DEATH OF THE EDITOR OF THE SENTINEL.—On Saturday last William H. Grammer, editor of the *American Sentinel*, ended his career upon earth. He was a practical printer, and we believe learned his profession in this office. He was a native of Westminster, and at his death was in the fortieth year of his age. He commenced his editorial life as a Whig editor, about 1848, in partnership with Mr. John K. Longwell, who was publishing at that time the *Carrollonian*, well known, for a number of years, as the organ of the Whig party of this county. In 1851 he became sole proprietor of that journal, and continued its publication up to the disbanding of that party, which occurred about the year 1855, when he changed the name of his paper to that of the *American Sentinel*, which he has published ever since. Mr. Grammer, in his personal relations, was of a kind and affable disposition, and will be greatly missed by those who mingled with him in social life. He had recured a number of friends throughout the county, who will greatly lament his death.—*Westminster (Md.) Democrat.*

NORTHERN DISLOYALTY.—The Detroit *Free Press* says President Lincoln was lately present at a lecture by Horace Greeley, at the Smithsonian Institute. We shall next expect him to send for Yancey and listen to one of his harangues. Greeley has done more harm to the present Administration, and given more aid to the enemy, than any other man in the country. Any mark of favor, however slight, shown to him by the President, will awaken the distrust of loyal men. Indeed we believe it is time for temporizing with Northern treason to cease. Mr. Lincoln should stand boldly before the country and announce that he agrees with all conservative citizens, and places Abolitionism and Secession in the same category of crime and infamy. "Abram's bosom" may be a desirable dwelling, but patriots will never consent to nestle there with Horace Greeley.—*Indianapolis State Sentinel, January 14.*

IN THE CIRCUIT COURT OF BALTIMORE CITY.—JAMES S. FORBES vs. MARY C. ERVING—The object of this proceeding is to obtain a decree for the sale of certain property on Gilbert street in the city of Baltimore, for payment of an unpaid balance of purchase money. The bill states that the complainant, on the 11 day of November, 1857, contracted with the defendant to lease to her a certain lot of ground, mowing 18 feet 9 inches on the southwest side of Gilbert, (otherwise called Eutaw) street, running 93 feet 10 inches on the line of Hodman street, and running back to Morris alley, in said city, for a term of 99 years, payable semi-annually, and extinguishable at any time for $750. That the defendant contracted in consideration of such lease, to pay the complainant $500 when paid and deliver to her four promissory notes, dated October 1, 1857, for $250 each, payable 1, 2, 3 and 4 years after date, and her eight promissory notes for the interest to accrue thereon, payable semi-annually. And that the complainant executed and delivered to the defendant a bond of conveyance in the usual form, conditioned for the performance of said contract on his part, and put her in possession of the property. That all of said purchase money notes are over due, and there remain unpaid in the hands of the complainant, three notes for $750 each, payable at 2, 3 and 4 years from October 1st, 1857, and two interest notes for $225 each, payable at 42 and 48 months from said date. And that the defendant has removed out of the State of Maryland, and now resides in parts unknown to the complainant. Therefore she asks for a decree for the sale of said lot, for the payment of said over due purchase money notes. It is therefore ordered this 23d day of December, 1861, that the complainant, by publication of this order in some daily newspaper of the city of Baltimore, once a week for four successive weeks before the 1st day of February next, give notice to said absent defendant of the object and substance of this bill, and warn her to appear in this court in person or by solicitor, on or before the 5th day of May next, to answer the same, and show cause, if any she has, why a decree should not pass as prayed.
