THIRTY-SEVENTH CONGRESS—FIRST SESSION

SENATE.

WASHINGTON, July 14.—Mr. GRIMES called up the joint resolution tendering the thanks of Congress to Capt. A. H. Foote for gallant services in the West, and it was adopted.

Mr. WADE moved to take up the bill for the admission of West Virginia, and the motion prevailed—yeas 25, nays 11.

The question was on the amendment of Mr. Sumner to strike out the provision freeing children born after July 4, 1863, and insert that there shall neither be slavery nor involuntary servitude, except for punishment of crime. The amendment was rejected—yeas 11, nays 24.

Mr. WILLEY offered an amendment that the State of West Virginia shall be admitted into the Union upon an equality with the other States, upon the fundamental condition that all slaves born within the limits of said State after the 4th of July, 1863, shall be free, and that the second section of article 11th of the Constitution submitted on the part of said State to the Congress of the United States, shall not be construed to authorize the passage of any law, and that no law shall be passed by said State, by which any citizen of either of the States of the Union shall be excluded from the enjoyment of all the privileges and immunities to which such citizens shall be entitled under the Constitution of the United States; provided that the convention which shall be reconvened in the manner prescribed by this act, shall, by solemn public ordinance, declare the assent of said State to the said fundamental provision, and shall transmit to the President of the United States, on or before the 15th of November, 1862, an authentic copy of said ordinance, upon receipt whereof the President by proclamation shall announce the fact; whereupon the admission of the said State into the Union shall take effect and be in force from and after sixty days from the date of such proclamation.

Mr. WADE submitted an amendment to this amendment, that all slaves within the limits of said State, who shall at the time aforesaid (4th July, 1863) be under 21 years of age, shall be free on arriving at the age of 21.

After discussion Mr. Wade's amendment to the amendment was adopted.

Mr. CARLILE off-red an amendment that the ordinance declaring the assent of the State to the conditions of the proposed constitution shall be submitted to the vote of the people and be ratified by them.

After discussion, Mr. WILLEY withdew his amendment and offered as a substitute the bill from the House permitting the State to come in with three representatives, (but not including the valley counties as the Senate bill does,) and provided for a Convention, after which the President shall issue a proclamation putting the act in force in sixty days.

Mr. LANE, of Kansas, off-red an amendment that all slaves within the limits of said State at the time aforesaid, (4th March, 1863), who are under ten years of age, shall be free when twenty-one, and all under twenty-one and over ten be free when twenty-five years of age. Adopted—yeas 25, nays 12.

Mr. CARLILE then moved to amend so as to strike out all conditions as to admission. Rejected—yeas 11, nays 25—the yeas being Messrs. Carlile, Cowan, Davis, Henderson, Kennedy, McDougall, Powell, Saulsbury, Stark, Wilson of Missouri, and Wright.

The question was then taken on Mr. Wilson's amendment or substitute as amended by Mr. Lane, and it was adopted.

The question being then on the passage of the bill—

Mr. SUMNER said he could not vote for the admission of a slave State with two new slave State Senators.

Mr. TRUMBULL was opposed to the admission of any new State at this time. It would destroy in Virginia the nucleus around which to rally the loyal people of the whole State, and this new organization would not give any further protection to the people. It must necessarily, after the war is over, cause much embarrassment. He moved to postpone the subject until the next session in December.

The discussion was continued by Messrs. Willey and Carlile, the latter expressing great desire that the sentiment of the people in his section should not be further divided, including those of the valley and other counties which had been added by the Senate bill to those beyond the mountains which had met in convention.

Mr. WADE further condemned the unexpected opposition of Mr. Carlile, who, he said, had induced them all to go into the measure by his able advocacy in committee, meeting constitutional objections, &c.

The motion of Mr. TRUMBULL to postpone until December was defeated—yeas 17, nays 23.

Mr. POWELL opposed the bill in some remarks.

The bill was then passed, yeas 23, nays 17, as follows:

Yeas—Messrs. Anthony, Clark, Collamer, Fessenden, Foot, Foster, Grimes, Hale, Harlan, Harris, Howe, Lane of Indiana, Lane of Kansas, Morrill, Pomeroy, Rice, Sherman, Simmons, Ten Eyck, Wade, Wilkinson, Willey, Wilson of Massachusetts—23.

