CITY INTELLIGENCE.

THE BALTIMORE CONFERENCE.—Those persons who were present at Light Street Methodist Episcopal Church yesterday, during the session of the "Baltimore Conference," were witnesses of the evidence of the truth of the opinion expressed in this paper, a few days since, that extraordinary interest would attach to the proceedings of that body during the present session. The lower floor was well occupied by interested spectators, as well as the gallery, not the least portion of whom were gentlemen of various Christian denominations. The attendance of Ministers was small, being but a fraction beyond one-third of the whole number of members of the Conference. The absence of so many members is not altogether attributable to unavoidable circumstances. As heretofore stated, of one hundred and sixty-five members of the Conference, eighty-nine, at least, reside north of the military lines. There were present but fifty-eight members, leaving thirty-one absentees who reside on the northern side of the military lines. The principal feature of the proceedings yesterday was a discussion which arose upon the presentation of a paper by Rev. S. V. Blake, explanatory of the reasons which influenced himself and six others, whose names were signed to the paper, in acting with the Conference after having supported the action of the majority at the session of March, 1861, held at Staunton, Va., in relation to the "new chapter." The paper, as will be seen by the report of the proceedings, was referred to a committee of seven, which, it is thought, will report this morning. A preamble and resolution, reflecting the sentiments of a majority of the members now in attendance, was presented by Rev. N. J. B. Morgan, and referred to the same committee. Before the close of the Conference, there will no doubt be a very general discussion of the subject of the adoption of the "new chapter" by the general Conference, at Buffalo, New York, in May, 1860. As a matter of general interest, the "rock on which they split" is given below.

"Question.—What shall be done for the extirpation of the evil of slavery?

"Answer.—We declare that we are as much as ever convinced of the great evil of slavery. We believe that the buying, selling, or holding of human beings, to be used as chattels, is contrary to the laws of God and Nature, and inconsistent with the Golden Rule, and with that Rule in our Discipline which requires all who desire to continue among us to 'do no harm' and to 'avoid evil of every kind.' We therefore affectionately admonish all our preachers and people to keep themselves pure from this great evil, and to seek its extirpation by all lawful and Christian means."

TESTIMONIAL TO THE LATE REV. MR. HOWARD.—At a meeting of the ministers of different denominations, held on the 5th inst in the vestry room of Emmanuel church, agreeably to previous notice, Rev. Dr. Smith was requested to preside, and the Rev. Dr. Bullock to act as secretary. A committee having been appointed to draft resolutions, the chairman, Rev. Dr. R. Fuller, presented the following, which were unanimously adopted.

RESOLVED, That in the loss of our beloved brother, the late Rev. Charles Ridgely Howard, we feel that we have suffered a personal bereavement, and the cause of Christ and the whole community have sustained a severe affliction. His warm, generous and noble qualities endeared him to our hearts; his simple, pure and catholic piety—his love of all Christians and all Churches of every denomination; and his zeal, benevolence, integrity, modest but most fearless independence of spirit, caused all who knew him to glorify the grace of God as manifested in his character and conduct. Ever ready to every good word and work, his whole life illustrated the mind of him who "went about doing good;" and in meekness combined with great ardor, in tenderness almost feminine united to every manly virtue, in entire consecration, with an instinctive abhorrence of all ostentation, he strikingly exemplified the temper of "that disciple whom Jesus loved."

Resolved, That to his sorrowing Church and family, and especially to that honored lady whose heart has been desolated by this inscrutable Providence, we tender the assurances of our profound and most affectionate Christian sympathy.

Resolved, That a copy of these resolutions be sent to the widow of the late Rev. Mr. Howard, and to the vestry of the church of which he was pastor.

JOSEPH T. SMITH, Chairman.
J. J. BULLOCK, Secretary.

INQUEST.—On Tuesday night the body of a negro man was found floating in the back basin. It was secured, and in the absence Coroner Sparklin, Justice Welsh held an inquest over the body, and a verdict of accidental death was rendered.

Amusements.

