The New York *Herald* of yesterday says:

The Southern State stocks continue to be freely bought on speculation. Tennessees rose 2¼ this morning, and 2 more this afternoon; Missouris 1¼ in the morning and 1 more in the afternoon. The large advance in Tennessees to day was no doubt partly due to the wild rumors of a proclamation by Governor Harris, calling upon the citizens of Tennessee to lay down their arms. The morning's advance was equal to ¼ in Central, ¼ in Erie, ½ in Michigan Southern old; ¼ in guaranteed, ⅛ in Illinois Central, ¼ in Galena, ¼ in Toledo. An attempt is being made by the speculators in Central to corner the market, but we presume that, as usual, it will merely have the effect of bringing out stock for sale. At 82¾, dividend off, Central seems dear enough comparatively with the price of Government securities and first class bonds—Pacific Mail declined ½ per cent. The business of the company is very light; the last trip from San Francisco was the lightest ever made since the company was established. It is reported that the Government has notified the company that the Baltic will no longer be wanted as a transport. At the second board the market was firm at the prices which ruled between the boards.

ALCOHOL.—There has been an advance in Alcohol during the week, and we now quote at 52@54 cts. per gallon for jobbing lots 95 per cent. proof.

ASHES.—We are advised of no transactions in Ashes this week. The latest New York quotations are $6 25 for Pearl, and $6 37½ per 100 lbs. for Pot.

BARK.—The supply of Bark is moderate, and with a fair demand prices rule firm. There is little or none being exported. During the week small lots have changed hands at $21@23 for No. 2, and $24@25 per ton for No. 1.

COFFEE.—There has been but little animation in the Coffee market this week, the only sales reported comprising 650 bags Rio at 19 cts. net. We continue to quote as follows: Rio at 18¾@19 cts. for fair, 20@21 cts. for good to strictly prime; Laguayra at 23 @24 cts., and Ceylon and Java at 24@25 cts. per lb. Wheat continues in moderate supply, prime and choice lots of white have been wanted, but the receipts embraced scarcely any of these descriptions. The offerings of red have been about equal to the demand, and prices have ruled dull. White Corn has been dull throughout the week, only strictly prime dry being in any demand. The few lots of this description offered were readily taken by shippers at a slight advance on the quotations of last week. Yellow Corn has gradually declined, the demand being extremely moderate. Oats are dull of sale. In the early part of the week Rye was neglected, but within the last few days a demand has sprung up, and the market is now quite active.
