MEDICAL.

AYER'S SARSAPARILLA. It is a concentrated extract of the choicest root, so combined with other substances of the greatest alterative power as to afford an effectual antidote for all diseases. Sarsaparilla is reputed to cure—but such a remedy is only wanted by those who suffer from numerous complaints, and that one which will accomplish their cure must prove, as this has of its numerous victims, that it is a friend to all fellow citizens. How completely this compound will do it has been proved by experiment in many of the worst cases to be found in the following complaints: Scrofula or Kings Evil, Swellings and Sores, Skin Diseases, Pimples, Pustules, Boitches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring-Worm, &c. *Syphilis or Venereal Disease* is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health. *Female Diseases* are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla. No medicine is more valuable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, would it was not. When you have used Ayer's, then, and not till then, will you know what Sarsaparilla is.