HOLLIDAY STREET THEATRE.—On Tuesday night Mr. Booth played Charles De Moor in Schiller's *Robbers*, and it was one of his finest and most successful efforts. The piece, however, was badly mutilated, which detracted much from the interest which his admirable acting created. If the time did not permit perfect presentation of the piece, a shorter play should have been given, for it is barbarism to mutilate so intrinsic a composition as the *Robbers*. To-night he will appear as Romeo, a character in which he should excel. Miss Graham will essay Juliet.

FRONT STREET THEATRE—*Fanchon.*—Our readers will doubtless be glad to learn that Miss Maggie Mitchell will appear this evening in her remarkable personation of *Fanchon, the Cricket;* Mr. S. W. Glenn will appear as *Father Barbeaud.* To-morrow evening Miss Mitchell will receive her benefit, when quiet, or the dragoons of the Quaker City, who are desirous of seeing Miss Mitchell in *Fanchon*, should remember that the last opportunity will be afforded this evening.

BALTIMORE MUSEUM.—Kunkel's Troupe will make their appearance at the Museum to-night for the one hundred and seventy-first time, and in an entirely new entertainment. Professor Ahrend appeared last evening for the first time in connection with the company in one of his remarkable solos upon the violoncello.

FROM FORTRESS MONROE

Arrival of Released Federal Prisoners at Richmond—Richmond Placed Under Martial Law.

FORTRESS MONROE, March 4.—The vessel which arrived here last, supposed to have been the United States frigate St. Lawrence, was the transport ship De Witt Clinton.

The wind is South to-day.

There was a flag of truce sent to Craney Island to-day, but no passengers came down.

The Southern papers received here contain the following items:

The Richmond *Dispatch* of this morning says Colonels C. M. Wilcox and Corcoran, and other Federal prisoners to the number of one hundred, arrived here on Friday last from Columbia, South Carolina, and awaiting transhipment to Newport-News. They, however, may not start for several weeks to come, as arrangements for sending them away have not yet been perfected. Colonel Wilcox is the officer who acted as Military Governor of Alexandria when it was first occupied by the Federalists.

It is reported from Richmond that Hon. John Minor Botts has been arrested and placed in prison for manifesting Union proclivities.

General order No. 9, dated Adjutant and Inspector General's office, Richmond, March 1st, publishes the proclamation of Jeff. Davis extending martial law also over Richmond and the adjoining country for ten miles.

Brigadier General Winder is charged with the execution of this order.

All distillation of intoxicating liquors and the sale of the same are forbidden.

The promulgation of this order is said to be on account of the prevailing demoralization of the army, and other disorderly manifestations.

Another general order of General Winder appoints Captain A. C. Goodwin, Provost Marshal of the City of Richmond. All persons having arms of any description are required to deliver up the same to the Ordnance Department 5th or before the 5th of March—otherwise they will be seized.

There are many reports of symptoms of disaffection being manifested in Richmond toward the Rebel authorities.

The *Dispatch* says, in reference to the disarming order, that the measure will be half satisfaction by all classes.

ALEXANDRIA, March 2.—A gentleman who has just reached here says that on Saturday morning Commodore Tatnall's fleet engaged one of the Federal batteries near Savannah. He lost one man killed, after which the fleet retired.

BALTIMORE MARKETS.

WEDNESDAY, March 5, 1862.

COFFEE.—The demand continues good. We notice the sale of a lot of 300 bags Rio to-day at 19¾ cts. net cash. The sales within the past three days amount to about 1,500 bags at these figures. The market is quite firm, and some holders are asking advanced rates. We, however, continue to quote at 19@20 cts. for common to prime Rio, 20@21 cts. for Laguayra, and 26@27 cts. for Java. The stock of Rio in first hands is about 25,000 bags. There is very little of other descriptions here.

Mess, and $17 per bbl. for Extra Mess. Bacon is pretty firm at 5¾@5¾ cts. for Shoulders, and 6¾ cts. for Sides. Hams were steady. After the first board the market became languid, and very little business was done in the afternoon. The market closed weak.

LARD.—Lard is held firmly at 8¾ cts. for prime Western in bbls. and tcs., and we quote refined at 9¾@10 cts, but there are no sales making.

