FOR FREDERICKSBURG, VIRGINIA, AND LANDINGS ON THE RAPPAHANNOCK RIVER.

The steamer VIRGINIA, Captain Jas. Brooks, leaves Balto. st. from foot of Pratt st. at Needham's pier, alight street wharf, every Wednesday at 8 o'clock, A. M., returning every Saturday morning at 8 o'clock, or immediately after the arrival of the train of cars from Richmond and Washington. Stopping at all the regular Landings on the Rappahannock, going and returning, to land and receive freight and passengers.

THE VIRGINIA

is comparatively new, and was built by merchants of Fredericksburg and Baltimore, interested in the trade, and by merchants and farmers residing in the country adjacent on the Rappahannock, for the express purpose of keeping first-class Steamer on the route. Her accommodations for water-rooms have been altered, thus affording ample space for freight, and at the same time leaving the cabin free for the exclusive use of passengers. As an evidence of the good boat accommodations, she has been selected by the Quartermaster of the Army for the transportation of Government freight and passengers to and from Baltimore, and charters for the Army, during a portion of her time.

Freight taken at low rates. Bills of lading and through freight arranged for with connecting lines to Richmond, and all points South and West. For further information, apply to the Agent on board of the Steamer at Needham's pier, foot of Pratt street, Baltimore, or to
