Monetary and Commercial Review.

BALTIMORE, February 5, 1862.

Stocks generally were firm here to-day, but the trans' actions at the Board were not large. City 6's were how. ever lower than on yesterday. Sales were made of $200 1886's at 88¾, and $800 1890's at 90, a decline of ¼, and 1890's closed at 89¾ bid, 90 asked. Nothing was done in State stocks, but Maryland 6's closed at 91¾ bid, an advance of ¼ on the closing bid of yesterday; Missouris at 40¾ bid; Georgias at 67 bid; and Louisianas at 60 bid. Northern Central Railway shares and bonds were better than on yesterday, an advance of ¼ to ½ being established in the shares, and the bonds showing an improvement of 2 to 2¼ per cent. The interest coupons due in July last on the two-and-a-half million of 1885 bonds, is now being paid, and this fact is doubtless the cause of the improvement in this stock. Sales were made at the Board of $2,000 of the 1885 bonds at 65, and they closed at 64¾ bid, 65 asked. We notice also sales of 50 shares of the stock at $17¾ seller 60 days, and it closed regular way at $17¾ bid, $18 asked. For Baltimore and Ohio Rail road shares $19¾ was bid, and $50 asked, but no sales were made. We notice however a sale of $1,000 Baltimore and Ohio 1885 bonds at 74, which is an advance of 1 per cent. on the price bid for them yesterday. Baltimore and Ohio 1867 bonds closed at 83¾ bid, do. 1875's at 77¾ bid, and do. 1862's (the extra-dividend bonds) at 49¾ bid. Bank stocks are in demand and firm, but there are very few offering. We notice sales to-day of 7 shares Western at $17. Insurance stocks are also in demand and very firm, but of these as well as Bank stocks, there are very few on the market. We notice a sale to-day of 900 shares Springfield Mining Company at $2, which is a decided improvement. For Gardner Hill 80 cts. was bid, and 90 cts. asked, and Rudisell closed at 50 cts. bid, 75 cts. asked.

In New York to-day Missouri 6's declined ¼, but Virginia and North Carolina 6's advanced ¼ each; Tennessee 6's ¼; Canton ¼; Erie ¼; New York Central ¼, Rock Island ¼; Reading ¾; and the market closed firm.

The New York *Herald* of yesterday says:

The stock market continues unsettled, though most of the leading operators are buyers and believers in an advance. Prices remained pretty steady throughout the day; but at the close of business there was an increase of orders to sell, and the speculative shares gave way a fraction. Comparing the closing prices of the day with those of yesterday, we note a decline of ¼ in Central, ¼ in Erie, ¼ in Erie preferred, ¼ in Reading, ¼ in Michigan Central, 1 in Panama, ¾ in Illinois Central, ¼ in Galena, ¼ in Toledo, and ¼ in Rock Island. On the other hand, United States stocks, State stocks, first class bonds and Pacific Mail were in better demand and improved. The 6's of 1881 rose ¼, Virginias ¾, Tennessees ¼, Missouris ¼, and Pacific Mail ¾.

The following is a comparative statement of the exports (exclusive of specie) from the port of New York to foreign ports for the week ending February 4 and since January 1:

	1860.	1861.	1862.
For the week	$1,909,069	$2,890,864	$1,976,379

Since January 1	$7,378,490	13,432,094	13,199,800

BALTIMORE MARKETS.

WEDNESDAY, February 5.

Rates are altogether nominal, but we still quote as follows, viz: Rio at 18¾@19 cts. for fair, 20@21 cts. for good to strictly prime; Laguayra at 23@24 cts. and Ceylon and Java at 24@25 cts. per lb. The stock of Rio here is now about 23,000 bags.

CANDLES.—A lot of 500 boxes full weight Adamantine Candles was sold yesterday to the government at 17 cts. per lb.

FLOUR.—There were sales yesterday in addition to those noted in our report, of some 1,500 bbls. City Flour. Extra for export, at $6.50, but the sales of Flour to-day so far as we have heard, include only 200 bbls. Howard Street Super at $5.75, 100 bbls. Ohio cut Extra at $5.75, and 200 bbls. do. Extra at $6.25 per bbl. For Super Flour there is comparatively little inquiry, and we quote it dull at $5.75 for Howard Street, $5.62½ for Ohio, and $5.50@5.62½ per bbl. for City Mills. Extra Flour, the stock of which has been considerably reduced within the past few days, closes steady at $6.25 for Ohio; $6.25@6.37½ for Howard Street; and $6.50@6.75 per bbl. for standard brands City Mills.

FAMILY FLOUR.—There has been no change recently in the rates for Family Flour, and it is still selling by the dray load to the trade at $8.25 for the best brands Baltimore, and $6.75@7.25 per bbl. for Ohio and Howard Street. Baltimore high grade Extra is bringing $7.75 per bbl, by the drayload.

RYE FLOUR AND CORN MEAL.—Rye Flour is still quoted at $3, and Corn Meal at $3.20 per bbl. A sale of 200 bbls. Brandywine Meal was made a few days since at $3.20 per bbl.

GRAIN.—There were about 30,000 bushels Grain at market to-day, 11,000 bushels of which were offered at the Baltimore, and 19,000 bushels at the Maryland Corn Exchange. Wheat was in fair request and tolerably firm. There was nothing done in white, there being no desirable lots offered, but of red there were some 2,000 bushels sold at 135@137 cts. Corn, of which there were about 8,000 bushels offered at the Baltimore, and 9,000 bushels at the Maryland Exchange, was in fair demand and pretty firm. Sales were reported at the former institution of some 2,200 bushels yellow at 59 cts., and 3,400 bushels white at 63@65; the latter figure being paid for 1,000 bushels; and at the latter of 4,000 bushels yellow at 58¾@59 cts., and of two or three small lots white at 60@67 cts. Pennsylvania Rye is steady at 75 cts., some 300 to 400 bushels being sold to day at that figure. Of Oats there were some 10,000 bushels offered at the Maryland, but there were less than 1,000 bushels received at the Baltimore Exchange. Sales of 5,000 to 6,000 bushes Pennsylvania were made at 41@42 cts. per bushel.

