To the right Honble Cecilius absolute Lord and Proprietary of the Province of Maryland and Avalon Lord Baron of Baltimore &c

The humble petition of John Power of Talbott County planter and Mary and Judith Hawden of in the Kingdome of — England Legatees of John Knighton late of the said County of Talbott planter

Humbly sheweth unto yo. Lopp

That yo. Lopps father late Lord Propry of this Province Cecilius of noble — memory by his Deed of Grant under the great Seale of this Province bearing date the fourth day of January in the Eight & twentieth year of his said Lopps Dominion over this Province and in the year of our Lord One thousand six hundred fifty Nine for the consideracons therein — named did grant unto Robert Marsten deceased a parcell of Land — called Marstingborough containing by Estimacon four hundred Acres

lyeing in Chester River in Talbot County aforesaid, by vertue whereof ye said Macklin being possessed of the same land afterwards to witt the Eighteenth day of May one thousand six hundred sixty and three sould the same to Guy White & John Bagby who possessed and held the same together and undevided in Jointetennancy dureing the life of the said John Bagby, which said John Bagby dyeing before the said land was devided betweene him and the said Guy White the right to the same became vested and settled in the said Guy White the surviving Joint Tennant which said Guy White afterwards to witt the third day of August one thousand six hundred sixty Eight sould the same to Thomas Norrice and John Singleton who after ye purchase thereof by mutuall Consent devided the said land equally betweene them by a line of marked Trees without Deed, after which to wit the sixth day of November One thousand six hundred seaventy five the said Thomas Norrice sold his Moyety of the same land unto yo. Peticon. John Power for Thirteene thousand pounds of Tobacco and gave the said Power a Conveyance for the same which is duly inrolled in yo. Lopps Court of Talbott County, after which the said John Singleton by his last will and Testament in writeing duly proved & remaining upon Record in yo. Lopps office for probate of wills & granting of Admcons &c at the Citty of St Maryes did give and bequeath his moyety of the said land unto yo. Peticon. Mary and Judith Hawden being his Neeces who are at present in England, & never were in this province, and then the said John Singleton dyed. Your Lopps Petr. Power being an illiterate person and wholy ignorant of the Law was perswaded by his Neighbors and acquaintance that the Division made betweene Singleton and Norrice of the land aforesaid in Singletons life time was no good devision but that the whole parcell of land was now fallen to yo. Peticon. Power by reason he was the Surviving Joint Tennant yo. said Peticon. Power being perswaded thereto assed advise about the same & was perswaded by persons that pretended to understand the Law that he had a good right thereunto & thereupon your said Peticon. Power procured a warrant from yo. Lopp Reciting the first grant to the said Macklin of the said land, & that the same was by sevall meane assignt. vested and settled in yo. Peticon. Power takeing no notice of the said Devision, and that there was a greater quantity then foure hundred acres

within the ancients bounds of the same land, therefore that yo. Peticon. Power did request to survey the same in his owne name and to have liberty to make good rights for the surplusage, upon which suggestions your Lopp never being acquainted with the said devision, nor of the Right of yo. Peticon. Mary & Judith as Legatees of the said John Singleton to one moyety of the premisses, Your Lopp by a warrant of Resurvey ordered the Surveyr. to Resurvey the whole for your Peticon. Power and gave the said Power liberty of making good rights for the Surplusage, pursuant to which said warrant of Resurvey John Stanly Deputy Surveyr. of Talbott County aforesaid the third day of November one thousand six hundred seaventy six Resurveyed the same and returned Certificate thereof into your Lopps Secretaryes office in Powers name making the same to conteyne Eight hundred acres of land. Yo. Peticon. Power pursuant to the said warrant of Resurvey purchased Rights for foure hundred Acres more which being assigned him by John Edmondson the said Power procured from yo. Lopp a Pattent of confirmacon of the whole Eight hundred acres of land to him and his heyres for Ever dated the Eight and twentieth of March One thousand six hundred seaventy seaven and in the second yeare of yo. Lopps Dominion over this province. Thereby totally Excluding the said Mary and Judith of their Right to the moyety of the same land which to them appteines as Legatees of the said John Singleton deceased. Now for that the said Devision made in the life time of the said Singleton and Norrice is a good Devision and the aforesaid Pattent annexed of Confirmacon of the whole Eight hundred acres to your Peticon. John Power is unduly and Syrruptitiously obteyned and ought to be vacated upon Record, and for that yo. Peticon. Power hath right but to one moyety of the said Land, and that yo. Peticon. Mary and Judith have right right to the other moyety of the said land as Legatees of the said John Singleton deceased and that to this all ptyes are agreed and consenting.

Therefore yo. Lopps humble Peticon. John Power Mary Hawden and Judith Hawden for the settling of all differences betweene them touching the premisses doe humbly pray yo. Lopp to order the said Pattent of Confirmacon granted to the said John Power of the said Eight hundred Acres of land &c

hereunto annexed may be varated upon Record and that yo: Petition: Power may have the benefit of his four hundred acres Rights purchased of John Edmundson as aforesaid and that the said parcell of land called Marshingborough may be Resurveyed in the name of a full the said John Power as the said Mary and Judith Hawden according to the amount bound thereof and that the same be devided in two Equall parts according to the Devisional line before mentioned made by the said Singleton and Norrice and that there may be a severall Certificate of Rent rolls and in the name of the Petition: John Power for the moyety purchased by him of the said Thomas Norrice as aforesaid and the other in the name of yo: Petition: Mary and Judith Hawden Legatees of the said John Singleton deceased of the said Singletons Moyety, and that yo: Lpp will please to give yo: Petition: liberty to make good what Rights shall be wanting for the Surplusage land if any be, and that the said John Power may have Patent for his moyety in his own name and the said Mary and Judith have Patent for their moyety likewise in their own names.

And all yo: Petition: as in duty bound shall ever pray &c
