

A. Yes, I do Mr. Storm, if we can get near \$9,120.00 for the property, Susan's money can be invested and she will get more than what one-third of the rent would be and she will be much better off.

Q. Are you satisfied to sell your share of the property at that price?

A. I certainly am. I only hope that we can get that much. I was willing to sell for less and was very pleased when Mr. Christophersen got Mrs. Stanley signed up. Now the price has been raised to what she was willing to pay and I feel that is a very fine price.

TO THE GENERAL INTERROGATORY
