CITY INTELLIGENCE.

THE GREEN BAG.—For days past the municipal politicians pool has been stirred to its very depths, and yesterday the putrid water was lashed into a perfect foam. The "ins" have to go out, and the "outs" are to go in, and the friends of the different aspirants and those who expect favor from the elevation of particular individuals, were busy as bees in their efforts to head off opponents and worm in their friends. Charges of all kinds were trumped up, and good Union men found agreeable employment in proving other good Unionists disloyal. It half is true of what was said of some of the principal aspirants, none of them were fit for office — The contest was extremely warm, and up almost to the very moment that the strings of the bag were tied, his Honor, the Mayor, was importuned. In anticipation that the bag would be sent to the Council last evening, the disinterested politicians thronged the lobby, wearing countenances of most anxious casts. Not for years has the same amount of interest been manifested in the appointments — In some instances there were so many applicants that it was difficult to say who was most prominent. The offices of honor merely appeared to be more sought after than those of profit. The labor, however, is now over, and the disappointed can console themselves with the reflection that they were better judges of their own qualifications and worth than other people.

SHOOTING AFFRAY.—On Thursday night, about ten o'clock, a fight took place in the Melodeon Concert Hall, Baltimore street, near the bridge, which bid fair for a time to be of a serious character. At the hour named, Mr. J. Pendergast entered the hall and called for a glass of beer, and after drinking it, by some means, accidental or otherwise, broke the glass. Officer Pearce then compelled Pendergast to leave the hall, and when the latter reached the foot of the stairs, he drew a revolver and commenced firing at Pearce and others who had assisted him in removing Mr. Pendergast from the concert room. Pearce also drew a revolver and commenced firing, and each party emptied their revolvers. One of the shots took effect in Pearce's right thigh, passed through, and wounded another party in the leg. Pendergast was not hurt. The firing attracted the attention of the police, and officer Morgan arrested Pendergast, and when proceeding along the street the crowd attacked them, knocking both down. Other police arrived, and the crowd was dispersed. Mr. Pendergast was released on $1,000 bail to answer.

ATTEMPT AT ROBBERY FRUSTRATED.—A daring attempt to rob the dwelling of Mr. John Leary, situated on Hanover street, near Hamer, was made on Thursday afternoon. One of the servants, having occasion to go into the hall, noticed a negro carrying a quantity of silverware down stairs, and gave an alarm, whereupon the fellow dropped the articles and fled into the street. He was followed by a policeman who was unable to catch him, and he consequently escaped the penalty of his offence.

Mr. J. WILKES BOOTH.—This popular young tragedian will make his first appearance in his native city on Monday evening, appearing in the character of Richard the Third, rendered so famous by his lamented father, and in the rendition of which he is said to be a close and true copy of the great original. Let him have a cordial welcome.

The house will be enlivened by a Dance by Miss Lizzie Lee, and a Medley by an Irish Comedian.

that cit is better to laugh than to cry," and those who believe that the adage is as true as it is old, can prove its correctness by visiting Front Street Theatre. Monetary and Commercial Notices.

BALTIMORE, February 11, 1862.

There was a larger business done at the Stock Board to day than on any day for a long time past, and for almost everything on the list the market was buoyant. City 6's were ⅛ to 1 per cent. better than on yesterday. Sales were made of $100 1875's at 91, and $4,000 1890's at 91@91¼, and the former closed at 91 bid, and the latter at 91⅜ bid, 91⅝ asked. Nothing was done in State stocks, but they were all quite firm. Maryland 6's closed at 91½ bid for inscribed, and 92 bid for coupon 1870's; Georgia 6's at 67 bid; Tennessee 6's at 46 bid, and Louisiana 6's at 61 bid. Baltimore and Ohio Railroad was $1 better than on yesterday. There were 8 shares sold at 51½, and it closed at 51¼ bid, 51⅝ asked for 25 shares. For the extra dividend bonds of this road convertable into stock 52¾ was bid, and we notice sales of $1,500 of the 1885 bonds at 75, the market for them closing at 75 bid, 77 asked. Northern Central shares and bonds were very buoyant indeed, the shares showing an improvement of 1 to 1¼, and the 1885 bonds selling at an advance of 2 to 3 per cent. on the price bid yesterday. Nothing was done in the shares, but they closed at 22½ bid, 24 asked, but we note sales of $6,000 of the bonds at 73⅜@74, and they closed at 74⅛ bid, 78 asked. Sales were made to day of 16 shares Merchants' Bank at 90⅝@90¾, and they closed at 90⅝ bid, 90¾ asked. Nothing was done in other Bank stocks, but they were generally firm. For Insurance stocks there was some inquiry and sales were made of 180 shares National Fire at $7⅞. For Fireman's $13 was bid, and Baltimore Fire closed at $23 bid. We notice sales to day of 100 shares Canton Co. at $13, which is an advance, and it left off at $13 bid, $15 asked. For the Mining stocks there was some inquiry and sales were made of 50 shares Guilford at 25 cts., and of 500 shares North State at 15 cts. For Springfield $2 15 was bid, which is a further advance.

