugars Nos. 9 to 18 range at from $7 87½ to $9.75.

REFINED SUGARS.—The rates for refined Sugars are now as follows, viz: 11¾@11¾ cts. for loaf; 11¾@11¾ cts. for crushed, powdered and granulated; 10¾@10¾ cts. for soft crushed white; and 10¾@10¾ cts. for C yellow.

WHISKEY.—There is no Whiskey selling, but we quote it as before at 21½ cts. for City, and 21¾@22 cts. for Ohio.

DOMESTIC MARKETS.

The receipts were as follows:—2,850 Beeves, 86 Cows, 204 Veals, 7,733 Sheep and Lambs, and 40,488 Swine. TREGO'S
CEREAL AND PLANT FOOD
AND
RUST PREVENTIVE,
TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
V. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that compose CEREAL and PLANT FOOD. It hastens, by ten or twelve days, the maturity of the Plant and Grain, and especially adapted to crops requiring an early and vigorous start to bring them to perfection. For late seeding (especially upon Corn grounds) where the soil plant food has been already improved by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food:"

FORT PENN, Del., Sept. 7, 1861.

Messrs. TREGO & SON, Baltimore.—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) my product of both grain and straw. There was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *stooling* of the grain, giving the *appearance* of DOUBLE the number of plants from the same number of seed; the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the plants there had food, of which the soil elsewhere was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* this manure was spread as top dressing.

Yours respectfully, DAVID STEWART,
Professor of Agricultural Chemistry,

NORTH EAST, Md., Sept. 3, 1861.

Messrs. WM. TREGO & SON, Baltimore:

I applied the "PLANT FOOD" at the rate of one to two hundred lbs. per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the corn started and has kept far ahead of that on the side of it, which was manured with ashes in the hill.

From the little experience I have had with it, I think it preferable to Guano or Bones—and shall so recommend it.

Yours respectfully, RUSSELL THOMAS.

☞ The PLANT FOOD is put up in substantial bags of 150 lbs each.
