CONTRABAND (NEGRO) MATTERS—NON-ENFORCEMENT OF THE LAWS.

Washington Correspondence N. Y. Express, May 14.

Somebody has stepped in between the United States Marshal here and the fugitive Slave Law of the United States, and nullified that law, "seceded" from it, and the constitutional obligation upon which it is founded,—and that "somebody" is believed to be Major General Wadsworth, of New York, in command, as High Provost Marshal, of the military here. A widow lady from Prince George (Md.), of Union sentiments and Union associations, was at the Capital yesterday, stating that her negroes had been abducted from her, were now in Washington, (living on Government rations,) and that while the United States Marshal was willing to execute the law of the United States—"the delivering up,"—Major General Wadsworth stepped in and forbade it.

Now, while I have great respect for General Wadsworth, as a man of family, a man of property, and therefore, a man of position, I cannot help saying that when he thus aids and abets, and participates in the violation of the laws of the United States, he deserves no more respect than other violators of law and order, be they high or low.

The ground, I understand—the moral, the ethical ground—upon which Major General Wadsworth thus puts this violation of law, is, as abolitionist or emancipationist: "The negro has as much right to his freedom as the white man;" and that, therefore, he will not aid in delivering him up. In short, the General's idea is, that: "No man has moral rights to own man."

Now, as the discussion of ethics, or morals, or of the correlative rights and obligations of individuals in society, is too long a matter for newspaper discussion, I propose to offset it more briefly by saying, that the Prince George Widow has just as good an ethical right to the use of the services of some five or six negroes as General Wadsworth has to the hereditary monopolized possession of his immense landed domain in Genesee county and other counties in Western New York. Land, according to the new school of reformers, is God-given to all mankind. Land is the nurse and cradle of Nature, and nobody has a right to monopolize Nature. From land comes bread, and nobody has a right to monopolize the sources of bread; hence, he who monopolizes land, and fastens the rents, or rent service, on man, and deprives man of his space, entail, transfer, or possession, is more man's enemy than the Prince George Widow, with her few well-fed, well-cared for negroes.

But the Prince George Widow is willing to feed, to clothe, old or young, to take care of the negroes, which are now in the Contraband Negro depot, here, costing the United States Government in rations, every day, 31 cents for each negro,—and Gen. Wadsworth is, *pro tanto*, building up a huge National Debt upon this and the coming generation of white men, to support at this 31 cents per day, each, three thousands of here increasing runaway negroes. The policy which Gen. Wadsworth is pursuing here, is increasing the negro contrabands about 200 per day, and if it is permitted to go on, the white men of the North will soon have 20,000 negroes here drawing 31 cents per day each, which is $6,200 every day, and multiplied by 365 days in a year, is $2,263,000 per annum,—to say nothing of rent for lodgings, bedding, medicines, attendance, clothing, supervision, &c.

Now, I see in the *Express* of Tuesday, a long account of the wives and children of New York soldiers, who called upon the Mayor, and begged of him, who had no power to grant it, for money to buy bread. Tell these white women that if they will only come to Washington, *and paint them lves black*, they can get of Major General Wadsworth rations worth 31 cents every day, for every woman and every child, with other things in proportion. Tell them, then, to come, and bring their babies, *but to be sure and paint them all black.*

"The Constitution, the Union, and the Enforcement of the Laws," is what our armies are fighting for—not to tax the white laborers of the North to support idle Southern negroes, or to give negroes 31 cents per day rations, when the wives and children of soldiers in service, in deficit of pay, are compelled to throng City Halls. The negro rations from Port Royal to Washington would soon pay up every back soldier, and supply his wife with bread. Let Major General Wadsworth, then, here execute the law, and take the money wasted on rations to supply soldiers' wives with bread.

THE NEGROES IN SOUTH CAROLINA NOT TO BE ARMED.

I am happy to learn that upon reconsideration, or by the interposition of the President, the negroes in South Carolina are not to be armed, and thus be put upon equality with the white soldiers now there. Negroes are to be used there, as elsewhere, in service, or for labor, only with this novelty, that they are to be clothed at the expense of the United States Government.

I do not believe in taxing Northern labor to clothe Southern negroes, but this is altogether a different thing from arming them.

POST OFFICE AFFAIRS—PENNSYLVANIA AND MARYLAND.

The Postmaster-General has ordered the following:

On route No. 3,228, Cambridge, Md., to Cedar Creek (Hon. Mr. Critchlid's District), four additional weekly trips are ordered to Church Creek, giving to the enterprising people of that neighborhood daily (except Sunday) mail facilities instead of twice a week, as heretofore.

NORTHERN CENTRAL ROAD—*Harrisburg, Pa., to Baltimore.*—Mr. A. H. Baum (baggage master) is appointed to take charge of the express mail from the 8th of May, instant.

A new office is established at Aquashicola, Carbon county, Pa., and William H. Knecht appointed Postmaster. This office is situated between Lehigh Gap and Little Gap, and a short distance off the route from the former to Stroudsburg, but to be supplied without cost to the Department.

The name and site of the office at Litzenberg, Lehigh county, Pennsylvania, is changed one mile directly on the mail route. Herman Mohr appointed Postmaster, vice Benjamin Rupp, superseded by change.

At Leonardstown, St. Mary's county, Mr. Wm. J. Yates is retained Postmaster.

VIRGINIA.

At Paw-Paw, Morgan county, Jacob Zeller is appointed Postmaster, vice Wm. Heironimus, abandoned office.

J. Wesley Home, Postmaster, Woodside, Preston county, Virginia, vice Sydney R. Broadman, resigned.

John W. Ormdorff, Postmaster, Ritchie Line, Ritchie county, Virginia, vice John Fredericks, resigned.

FACILITY OF COUNTERFEITING U. S. TREASURY NOTES.—A pamphlet on the above subject has recently been published by W. L. Ormsby, of New York. It is contended that the present system of note engraving is entirely wrong, and should be remodeled. The American system was investigated and condemned by the Bank of England in 1820. In 1858 the Austrian Bank counterfeits were made in that city, in the same manner that the first counterfeit note on the Bank of England was made in London a century previous. The green ink employed in the printing of Treasury notes, it is stated, can be chemically discharged and removed without injury to the paper, and the inference, therefore, is that the ink is no effectual safeguard against alterations. The pamphlet concludes thus:

One hundred and fifty millions of United States Treasury notes, engraved in "ten days," by patching together material previously used for inferior purposes, and printed in three colors, one on the top of another, making confusion worse confounded, at as much expense as possible; signatures engraved; a legal tender of payment of all debts; as good as gold in thirty-two States, and almost as good throughout the world. One hundred and fifty millions—*all alike*—each one of which is destined to wander, without military escort, through camps, cottages, farms, banks, tents, ranches, and wigwams, until it becomes as ragged, torn, defaced and soiled as a *three years'* traveler in the Arctic regions without supplies. One hundred and fifty millions of them, destined to be counterfeited in the North, all the way to Kamtchatka; in the South, to Patagonia; in the West, to China, and in the East, to Jerusalem.

A gas explosion occurred on the 16th ultimo in High Holborn, one of the most frequented thoroughfares of London. Workmen were laying new pipes, when the escaping gas became ignited. The shock was so great that the fronts of several houses in the vicinity were demolished, the windows of the houses on both sides of the street were riddled, and pieces of the iron pipes were hurled high above the housetops, falling down again on the roofs or among the foot passengers in the street. Several persons were killed and others injured.

STILL ANOTHER TRIUMPH.

BALTIMORE, May 1st, 1862.

I have experienced so much benefit by using PEARSON'S, MEDICATED TAR DROPS, that I believe it not only a duty but a pleasure, to make it known to others. I was afflicted with a Sore Throat and Dry Cough, which debilitated me so that I could get no rest. My friends told me that I had the consumption. I am now happy to inform you that your MEDICATED TAR DROPS have cured me.

I find that your MEDICATED TAR DROPS are counterfeited, and I caution the afflicted to be on their guard. This is really a shame that so efficacious a remedy should be injured by unprincipled men. I am glad, however, to see that your signature is now on each package, and I advise those who purchase to bear that in mind.

Yours, truly, HENRY FISHER, No. 15 North Bond street.

PEARSON'S MEDICATED TAR DROPS are prepared and sold by GEO. PEARSON, No. 5 Liberty street, Baltimore. Sold also by the principal Druggists at 10 cents per package. m10-tf