The Money market exhibits no new features. Money is still abundant and capitalists find it a difficult matter to make satisfactory investments, the supply of capital being largely in excess of the demand. Prime endorsed paper is in demand at 6 per cent., and there is some single name paper which goes at 7@8 per cent, but most of the single name paper selling ranges at from 9 to 12 per cent. Money is offering very freely on call at 6 per cent.

The foreign exports from this port for the week ending on Thursday, amount in value to $110,627, against $132,991 last week. Included in the exports were 5,132 bbls. flour, and 35,680 bushels corn.

In New York to-day Virginia 6's advanced 1 per cent; Missouri 6's ¾; Tennessees 6's 1¾; Canton ⅜; Erie ¼; New York Central ⅜; Reading ⅜, and Rock Island ⅞. North Carolina 6's sold at 63, and Treasury notes at 99¾, yesterday's rates.

At the second board stocks were rather better, and comparing the closing prices of the day with those of yesterday we note an advance of ⅛ in Erie preferred, ⅜ in Panama, ⅜ in Illinois Central and ⅜ in Toledo. Other securities were without change. At the close the market was firm.

REVIEW OF THE BALTIMORE MARKETS

FOR THE WEEK ENDING FEBRUARY 14.

ALCOHOL.—Alcohol is held at 50 cts. per gallon for 95 per cent., but we are not advised of any sales this week.

APPLES.—Green Apples are still scarce and wanted and lots in good order would sell very readily at $4@4.25 per bbl. We quote Dried do. at 6@7 cts. for old, and 7@8 cts. per lb. for new.

BARK.—Quercitron Bark is in good demand and quite firm, at $20@25 per ton for ordinary to prime. There is however very little arriving and we are not advised of any sales this week.

BREAD.—Bread is selling at 5 cts. for Navy; 5⅛ cts. for Pilot; and 6⅛ cts. for Water Crackers, less the usual discount. The local demand is active, but there is very little inquiry for it for export.

BEESWAX.—Beeswax is selling at 35@36 cts. per lb. for prime yellow.

BRIMSTONE.—The market is still bare of Brimstone, and we can give no quotations for it.

CHEMICALS.—We quote this week as follows, viz: Soda Ash at 2¾@3 cts. for 80 per cent.; Sal-Soda at 2⅜ cts.; Bi-Carb Soda at 5@5¼ cts. for Newcastle; Bicarbonate Soda at 2¾@3⅜ cts.; Caustic Soda at 5@6¾ cts.; Nitrate Soda at 4¾@4¾ cts.; and saltpetre at 13@14 cts. for crude, and 18 cts. per lb. for refined.

COFFEE.—There has been very little inquiry for Coffee this week, and nothing whatever has been done in it so far as we have heard. The consumption of Coffee has without doubt been very materially curtailed by the very high prices, and the market for it is heavy as well as dull. Rates are entirely nominal, but we still quote as follows, viz: Rio at 18⅜@19 cts. for fair, 20@21 cts. for good to strictly prime; Laguayra at 23@24 cts., and Ceylon and Java at 24@25 cts. per lb. The stock of Rio here is about 50,000 bags.

CANDLES.—There has been no movement of consequence this week in Candles, but we still quote as follows, viz: at 16@17⅜ cts. for Adamantine; 24@25 cts. for Paraffine; and 39@40 cts. per lb. for Patent Wax. Mould may be quoted at 10@12 cts. for Western, and 12⅜@15 cts. per lb. for Baltimore.

COAL.—There is nothing doing in Cumberland Coal there being very little here, but Anthracite is in good demand. It is selling by the cargo for steam purposes at $5@5.25, and from the yards for domestic use at $5 50@5.75 per ton of 2,240 lbs. The stock here is unusually light.

COPPER.—There is still a good demand for Copper, and Baltimore refined Ingots are held very firmly at 28 cts. per lb. cash. We hear however of no sales this week. We quote Yellow Metal Sheathing as before at 25 cts., and Yellow Metal Bolts and Nails at 28 cts. per lb.

FEATHERS.—Feathers still range at from 30 to 45 cts. per lb., as in quality, but there is very little doing in them.

FISH.—Fish are in better demand and rather firmer. Mackerel have advanced slightly and we now quote at