Nays—Messrs. Bayard, Browning, Carlile, Chandler, Cowan, Davis, Howard, Kennedy, King, McDougall, Powell, Saulsbury, Stark, Sumner, Trumbull, Wilson of Missouri—17.

Mr. COLLAMER called up the bill from the House to punish the fraudulent use and sale of postage stamps, and it was passed.

Mr. CLARK called up the bill to suspend the act to the[illegible] fraud on the part of officers of [illegible] passed.

On motion of Mr. CHANDLER, this and it was House requiring commanders of American vessels sailing to foreign ports to take the oath of allegiance was taken up.

Mr. RICE moved to amend by requiring persons prosecuting claims before the departments to take the oath of allegiance, which was adopted, and the bill then passed.

Mr. HALE, from the committee of conference on the bill to establish and equalize the grade of line officers of the navy, made a report, which was concurred in.

Mr. Hale, from the committee of conference on the disagreeing votes of the two Houses on the bill for the better government of the navy, made a report, which was concurred in.

Mr. TRUMBULL called up the joint resolution relative to the law of prizes. It requires the money from prizes to be paid into court and distributed. It was passed.

Mr. TEN EYCK, from the Committee on the Judiciary, to which was referred the resolution for the expulsion of Mr. Simmons, on account of his receipt of compensation for his influence in procuring the Schuharth gun contract, made a report submitting the case on its facts, and making no recommendation.

Mr. WILSON of Massachusetts, reported from the Military Committee a bill, which he introduced on Saturday evening, to amend the act to call forth the militia to execute the laws, suppress insurrection, &c., approved 1795, and the acts amendatory thereto, and for other purposes. [The bill is a substitute for the bill which had been pending for some days for calling forth the militia and embracing most of the negro arming and negro freeing clauses which had been proposed as amendments to the other bill, besides other army provisions relative to staffs, &c., embraced in other measures which have heretofore failed in some way.]

The bill was taken up and several amendments acted on.

EVENING SESSION.

The PRESIDENT *pro tem.* laid before the Senate a message from the President of the United States, which was laid on the table and ordered to be printed. [See House report.]

Mr. SUMNER offered a resolution to rescind the resolution to adjourn on Wednesday next. Laid over.

Mr. GRIMES called up the bill in relation to letters of marque and prizes, and prize goods. He moved a substitute for the bill, providing that the President be authorized during the continuance of the present insurrection, to issue letters of marque and reprisal under the provisions of the acts of 1812 and 1813, and those acts to be revived against that part of the United States whose inhabitants have been declared in a state of insurrection, and the vessels and property there belonging.

The substitute was carried, and the bill postponed until to-morrow.

Mr. POWELL called up the bill to prevent members of Congress and officers of the Government from taking any consideration for procuring contracts, place or office, returned from the House with amendments. The amendments were concurred in and the bill passed.

The Senate went into Executive session and then adjourned.

HOUSE OF REPRESENTATIVES.

Mr. STEVENS, of Pennsylvania, reported from the Committee of Ways and Means its final appropriation bill for sundry civil expenses of the Government, including an item of half a million of dollars on account of emancipation of slaves in the District of Columbia, and those made free under the confiscation bill, looking to their colonization, and securing land outside the limits of the United States for that purpose, provision for which has already been made—this amount to be repaid into the Treasury by sales of property confiscated by emancipation.

The bill is the same that was laid on the table on Saturday, with the Gales & Seaton clause stricken out.

The House passed Senate joint resolution to adjourn on Wednesday next.

Mr. TRAIN, of Massachusetts, called up House bill to amend the act creating a police district in the city of Washington, and to establish a police therein. Passed.

The House then went into Committee of the Whole, and resumed the consideration of the appropriation bill reported by Mr. Stevens.

After a brief debate the committee rose and reported the bill to the House, with recommendation that it do pass.

Mr. HOLMAN, of Indiana, moved to lay the bill on the table. Lost.

