Mr. Edward J. Smith,
Attorney at Law
Frederick, Maryland

Dear Mr. Smith:

I have made a trip to the small lot on the road to Unionville which is a part of the Ernest A. Lawrence farm. I have appraised the lot at \$140.00 as a fair market value. We also had Mr. Jerry T. Williams of Damascus make his own appraisal of the property which is \$150.00.

We are glad to be of service to you in this instance and hope the delay has not been too long. Our total charge for this appraisal is \$15.00.

Very truly yours,

H. P. Burdette & Son