MOLASSES.—Molasses is very dull, but we still quote nominally as follows, viz: old clayed Cuba at 29@32 cts.; new crop do. at 29@32 cts.; old Muscovado at 26@28 cts.; new crop do. at 30@33 cts.; Porto Rico at 35@40 cts.; and New Orleans at 32@36 cts. per gallon. The stock here of all descriptions is very light.

PROVISIONS.—There is a little more doing in Provisions where first hand, and the demand is still quiet. Contracts were made here within the last day or two than there has been, but the general market is still very quiet. Contracts were made here within the last day, or two by the Government for 500 bbls. Baltimore Mess Beef at $15, and for 500 bbls. Western do. at $15.75@15.87½, but the latter was awarded to a party in another market. There is a little demand for Lard, and we notice sales within a day or two past of about 150 tierces Western at 8 cts. A lot of 10 hhds. new Bulk Hams was sold to-day at 5 cts., and we notice sales within a day or two of some 20 to 30 tierces Bacon do. at 7@7¼ cts. We quote Bulk Shoulders at 4 @4¼ cts.; do. Hams at 5@5¾ cts.; Bacon Shoulders at 5@5¾ cts., and do. Sides at 6@6¼ cts. There is nothing doing in Bulk Meat, but for Bacon there is a limited demand. We hear of no sales of barreled Pork. Mess is held at $12.50@13, and we quote Prime at $10, and Rump at $9 per bbl.

RICE.—There is no Rice selling but we quote it at 7¼ @7¾ cts. for Carolina, and 6@6¼ cts. for dressed East India.

SALT.—Liverpool Salt is still selling at the following rates, viz: 115@120 cts. for Ground Alum; 175@183 cts. for Marshall's, Jeffrey & Darsie's, and Worthington's fine; and 200 cts. per sack for Ashton's do., but is very firm and tending upward. Turks Island Salt is held at 55 cts. per bushel.

SEEDS.—Cloverseed is scarce and firm with an upward tendency. We notice sales to-day of about 100 bushels at $4.62½@4.75, and some holders ask still higher figure for prime. Timothy Seed is steady at $2@2.25, and we quote Flaxseed at $1.80@1.90 per bushel.

SUGARS.—There was some inquiry to day for Sugars from the trade, and sales were made of 120 hhds. new crop Porto Rico, but the terms were kept private. We have no change to note since yesterday in prices, and we again quote as follows, viz: Cuba at $7@7.50 for refining, and $8@8.50 for grocery grades; English Island at $7@8; Porto Rico at $7@7.25 for common; $8@8.75 for fair to prime; and New Orleans at $8@8.75 for fair to prime.

REFINED SUGARS.—The following are the quotations for refined Sugars, as given in the last circular of Messrs. F. W. Brune & Sons, agents of the Maryland Sugar Refining Company, viz:

WHISKEY.—Whiskey is generally held at 26 cts. for both City and Ohio, but there are no buyers at this figure, and to effect sales holders would be obliged to accept a lower price.

DOMESTIC MARKETS.

BOSTON, Feb. 5.—The Flour market is rather firmer—sales of Western superfine at $5@5.12½; fancy $5.50@5.62½; extra $5.75@5.87½; superior $6@7.25 per bbl. Southern is quiet and prices are nominal. NEW YORK CATTLE MARKET, Feb. 4.—The Cattle market is unsettled again this week. About 1,000 bullocks came in last week, after the regular market was over. They were sold on Thursday and Friday, and went so far towards supplying the wants of this week. The late storms have detained several stock trains otherwise due, and those which did arrive came in so scattering that it was difficult to establish regular prices and a steady market. Buyers preferred to await expected arrivals, though a slight advance was obtained for those sold. About 1,800 head were in the yards on Tuesday morning, and 400 more came in during the afternoon. A few very fat animals were in market. Most of the good stock sold at 8¾@9 cts.

TREGO'S
CEREAL AND PLANT FOOD
AND
RUST PREVENTIVE;
TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
P. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that constitute CEREAL and PLANT FOOD. It hastens, by ten or twelve days, the maturity of the Plant and Grain, and is especially adapted to crops requiring an early and vigorous start to bring them to perfection. For late seeding (especially upon Corn grounds) where the soil plant food has been rapidly removed by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food":

PORT PENN, Del., Sept. 7, 1861.
Messrs. TREGO & SON, Baltimore:—The "PLANT FOOD" spread this spring both here and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) my product of both grain and straw. There was no doubt about that. No green color, the *blowing* of the resin, giving the *appearance* of bounds the number of plants from the same number of seed, the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, viz: that the PLANTS there had room, of which the soil elsewhere was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* the manure was spread as a top dressing.
Yours respectfully, DAVID STEWART,
Professor of Agricultural Chemistry.

NORTH EAST, Md., Sept. 5, 1861.
St. John's College.
Messrs. Wm. TREGO & SON, Baltimore:
I applied the "PLANT FOOD" at the rate of one to two hundred lbs. per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the Corn started and has kept far ahead of that on the side of it, which was manured with ashes in the hill.
From the little experience I have had with it, I think it preferable to Guano or Bones—and shall so recommend it.
Yours respectfully, RUSSELL THOAS,
☞ The PLANT FOOD is put up in substantial bags of 150 lbs each.