Mr. MALLORY, of Kentucky, moved to strike out the appropriation to enable the President to carry out the emancipation bill for the District of Columbia. Lost.

The bill then passed.

Mr. STEVENS, of Pennsylvania, reported from the Committee on Ways and Means a bill to impose an additional tax of one cent on all sugar produced in the United States.

Mr. POLTZER, of Indiana, offered an amendment that the provisions of this act shall not apply to sugar manufactured from sorghum. Adopted.

The bill passed.

The SPEAKER laid before the House a message from the President, as follows:

Fellow Citizens of the Senate and House of Representatives:—

Herewith is the draft of a bill to compensate any State which may abolish slavery within its limits; the passage of which, substantially, as presented, I respectfully and earnestly recommend. A. LINCOLN.

July 14, 1862.

The bill provides that whenever the President shall be satisfied that any State shall have lawfully abolished slavery within and throughout such State, either immediate or gradual, it shall be the duty of the President, assisted by the Secretary of the Treasury, to issue to such State the amount of six per cent. interest-bearing bonds equal to —— dollars per head according to the number of slaves reported by the census of 1860. The whole amount of any one State shall be delivered at once if the abolishment is immediate, or at a proportionate rate if the emancipation is gradual, the interest to run from the time of the delivery of the bonds, but not before. If any State so receiving any such bonds shall re-introduce or tolerate slavery contrary to the act of abolishment, such bonds shall at once be null and void in whosoever hands they may be, and the States shall be made to reimburse the amount so paid therefor. Referred to the Committee on Confiscation.

Adjourned.

CITY INTELLIGENCE.

A NEW ROUTE.—It will be seen by the advertisement in another column that the fine steamer Plantor, Capt. Geo. W. Weems, has been placed on the route between this city and Alexandria and Washington, leaving here every Friday evening at 4 o'clock, and taking her departure from the District every Tuesday morning at 6 o'clock, calling at all the landings on the Maryland side of the Potomac for freight and passengers. To persons having the time there can be no more delightful trip than that by water from Baltimore to Washington, and we are sure that many will avail themselves of the opportunity offered by Capt. Weems.

A DANGEROUS RUNAWAY.—Yesterday afternoon a horse attached to a wagon standing on Baltimore street near Green, ran away and just at the corner of Baltimore and Pearl streets knocked down Walter Harvey, a boy, slightly injuring him. He continued running and on Baltimore street, about midway between Pine and Pearl streets, ran upon the pavement knocking down two ladies whose names were not ascertained. They were fortunately uninjured. Officer C. C. Handy, of the Western district, arrested the career of the horse, and after ascertaining the extent of the injury received by the ladies, secured the horse to await the arrival of his driver. The horse and wagon belong to E. Ulery.

HOBNOBBING FOR JEFF.—Leonard Stellpon yesterday spent the day at a Lager Beer Garden on the Belair road, and imbibed somewhat freely, so much so, that he lost his senses and hurrahed for Jeff. Davis, officer Smith took him into custody, and Justice Spicer sent him to jail in default of bail to keep the peace. Peter Reister, a companion of Leonard's, also got drunk and behaved somewhat disorderly, when officer Barnes nabbed him and took him to the station. He got bail to keep the peace and Justice Spicer discharged him.

SMALL NOTES.—A great many petitions, from persons engaged in all manner of retail business, are being presented to the Council asking that body to issue the city's certificates of indebtedness for a less denomination than they now do. Persons attending market find great difficulty in making purchases, as dealers will not give change unless parties will submit to a discount. The city or the banks must do something to relieve the community.

MORTALITY REPORT.—The report of the Health Commissioner, Dr. S. T. Knight, for the week ending yesterday morning, shows the total number of deaths, from all causes, to have been 131—males 75, females 56. This is an increase over the deaths of the week preceding of 21. The mortality among children is quite large, there being 84 deaths under 10 years of age. Compared with the corresponding week of last year, an increase of 26 appears in the total deaths, and of 21 among children under 10 years of age.

