November 3, 1969, and testimony
taken and transcribed by James M.
Green, court reporter.

P r e s e n t:

Murray H. Fout, Esq.
Attorney for Petitioner

Court: This is 22,560 Equity and appears to be a petition
for the construction of a will and for authority to sell real estate.
The Court on October 3d signed a show cause order directing R. Michael
Anders, owner of this real estate, to show cause in 24 days from the
date of the order providing he was summoned on or before the 10th day
of October, 1969, to answer the petition. It directed further that a
copy of the petition and order of summons be left with him 24 days from
the date hereof. Now, it was set for hearing today at 10 o'clock. Now
the file, Mr. Fout, that you gave me indicates that Mr. Anders was
served on October 8; that no indication of answer or pleading has been
-ed
filed; is that correct as I have check/the docket?

Fout: That is correct.

Court: Nothing has been filed. All right, I will hear you.

HELEN B. YOUNG, was called upon to testify and, after being
duly sworn, testified as follows:
