RE: #21,047 Equity

Dear Sgt. Major Young:

This is to advise you that I have been appointed by the Circuit Court for Frederick County, Maryland, to represent you and your wife in the foreclosure proceedings which were filed against you in the Circuit Court for Frederick County, Maryland, on July 28, 1965, said Equity proceedings having been designated by the above referred to docket number. A certified copy of the Complainant's Petition and a certified copy of Judge Clapp's Order dated this date is enclosed herewith for your information.

Inasmuch as you will note on the order that you have only until the 24th day of August, 1965, to show cause why the aforesaid foreclosure proceedings should not be continued, I suggest that you contact me immediately upon your receipt of this letter and let me have your instructions as to what actions I should take on your behalf, otherwise, on August 25, 1965, I shall proceed to answer the enclosed petition and submit your rights to the decision of the court. I am, of course, sending exactly such a letter and a copy of the enclosed petition and order to your wife, at her Jefferson address.

With kindest regards, I am,

Sincerely yours,

WILLIAM W. WENNER