FOR THE GRAND JURY.—William Weston, negro, was yesterday before Justice Irving, charged with being an accessory to the theft of two vests from the clothing establishment of M. Adler, No. 372 West Baltimore street. He was committed for the action of the Grand Jury. Weston was in the store in company with two other negroes, who were looking at some clothing, when one of them seized two vests and made off. The others also ran, and one of them made his escape, while Weston was captured.

THE WEATHER.—Yesterday was quite a warm day. Early in the morning and in the evening the atmosphere was hazy, but at noonday the sun shone out bright and hot. The mercury in the thermometer at the NEWS SUNBEAM office denoted

At 9 o'clock ..... 76 degrees.
" 3 " ..... 86 "
" 6 " ..... 85 "

FUNERAL OF AN ACTOR.—The funeral of Mr. I. B. Phillips, late stage manager of Holliday Street Theatre, took place yesterday afternoon, from his late residence, on Front street near Hilton. It was attended by the whole theatrical profession in the city and a large number of friends, who were closely attached to the deceased.

THE FIRST NEW RED WHEAT.—The first lot of new red wheat that has reached the Baltimore market this season, was offered on 'Change yesterday morning by Messrs. COX & BROWN. It consisted of 140 bushels, in prime condition, and was purchased by Messrs. J. & H. Warden at 133 cents per bushel.

FROM NEWBERN, N. C.—We now see three arrivals at this port yesterday morning from Newbern, N.C., the first for many months. They were the schooners Mohawk, Malabar and Bengal, and all came in ballast. The schooner Emma Amelia, from Beaufort, N. C., also came into port this morning.

LARCENY.—A negro named Henry Harris was arrested yesterday by officer Kaufman, charged with stealing a watch from Mr. Pittman, No. 723 West Pratt street. He was committed for Court by Justice Spicer.

DISPLAYING FLAGS.—Simon Cohen was arrested yesterday by officer Scott, charged with allowing a secession flag to be displayed at his store, No. 185 North Gay street. He was held for the action of the Provost Marshal.

FOR NEW ORLEANS.—The fine bark Kedron, Capt. [illegible], from New Orleans, was towed out yesterday, with a full cargo. [illegible] Fair Trade, imported cargo. [illegible] naught, from Cat Island, arrived yesterday, bringing a full cargo of tropical fruit.

Amusements.

HOLLIDAY STREET THEATRE.—Miss Emily Thorne achieved a very successful debut here last night—fully bearing out by her spirited and graceful personations the high praises so liberally bestowed upon her by the New York press. She has great personal attraction, and a rapid, effective style; advantages which were cordially recognized by the fine audience who greeted her. To night she renders the role of Carlo, in the drama of *The Little Devil*, and Mrs. Dabchick, in the comic drama of *How to Make Home Happy*—the feature of last night's performance. Mr. W. H. Donaldson, a very talented performer, will give an exhibition of his skill and intrepidity, and appear with Mr. Harry Gilbert, a clever pantomimist, in the pantomime of *The Coopers*.

THE MELODEON.—The hall was crowded to [illegible] to witness the performance of the Ravel troupe, who were received with great enthusiasm by the large audience. Besides this large addition to the company, the singing and dancing is excellent.

SALT.—The demand for jobbing lots from store continues quite light. We now quote as follows, viz: Ground Alum 110 cts. per bushel; Coarse do. & Dairy's 170 cts.; Marshall's and Worthington's 180 cts., and Ashton's fine at 190 cts. per sack. From store Turks Island is selling at 56 cts. per bushel.

SUGARS.—There was a fair inquiry to-day, but operations were rather light. We now quote fair to good Cuba refining at 8¾@8¾ cts.; fair to good grocery do. at 8¾@9 cts., and prime do. at 9 cts.; fair to good Porto Rico at 8¾@9 cts., and prime do. at 9¾ @10 cts. per lb.

WHISKEY.—The market has been rather unsettled today. Early there was a sale of 75 bbls Ohio at 34¾ cts. per gallon, a further advance. Late in the day holders refused this figure, and when we left the market were firm in demanding 35 cts. per gallon. There is nothing doing in City or Country Whiskey, and in the present unsettled condition of the market, it is impossible to give a correct quotation.

DOMESTIC MARKETS.