RICE.—The market is entirely bare of Rice. We quote nominally at 7@7¾ cts. for fair to prime Carolina.

SALT.—Liverpool Salt is still selling at the following rates, viz: 120 cts. for Ground Alum; 180 cts. for Marshall's, Jeffrey & Darcy's, and Worthington's fine; and 200 cts. per sack for Ashton's do., but is very firm at these figures. Turks Island Salt is held at 35 cts. per bushel.

SUGARS.—We notice a sale to day of 20 hhds Porto Rico at $7.62½@8.50. Yesterday, late in the day, there were sales of 120 hhds. English Island Sugar at $6.75; 67 hhds. Cuba do. at $6.75, and 71 hhds. Porto Rico at $7, all being taken for refining purposes. These sales establish an advance of about ¼ cent, and we alter our quotations accordingly. We quote Cuba and English Island, common to good refining at $6@7; do. do. fair to good at $7.25@7.75; do. do. prime $7⅝@8.25, fair to good Porto Rico at $7.50@8.25; prime do. at $8.50@8.75; Havana, boxes, at $7.50@8.75. There is no New Orleans in market.

SEEDS.—There was a pretty good demand for Clover seed this morning, but we were unable to hear of any sales. We continue to quote it at $4.25@4.37½ per bushel. Strictly prime lots are held at $4.50. We continue to quote Timothy Seed at $2.25@2.50, and Flaxseed at $1.90@1.95 per bushel.

The asking price is 30 cts. per gallon, but although this figure was paid in several instances yesterday, there are no buyers in market to-day.

DOMESTIC MARKETS.

BOSTON, March 3.—The Flour market is dull, but there is no change in prices—sales of Western superfine at $5.12½@5.37½; fancy $5.62½@5.75; extra $5.75@6; superior $6.25@7.50 per bbl.; Southern is quiet and prices are nominal. Rye is selling at 78 cts. per bushel. Shorts are firm at $17@18; Fine Feed and Middlings at $19@21 per ton.

NEW BEDFORD OIL MARKET, March 3.—Sperm has been more active since our last, and the sales for the week include 2,690 bbls. in parcels at 140 cts. per gallon; 2,100 bbls. for export, and the balance to the trade. Whale is very quiet—a sale of 150 bbls. on private terms is the only transaction for the week. Whalebone—Nothing doing.

NEW YORK CATTLE MARKET, March 4.—We have to report the business of the great bullock market in Forty-Fourth street for the opening day, very unsettled and fluctuating, with many sales quite in advance of this day week, and others at no better and even worse rates than those in the last report of the market. There was a general stampede of cattle brokers after the close of the market here last week, to meet drovers and buy them out on speculation, and as high as 8¾ cts. a pound net was paid at Albany for droves of only good fair medium quality, which the buyers expected to sell at 9@10 cts. per lb. The market opened on these expectations, which have been realized only to a very limited extent. So far as butchers paid these rates they were victimized, for there is no scarcity of bullocks to warrant such an advance. The number reported when the market opened this morning was about 2,800, and some 700 head more came in about noon. The general selling prices to-day for the great bulk of the stock is from 7¾@8¾ cts. per lb. net weight, sinking offal. Some very coarse stock and most of the cattle will be sold.

CINCINNATI, March 4.—Flour dull—super $4.20@4.25. Whiskey advanced to 20 cts but closed unsettled. Provisions unchanged. Nothing done in Mess Pork or Lard. Exchange on New York dull at par to ¼ per cent. discount.

CHICAGO, March 4.—Flour dull. Wheat quiet and unchanged. Corn active, and ¼ ct. higher. Mess Pork quiet and firm at $11.60. Bulk Meats scarce and firm. Hogs, dressed, 6 cts. higher—sales at $3.33@3.65; live, firm at $3@3.60.

MARKETS BY TELEGRAPH.

NEW YORK, March 5—Cotton is firm—sales of 900 bales at 21½@25 cts.; sales of 200 bales of Sea Island at prices ranging from 18 to 23 cts.
