SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED. All the objections to other Machines are overcome in the Florence. It makes four different stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversable feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see the operations, whether you wish to purchase or not.

SEWING MACHINES.

On all sides we hear the merits of the

GROVER & BAKER'S
CELEBRATED SEWING MACHINE

extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so facitiously, quilt so evenly, stitch so accurately, gather so readily, or create so easily? None, we conscientiously affirm.

MEDICAL.

AYER'S
CATHARTIC PILLS

Are the most perfect purgative which we have been able to produce, for which we think we have every yet made by any body. Their effects have abundantly shown to the community that much of the sickness and wretchedness they expel the poisons from the blood, and when taken in large doses, they are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, purify and remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of everybody, but also formidable ones, which defy all other medicines. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best medicine that can be employed for children—they are sugar-coated, they are pleasant to take, being purely vegetable, are free from calomel, and from any mineral, and from any risk of harm. Cures have been made which surpass belief, were they not authenticated by men of such exalted position and character, as to forbid the suspicion of unfairness, or to question their veracity. Many eminent clergymen and physicians have lent their names to the public, to testify to the wonderful cures their remedies, while public rewards attest the assurance of their efficacy, and the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:

Costiveness, Liver Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul Stomach, Nausea, Indigestion, Want of Appetite, Coldness of the Bowels and Pain in the Stomach, Jaundice, Dysentery, Loss of Appetite, Liver Complaint, Dyspepsia, Costiveness and Piles, and Nervous Irritability, Weakness, Nervous Affections of the Liver and Kidneys, Gout, and Derangements of the Liver and Stomach, Fever and Ague, Fever and Chills, Bilious Fevers, Inflammation of the Bowels, Cholera Morbus, Worms, Colic, Flatulency, Palpitation of the Heart, Pain in the Side, Back and Limbs, Rush of Blood to the Head, Dizziness, Sudden Flushes, Partial Blindness, Dullness of Sight, Sore Eyes, Pain in the Head, Tetter or Salt Rheum, Scurvy, Itch, Scaly Skin, Erysipelas, Blotches, Boils, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Mercurial Disease, Mercurial Rheumatism, Mercurial Eruptions, Venereal Affections, Venereal Eruptions, Venereal Ulcers, Venereal Sores, Female Complaints, Suppressions, Whites, Irregularities, Leucorrhoea, Prolapsus, Uterine Obstructions, Uterine Inflammations, Uterine Hemorrhages, Uterine Tumors, Ulceration of the Uterus, Ulceration of the Mouth, Ulcers, Ulcerated Sore Throat, Ulcerated Legs, Ulcerated Breast, Ulcerated Limbs, Ulcerated Wounds, Ulcerated Tumors, Ulcerated Teeth, Ulcerated Throat, Ulcerated
